Copy of the letter No.3058/13E-362/43, dated the 9th December, 1946, from the Additional Secretary, II, to the Government of Bengal, Home Department, to the Secretary to the Government of India, Department of Commonwealth Relations, New Delhi.

Subject:- Financial assistance to evacuee University students.

I am directed to refer your letter No.F.22/46-E(ii), dated the 16th November, last, on the above mentioned subject and to state that in accordance with the last sentence of para 1 of your letter No.F.18/45-E(ii), dated the 6th June, 1946, repayable educational grants have already been given to 9 or 10 students who after passing the School final examination became eligible for admission to a University in 1946 and joined University classes during the academic year 1946-47. Such grants on a repayable basis have also been given to 3 or 4 students for the academic year 1946-47, who did not take grants for their education previously, but were forced to apply for such grants for this session on account of their guardians having lost - their jobs.

2. In the letter under reference, it has been laid down that "no fresh entrants to the Scheme during the year will be considered eligible for assistance". In view of the sentence following, it is presumed that in the cases mentioned above, when the students are getting grants for the first time this Session, educational grants may continue to be given for the rest of the academic year (which will end generally in May, 1947) on a repayable basis. I am to point out that if the advances are discontinued now, most of these students, will have to give up studies immediately.
