...om the Director of Public Instruction, No.4366.C/45.2
dated 14-11-1945.

...

The Government approve the suggestions made by the Directorof Public Instruction:

(1) that 'Public Health Engineering', "Geodesy' and "Electrical Measurements" may be added to the subjects for which candidates may be selected;

(2) that the subject "Aircraft Navigation and Aircraft Instruments may be altered to "Aerodynamics, Aircraft Navigation and Aircraft Instruments" under "Aeronautical Engineering"; and

(3) that two officers of the Engineering College may be selected for "Geodesy" and "Radio Communications". The Government have also decided that a private candidate may be selected for "Heat and Hydraulic Engineering". In addition to the 11 candidates (excluding the one for "Radio Communications" for which a Government servant is to be selected) required according to the estimate for 1945-6 as indicated in the annexure to Govt. Memorandum No.48946.C.3.Edn., dated 2-11-1945, a candidate may be selected for each of the subjects of "Public Health Engineering", "Electrical Measurements" and "Heat and Hydraulic Engineering". The Director of Public Instruction is requested to compete Form "A" in respect of (a) the 14 private candidates, and (b) the 2 Government servants, and forward them to Govt. before the 5th December 1945. As the total number of scholarships that may be allotted to this Province may not meet all the requirements of the Departments, the degree of importance attached to the different subjects should also be indicated in the Form, relating to private candidates, by arranging them in the order of preference.

p.t.o.

2. The Government have decided that the following subjec
included under the new head "Education" and that Govt. sg
may be selected for those subjects for which there ar suitabl
dates among them private candidates being selected for the oth

(1) Pure Mathematics;
(2) History and Politics;
(3) Botany.
(4) Zoology.
(5) Engineering Mathemati
(6) Engineering Physics.
(7) Engineering Chemistry
(8) Engineering Geology.

The Director is requested to examine and report urgently f
subjects there are suitable Government servants who can be
higher studies abroad. In the meanwhile, he is requested t
particulars required by the Government of India (Form "A") in e
to the candidates for these subjects also, putting them down, for
present, under the heading of "Government Servants".

3. A copy of the Government of India letter No.2610.(e
dated 23.11.45, is enclosed for information.

Please see the application from Sri K.S.Srinivasan, Curator, Government Museum, Madras for deputation for study overseas and also the Endt.of the S.G.M. thereon. The proposa referred to by the Superintendent is being dealt with in the L.F.(I), the remarks of the D.P.I. having been called for-- vide Memorandum No.34807/45-3 dated 23-11-45 on p.23 c.f. of L.F.(1). The D.P.I. has separately been asked to submit proposals for the deputation of officers of Educational Dept. for higher studies in Botany among others. The proposals have not been received. It is for consideration whether the application of Sri K.S.Srinivasan may be forwarded to the D.P.

Sub-Asst. Inspectress of Schools,
South-East Tinnevelly Girls' Bang-

his attention being invited to the Memo. on p.23 c.f. of L.F.(1) and Memo.No.48946.C.45-21 Edn., dated 19-1-46 L.F.(11). The draft below is for consideration.

JM 19/2/46

It may be mentioned that, as Sir Thomas Austin's suggestion that one of the Museum officers may be deputed abroad for further studies, the S&M has recommended the name of the Curator, Zoology Section with reference to the requirements of the Museum. I remember that he discussed this case with Curator & thought that the Museum would profit most by the deputation of the Zoology Curator & no other. This off[r] may ∴ have to be considered with this proposal not so much with ref: to Museum requirements as to the possibility that the applicant may get promotion to the M.E.S. if this too, only if this suggestion in L/F is accepted.

Government Musem - Curators - Transfer to Madras Educational Service.

The Superintendent, Government Museum, has reported that there is not sufficient prospects of promotion for the Curators employed in the Government Museum. With a view to improve the prospects of the curators and to attract a better type of persons for employment in the Museum, it has been suggested that recruitment by transfer to the Madras Educational Service should be made from the posts of Curators also (category I of Class II of the Madras General Subordinate Service). The Director of Public Instruction is requested to report whether the suggestion is feasible and if so, how it may be given effect to.

To the Director of Public Instruction.

R.C. No. 4368 C/45-16, Dated 12th March, 1946.

Sir,

Subject:- Scholarships - Advanced studies overseas: 1946-47 - Deputation of Government servants.

***

WITH reference to the two proposals referred to in the Government Memorandum No.48946 C/45-21 Edn., dated 19th January 1946 I have the honour to state as follows:

Proposal No.(1): Major B.H. Marley is now serving as Officer Commanding, 186 Indian Rly. Construction Coy., R.I.E., Gauhati. He is willing to be deputed overseas for advanced studies in Geodesy (Geodetic Engineering). But the question of his release from the Military service and the terms and conditions of deputation present difficulties. I submit herewith copies of D.O. letters dated 19th February 1946 and 2nd March 1946 from Major B.H. Marley for the orders of Government as I am unable to send him a reply without Government's instructions on the various points raised by him.

As regards the deputation of Flying Officer A.R. Ramanathan for advanced studies in "Radio Communications Engineering" I am awaiting Dr. J.J. Rudra's remarks in regard to the evaluation of the training that F/O Ramanathan had already had in the United Kingdom sometime during 1944 and I shall submit my final recommendations on receipt of his reply.

Proposal No.(2): IN regard to the selection of suitable candidates for the eight subjects under 'Education' I invited applications from suitable Government servants of the Education Department --Vide copy of my Circular Proceedings R.C. No. 4368 C/45-9, dated 1st February 1946. Sixty-nine applications (including the one from Sri K.S. Srinivasan, Curator, Government Museum, Madras, forwarded in Government Memorandum No.9484 C/46-1 Edn., dated 21-2-1946) were received and duly considered. I consider that the following 8 Officers are the most suitable for being deputed overseas for higher studies in the subject noted against each and accordingly recommend that the Government may be pleased to select them for deputation overseas during 1946-47 for the respective subjects.

1. PURE MATHEMATICS: Sri P. Bhaktavatsal Patnaik, M.A., Permanent Lecturer in Mathema[illegible] Government Arts College, Rajahmundry.

P.T.O.

2. HISTORY AND POLITICS: Sri P.K. Karunakara Menon: M.A., M.Litt., L.T.,
Officiating Asst. Professor
of History,
Presidency College,
Madras.

3. BOTANY: .. Sri C. Bhashyakarla Rao, M.Sc., L.T.,
Lecturer in Natural Science,
Teachers' College,
Saidapet.

4. ZOOLOGY: .. Sri S.M. Krishnan, B.Sc.(Hons.),
Permanent Demonstrator and
Officiating Assistant Lecturer
in Natural Science,
Government Victoria College,
Palghat (Posted).

5. ENGINEERING MATHEMATICS. Mr. P.V. Abdurahiman, B.A.(Hons.), B.T.,
Officiating Assistant Lecturer
in Mathematics,
Government Brennen College,
Tellicherry.

6. ENGINEERING PHYSICS. .. Sri T.K. Lakshmanan: M.A., M.Sc., L.T.,
Lecturer in Physics,
Government Arts College,
Rajahmundry.

7. ENGINEERING CHEMISTRY: Sri B. Ramachandra Pai, B.Sc.(Hons.),
Permanent Demonstrator and
Officiating Asst. Professor
of Chemistry,
Presidency College, Madras.

8. ENGINEERING GEOLOGY. Sri V. Venkatesh, B.Sc. (Hons.),
Officiating Asst. Professor
of Geology,
Presidency College, Madras.

I have the honour to be,
Sir,
Your most obedient servant,

13.3.46

Copy of D.O. letter dated 19th February 1946 from Major B.H. Marley, (Permanent Instructor in Surveying & Drawing, College of Engineering, Guindy), O.C. 186 Ind.Rly.Con.Coy., I.E., Gauhati.

***

Dear Mr. Mohammad,

Subject:- Deputation to foreign countries for Advanced training 1946-47.

1. This is in continuation of my letter dated 7/2 and my Telegram of to-day's date, which read as follows

"MARLEY WILLING TO BE DEPUTED. LETTER FOLLOWS."

2. I trust this answers your D.O. 4368 C/45-10 of 1-2-46.

3. Now I have not been able to lay my hands on a copy of Fundamental Rules. May I request you to kindly ask your P.A. to answer the following questions:-

(a) Will I be in receipt of my pay whilst on deputation?

(b) If so - what will it be?
(I understand certain enhancements of pay have been given to Government servants, now on War Service).

(c) Will I get my Dy. Warden's allowance as promised by the D.P.I. in letter 1915 C/40 of 27-2-41?

(d) What study leave allowance will I get?

(e) What leave allowance will I get?

(f) Will I get any other allowance?
(Para 7 of Appendix I of Brochure regarding Overseas Scholarship Scheme, making "Special" Allowance.)

(g) Will I be permitted, if I so desire, to keep my wife and family in my bungalow in the College?

(h) For receiving my pay and allowances, must I make my own arrangements, or will these be made for me by the Government?

(i) I assume deductions towards Prov. Fund, etc., will be made as usual.

(j) Five years I have been on War Service. Will I be afforded sufficient time, after my release, to put my affairs in order?

(k) I am Insured in 4 Coys. in India; if I am required to pay enhanced premiums in view of this exodus, will such enhancements be met by the Govt.?

4. It is too early to receive a reply to my letter to the Military on the subject of an earlier release, but I do not anticipate any obstacles. In all probability I shall be out, just when negotiations at your end have been completed.

***

P.T.

Copy of letter dated 2nd March 1946 from Major B.H. Marley, O.C., 186 Ind Rly.Const. Coy,R.I.E., Gauhati, 6 A.P.O., to the Director of Public Instruction, Madras.

Sub: Deputation to Foreign countries for advanced training - 1946-47.

---

1. In my last letter dated 20th Feb. on this subject, I was, as is evident from the Adjutant General's letter, copy appended, unduly optimistic.

2. It has been suggested that the case could be taken up as a compassionate one and the inference to be drawn from this is that in view of the deputation materialising I stand to gain. I submit however, that as my position both now and after my return from deputation will remain unaltered, I ~~x~~ gain nothing, but the gain will rather be on the side of the Government for they will, I hope, have the services of a man better equipped.

3. Release on compassionate grounds, is in effect release under Class C. Those released in this class and in class B, secure release other than in their normal turn under the age and service rules, and in view of this favoured treatment, they do not receive the benefits which are allotted to Class A releases. These benefits, I may say, are considerable. Now my release group is 18, and if I had gone out on 8th Oct. 45, I would have received all benefits as a Class A release. If release is granted now, six months after my release date, no favoured treatment is being shown, and therefore no benefit should be withdrawn.

4. The Army has also put forward a ~~xx~~scheme for Advanced Studies Abroad, open to Services candidates. It is probably the same scheme, and I am quite sure that if the Directorate of Resettlement, Welfare General's Branch, New Delhi, is approached by the Education Department of the Government of Madras, my release, on any day, under Class A, can be secured.

5. My willingness for deputation remains, but I am not prepared to be released from the Army in which I have served during the present emergency for more than five years, under any class except Class A.

****

Copy of A.G's Branch, G.H.Q. Letter No.7003/2/ Org. 12 A.3 dated 22 Feb. 46 to D.D.Tn., Calcutta.

Subject: Deferment of Release - Major B.H.Marley (IEC 217) (18 Dvi)

Ref: Your No.600/M-15/Tn/3 dated 15 Feb.46 it is regretted that cancellation or reduction of deferments of release can only be granted on compassionate grounds.

It is suggested that, as Major Marley will be due for release on 8 Oct. 46, the question devolves upon what date the Director of Public Instruction has in mind for him to proceed to U.K. or U.S.A.

If this officer's retention in military service until October is prejudicial to his chances, then his case could quite reasonably be taken up as a compassionate one. Before it can be taken up, however, more detailed information is necessary regarding date of employment, etc.

SUBJECT: Deputation of Government servants to foreign countries for higher studies - 1946-47.

It is proposed to select and depute during 1946-47 suitable Government servants to foreign countries for higher studies in the following subjects:-

1. Pure Mathematics.
2. History and Politics.
3. Botany.
4. Zoology.
5. Engineering Mathematics.
6. Engineering Physics.
7. Engineering Chemistry.
8. Engineering Geology.

2. Applications from suitable Government servants of the Education Department for deputation overseas are invited. Applicants should not be over 40 years of age on 1-2-1946 and should possess at least the minimum qualifications prescribed for appointment as Assistant Professors or Assistant Lecturers in the Madras Educational Subordinate Service.

3. The undermentioned officers are requested to give wide publicity to these Proceedings and submit applications received from their subordinate officers together with their own recommendations so as to reach the Director's office not later than 10-2-1946.

4. Terms and conditions of deputation:-

Government servants who are entitled to Study leave and are selected for deputation will be sent on study leave terms, supplemented by a Special allowance, if necessary, so as to ensure that in no case will a Government servant be placed in a less favourable position financially than the stipendiary students. The general terms offered for stipendiary students by the Government of India are indicated in Appendix II to these Proceedings for information.

APPENDIX I.

Subjects which the Government Servant deputed overseas will have to study.

***

1.	Engineering Mathematics:	Geodesy, conjugate functions, operational calculus, Tensor Analysis, etc.
2.	Engineering Physics:	Thermodynamics, Radio wave propagation, Photo elasticity, Hydro-dynamics and Atomic Theory, etc.
3.	Engineering Chemistry:	Chemistry of Metals and materials used in Engineering and analytical chemistry, etc.
4.	Engineering Geology:	Geology of materials used in Engineering; Economic Geology, etc.

APPENDIX II.

OVERSEAS SCHOLARSHIPS - 1946-47 - General conditions for stipendiary students.

The following are extracts from the Brochure entitled "Information for Students desiring to proceed Overseas for Advanced Studies in 1946-47" published by the Govt. of India Department of Education".

***

3. Duration of courses:- The duration of a course of study will be determined in each case by the Government of India but it will in most cases be about two years.....

4. Countries where arrangements will be made:

Arrangements for instruction will be made primarily in the United Kingdom and the U.S.A. but, provided that satisfactory arrangements can be made, in other countries also, such as Australia, Canada and New Zealand. Applicants may mention their preference for any country or for any particular institution, or institutions, but the final decision in the matter will rest with the Government of India.

5. Stipends: The value of the stipend for each student will be fixed in the light of ascertained requirements in different countries, but it will be sufficient to cover all the normal maintenance expenses which a student is likely to incur, including expenses during vacations. The stipend will be payable from the date of a student's arrival in the country where he is to receive instruction upto the date of his departure from that country on the return journey, and it will be paid in advance in quarterly or monthly instalments. Any tuition fees or other charges in connection with the course of study will be paid by the Government of India.

6. Travelling Expenses: Students will be allowed a II class fare or, where there is no II class, the fare next below I class, from their normal place of residence to their place of instruction and back, together with a sum of £5, or its equivalent in Indian or other currency, to cover incidental journey expenses each way. The sum of £ 5 will not be paid to those who are in Government employ and are in receipt of their pay during the voyage.

(continued on the next page)

7. Terms for Government Servants: Central Government servants who are entitled to Study Leave and are selected for a scholarship will be sent on Study Leave terms, supplemented by a special allowance, if necessary, so as to ensure that in no case will a Govt. servant be placed in a less favourable position financially than the other stipendiary students. Provincial Govt. servants who are selected for a Central Govt. scholarship will receive a stipend or Study Leave terms as may be decided in consultation with the Provincial Govts concerned.

8. Equipment Allowance: Each selected student will be given before his departure from India an equipment allowance of Rs.500 to enable him to provide himself with such clothes and other necessary articles as he is likely to need on the journey or immediately on his arrival in the country to which he is being sent.

9. Conditions of the Grant of stipend, etc. (a) The grant of the stipend and allowances will be subject to periodical reports of satisfactory progress. In case of continued adverse reports in respect of studies or conduct, the Government of India reserve the right to cancel the stipend immediately, and the students will be required to refund to the Govt. of India the total amount spent on him upto date together with interest calculated at fixed Govt. rates, in accordance with the terms of the bond referred to below.

(b) In the case of a student who, on account of illness or other reasonable cause, is unable to complete the approved course of study and is obliged to return to India, the Govt. of India will pay the cost of the return journey and may at their descretion forego the rdfund of the amount referred to in (a) above.

10. Bond: All selected students will be required to enter into a bond, in the form given..... undertaking to serve the Govt. of India on their return after the completion of their course of instruction for a period of five years, if required to do so in a gazetted post, or to take up for a similar period other comparable employment, if so directed by the Government of India.

11. Prospects of Employment on Return: (a) Every endeavour will be made to find for all students who satisfactorily complete the approved courses of studies gazetted appointments under the Government of India or other comparable employment. It should, however, be understood clearly that selection for an approved course of study does not carry with it any guarantee of employment and that the selection for appointment in any Central Service will depend on the rules and regulations in force at the time.

(b) A Govt. servant will, on his return after satisfactorily completing an approved course of study, be considered for appointment to a higher post if and when there is a suitable vacancy.

* * *

15. Arrangements in regard to Passage, etc. The Government of India will make arrangements in regard to the sea passage and, where necessary, facilities for Dollar exchange. The selected students will, however, apply for passport, and visas in the usual manner.

Tech.Edn.--Advanced studies overseas--Sending of Govt.servants under G. of I. scheme.

Pp.13-14 cf.

Ref:- From the D.P.I., A.C.No.4368-C/45-16, dated 12-3-46.

The D.P.I. is informed that the officers of the Edn. Dept. proposed to be sent, under the G. of I. scheme, for higher studies overseas, are eventually to fil posts in the M.E.S. It is, therefore, desirable that the persons selected should belong to the M.E.S. and/or should be those whose names are in the approved list for that Service or are likely to be included in it in the course of the next two or three years. The Dir. is also informed that the field of selection need not be restricted to persons not above 40 years of age.

2. The Dir. is requested to send for each of the eight subjects under "Education" a list of suitable

persons already in service (both M.E.S. and M.E.S.S.) qualified in those subjects, discussing their qualfns. and merits for selection for deputation.

3. A statement showing particulars re: age, qualfns., service, etc., of all the persons who applied in response to the Dir.'s circular proceedings dated 1-2-46 should also be sent for Govt.'s information.

4. The refee. may be treated as specially urgent.

~~Scholarships~~ for Advanced studies overseas - Deputation of Government Servants.

Ref:- From the D.P.I. RC.No.4368C/45-16 dated 12-3-46.

The D.P.I. is informed that Major B.H.Marley may be given a reply to the questions raised in his letter dated 19th February 1946 on the following lines:-

(Questions (a),(b) and (d) to (f).- PAY AND ALLOWANCES - PARTICULARS:- The D.P.I. is requested to send a copy of his circular RC.No.4368C/45-9, dated 1st February 1946, to Major Marley and to draw his attention to para 4 thereof. Major Marley will be eligible for all the consessions admissible under the study leave rules contained in F.R.84, i.e. half average pay subject to a minimum of £25 per mensem; and study allowance and also the additional amount, if any, required to bring up the total payment to the level of the amount paid to stipendiary candidates under the ~~training~~ Govt. of India scheme.

Question (c) - DEPUTY WARDEN'S ALLOWANCE:- Major Marley will not be eligible for the Deputy Warden's allowance as he will not be discharging the duties of the post while on deputation. ~~overseas~~.

Question (g) - GOVERNMENT QUARTERS:- Major Marley may be informed that he will not be eligible for quarters during the period of his deputation.

Questions (h) and (i):- PAY AND ALLOWANCES - DRAWAL AND DEDUCTIONS OF P.F.:- G.O.No.1145 Finance, dated 25-10-45, contains the information asked for by Major Marley. The Director may communicate a copy of the G.O. to him.

Question (j) - PROBABLE DATE OF DEPARTURE:- It is not possible to say now whether Major Marley will be given sufficient time after his release from the Military Service to put his affairs in order. He may be informed accordingly.

Question (k) - INSURANCE - ENHANCED PREMIUM:-

The Government do not propose to allow any concession in this respect.

2. The D.P.I. is requested to expedite his recommendation in respect of Sri A.R.Ramanathan and his reply to Government memorandum No.C 1458802/46-1- dated 23-3-46. His final reply should reach Government by the 28th of March 1946, the latest.

ASST. SECRETARY TO GOVERNMENT
28 MAR 1946
EDUCATION AND PUBLIC HEALTH DEPTT.
17284

To The Secretary to the Government
Education and Public Health Dept.

Thro: The Proper Channel.

Sir,

I submit this my application for Govt Scholarship for a course of studies in 'History and Politics' in the United Kingdom. Since the applications were invited only from such of the Departmental men who were below 40 years of age on 1st February 1946, I did not apply earlier.

Now I understand, that so far as the Departmental candidates are concerned, the Govt of India does not rigidly enforce the 40 years' age restriction. Moreover, I submit that I am not over-aged, my date of birth, being 3rd April 1905. In view of my long record of service and special academic qualifications, may I request you to consider my application favourably?

I passed the B.A. (Hons) Exam in 1927 with History as the Main and Politics and Economics as the Subsidiary subjects. I secured a Second Class and the highest rank among the candidates who appeared for the History Honours Exam from the Arts College, Trivandrum.

Starting my teaching career in the Islamia College, Vaniyambadi, I entered Govt Service in July 1928 and I have to my credit 19 years' experience as a lecturer

P.T.O.

Trivandrum Colleges of the Presidency. Now, I am one of the seniormost Lecturers in History in the Education Department.

From 1940 to '44 I served as a member of the Board of Studies of the Annamalai University. In 1943-44 I worked as a Research Fellow in the Madras University and the results of my research are embodied in my thesis "The Srucindram Temple - A Monograph". I am submitting the thesis for the D.Litt. Degree (the highest research Degree) in August 1946. (The thesis is available for perusal at present.) Further, I have undergone the Diploma Course on "Politics and Public Administration" which is prescribed as a desirable qualification for handling Politics Honours Classes.

Regarding my lecturing experience, I may add that I have handled every subject in History and Politics for the B.A. Course. Moreover, during my 4 years' service in the Presidency College, I lectured to Honours classes on "Constitutional History" and "Medieval Indian History". At present, in addition to Indian History and Politics for the B.A Classes, I am lecturing to the Honours Classes on "Historical Politics" and "Mughal Administration" one of the Special Subjects.

I may be permitted to add that, should I be selected, I shall undertake the B.A.(Hons) Course in 'History & Politics' in the University of Oxford, Cambridge or London (in the order of preference).

Director of Public Instruction,
Madras.

End:-
71 Applns.
+ 1 List.

To

The Secretary to Government,
Education and Public Health Department,
Fort St. George,
Madras.

R.C. No. 4368 C/45-17, dated 28th March 1946.

Sir,

Subject:- Technical Education - Advanced Studies Overseas - Deputation of Government servants - 1946-47.

Reference:- Government Memorandum No. 14588 C-2/46-1 dated 23rd March 1946.

P.21-22 ante

I discuss below the merits of the candidates I have recommended to Government for favour of approval.

I. Pure Mathematics and Engineering Mathematics:

A

Nine applications were received. Of them I have selected Sri P. Bhaktavatsal Patnaik for PURE MATHEMATICS and Mr. P.V. Abdurahiman for ENGINEERING MATHEMATICS.

Sri P. Bhaktavatsal Patnaik holds a permanent appointment in the Madras Educational Service. He is now Lecturer in Mathematics, Government Arts College, Rajahmundry.

Mr. P.V. Abdurahiman is an Officiating Assistant Lecturer in Mathematics, Government Brennen College, Tellicherry with high academic distinctions. He belongs to the Moplah Community. His name is not in the approved list for promotion to the Madras Educational Service or is it likely to be included in the ordinary course within the next two or three years. The other applicants too are not better placed in this regard.

II. History and Politics:

Ten applications were received. Of them I have selected Sri P.K. Karunakara Menon, Officiating Assistant Professor of History, Presidency College, Madras. He possesses the highest academic distinctions. His name is not in the approved list for promotion to the Madras Educational Service or is it likely to be included in the ordinary course in the next two or three years.

Of the applicants Sri T. Balakrishnan Nair is a permanent member in the Madras Educational Service and is now Professor of Indian History, Presidency College, Madras. As he has already had Overseas training and is now fit for the post of Professor of Indian History I do not consider that there is much advantage to be gained by deputing him for

for further studies in History and Politics. He is 40 years of age.

V. Habibullah Sahib Bahadur is an Officiating member in the Madras Educational Service. He is now Lecturer in Economics, Government Muhammadan College, Madras. I consider that it would be desirable to send him abroad for higher studies in Economics when such an opportunity arises at a later date.

Mr. K.A. Joseph, Assistant Lecturer in History, Government Victoria College, Palghat, is one of the applicants whose name is likely to be included in the Approved List for promotion to the Madras Educational Service in the course of the next two or three years. He does not, however, possess such high academic distinctions as the candidate recommended by me. He is now 41 years of age.

Messrs. S. Velayudham and K.V. Damodaram Nair are permanent in the Subordinate Educational Service (Collegiate Branch) and it is fairly likely that their names may be included in the Approved List for promotion to the Madras Educational Service in the next two or three years. But they being graduates in Economics, would be better-fitted for higher studies in that subject.

III. Botany:

Six applications were received. I have selected Sri C. Bhashyakarla Rao, Lecturer in Natural Science, Teachers' College, Saidapet. He holds a permanent appointment in the Madras Educational Service.

Though in the list of applicants Sri T.N. Venkatanathachari, Officiating Additional Professor of Botany, Presidency College, Madras, possesses high qualifications almost equal to those of Sri Bhashyakarla Rao, I have selected the latter (Sri C. Bhashyakarla Rao) as he is senior to Sri Venkatanathachari and is also younger in age.

IV. Zoology:

Nine applications were received. I have selected Sri S.M. Krishnan, Officiating Assistant Lecturer in Natural Science, Government Victoria College, Palghat. His name is not in the Approved List for promotion to the Madras Educational Service or is it likely to be included in it in the ordinary course in the next two or three years.

Of the applicants, Mr. M.D. Paul (District Educational Officer, Kurnool) is a permanent member in the Madras Educational Service, but in the Administrative Section. I find him more useful in the Administrative Section. If he is to be selected for further studies overseas I would prefer his being sent for higher studies only in 'Teaching'.

Of the rest only Messrs. H. Enoch and K.I. Verghese are likely to be included in the Approved List for promotion to the Madras Educational Service in the next two or three years.

I have, however, recommended Sri S.M. Krishnan as he is only 30 years of age and possesses high academic distinctions and was holding a Civilian Gazetted post in the Defence Services as an Ordnance Officer.

V. Engineering Physics:

Twenty-one applications were received. I have selected Sri T.K. Lakshmanan, Lecturer in Physics, Government Arts College, Rajahmundry. He is an approved probationer in the Madras Educational Service and is to be confirmed shortly. He is aged 25.

VI. Engineering Chemistry:

Nine applications were received. In consultation with Dr. B.B. Dey, I have selected Sri B. Ramachandra Pai, Officiating Assistant Professor of Chemistry, Presidency College, Madras. Sri Pai's name is not in the Approved List for promotion to the Madras Educational Service nor is it likely to be included in the ordinary course in the next two or three years.

Messrs. B. Gopalakrishnayya and V. Anna Rao are likely to be included in the Approved List for promotion to the Madras Educational Service in the next two or three years.

I enclose a copy of Dr. Dey's opinion about the relative merits of the applicants for this subject, with which I agree. Apart from this, Sri B. Ramachandra Pai has been rendering valuable assistance to war effort in the manufacture of certain chemicals, etc. in the laboratories of the Presidency College, Madras, under the Government of India Scheme.

VII. Engineering Geology: Five applications were received. I have selected Sri V. Venkatesh, Officiating Assistant Professor of Geology who possesses the highest academic qualifications among the applicants.

All the applicants are only candidates appointed under emergency provisions to the category of Assistant Professors and Assistant Lecturers and none of them are likely to be included in the Approved List for promotion to the Madras Educational Service in the ordinary course within the next two or three years.

2. I enclose the necessary statement referred to in paragraph 3 of the Government Memorandum and also the applications in original.

3. Subsequent to the submission of my recommendations to Government two applications, one for *Mathematics and another for ®History and Politics, have been received. As they were received long after the due date they could not be considered at the time of my recommendations.

* Sri A.V. Srinivasan:
Junior Deputy Inspector of Schools,
Nannilam.

® Sri K. Kanakasabapathy Pillai,
Asst. Lecturer, Govt. Muhammadan
College, Madras.

I have the honour to be,
Sir,
Your most obedient servant,

Scholarships for advanced studies abroad -
1946-47 - Deputation of Government servants.

Reference: Your letter dated 1st March 1946.

I have examined the nine applications received with your letter under reference, of candidates for deputation for advanced studies abroad in Engineering Chemistry. In my opinion the two best candidates on the ground of academical qualifications and teaching experience are Nos. 1 (Mr. B. Gopalakrishniah) and 2 (Mr. M.E. Doraiswamy). They are, however, both married men with children and are fairly advanced in years. It is to be considered if such men with family commitments would be able to devote the undivided and undistracted attention to their studies in a foreign country which would be required of an officer deputed by Government. From this point of view I consider candidate No. 7 (Mr. B.R. Pai) who is compratively young and unmarried to be a more suitable person for such deputation. Candidates Nos. 2 (Mr. V. Anna Rao) and 3 (Mr. K. Surya Narayana Murty) have some published researches to their credit but these are mostly on subjects not allied to Engineering Chemistry and are not of any striking merit.

The nine applications received with your letter are returned herewith.

Enclosures:

Rc. No. 4368 C/46-18 dated the 29th March 1946.

Sir,

Technical Education - Deputation of Government Servants to foreign countries for higher studies.

In continuation of my letter to Government Rc.No.4368 C/45-16 dated 12.3.1946, I have the honour to state as follows in regard to the deputation of Flying Officer A.R.Ramanathan for advanced studies overseas in "Radio communications".

2. In his letter dated 7.2.1946(copy enclosed) F/O Ramanathan stated that was sent to United Kingdom for specialist training during 1944 and had gained some valuable information from the English Universities regarding training in Heavy Electrical Engineering and Radio communications. He also stated that he has been working in the Radar Section of the R.A.F. In view of his statements, I consulted Dr. Rudra, Principal, Arthur Hope College of Technology, as to the adequacy or otherwise of the training overseas he already had for filling higher posts in the College. Dr. Rudra is of the opinion that F/O Ramanathan should undergo further training and that the training he has already had is only one of the branches of training he is expected to undergo in the subject of "Radio Communications". In view of the fact that the Officer with overseas training should be available to take up higher posts at least in the third year of working of the newly opened Colleges the postponement of deputation to some future time is not desirable. As regards the Officer's desire to proceed overseas with a better civilian status I may point out that at present he is deemed to be holding the post of Junior Instructor

P.T.O.

in Electrical Engineering in the College of Engineering, Guindy in the scale of Rs.200-420 in an officiating capacity. The only higher post for which he is qualified, is that of Instructor in Electrical Engineering which is on the scale of Rs.200-70 There is no vacancy now in the post of Instructor and even shoul he be appointed as Instructor in Electrical Engineering there is no immediate financial advantage to him.

3. In the above circumstances, I have the honour to request orders of Government as to whether I may inform F/O Ramanathan that his request for postponement of deputation to 1947-1948 cannot be complied with but that he should be prepared to proceed overseas, if selected for 1946-1947. It is not possible to provide him with a higher civilian appointment before he proceeds overseas than what he would get in the ordinary course. In case he agrees to be deputed overseas on the usual terms and conditions offered by the Governmentof Madras, I shall then takeup the question of his release from the Military service under Class A as in the case of Major B.H. Marley.

4. I solicit the favour of early orders of Government.

I have the honour to be,
Sir,
Your most obedient servant,

30.3.46

GAW/30.3.1946

for Director of Public Instruction

Copy of letter from the Flying Officer A.R. Ramanathan, No.51 Radio School, R.A.F. Adgodi, C/o R.A.F. Headquarters, Bangalore dated 7th Febraary 1946 to the Director of Public Instruction, Madras.

Ref: Your D.O.No.4368-C/45-10 dated 1-2-1946 re: Deputation to Foreign Countries for Advanced Training 1946-47.

Your letter of the above reference received on the 5th I thank you very much for the offer to depute me for advanced training in Radio Communication during 1946-47 under the Government of India scheme. I would very much like to accept the offer but before giving you my final decision I would put before you the following pointes for your consideration and advice.

2. For over three years, since I joined the service in 1942, I have been working in the "Radar" section of the Royal Air Force. "Radar", as you may be aware, is ahighly specialised section which requires a very advanced knowledge of "Radio Communication Engineering". I have not only acquired wide practical experience of this line, but I have also been put in charge of training of personnel. This latter covers a vast field, starting with laying a strong foundation of basic Radio Communication Engineering theory and practice and itsultimate application to the different types of gear used in the Service.

3. During the year 1944 I was sent to the United Kingdom for specialist training in this branch. There, in addition to being posted to various training sections and operational theatres, I have had opportunities of visiting for short periods such foremost institutions like the Telecommunication Research Establishment and the Royal Air Force Research Establishment at Malvern and Farnborough. I was, in all, over nine months overseas, which xx period, though short, has given me invaluable experience. I still continue to work in the Radar Training section of the R.A.F. in the South East Asia Command.

4. I understand that my release from the Service will not take place in the near future as it has been deferred in my case for an indefinite period. I guess it may take at least another six to eight months before I get my release, which may easily mean the end of 1946. So I cannot see how I can avail myself of this opportunity offered by you for the 1946-47 period. I may add that I do not want to come out under Class "B" release, which is a special case of release, for the reason that this particular branch I am working in, being engaged in an advanced stage of Radio Communication practice, which has not yet been introduced in the civilian Colleges and Universities overseas, I shall be missing very valuable experience and training if I come out now.

5. If and when I am permitted to go overseas, I may mention that no useful purpose will be served by my undergoing any of the straightforward Radio Courses in the Universities, as I have, already, the basic qualifications. On the other hand it would immensly help to do some post-graduate research work in the advanced stages of "Ultra High Frequency Technique". I would like to work at least sixmonths in the Massachusetts Institute of Technology in the U.S.A., with facilities to work at the famous laboratories of the Bell Telephone Col., and the R.C.A. Co., and to visit big manufacturing concerns. I would like to spend a further six months in the U.K., to work under such famous specialists as Sir Edward Appleton in the Department of Industrial Research and Sri Robert Watson Watt in the National Radio Research Board, and also to work at the Telecommunication Research Establishment atMalvern. Such a training will, I am sure, be of immense value to the Government when I come back.

6. I gather

36

: 2 :

6. I gather from first-hand information from my colleagues in the Service, who have recently come from those countries, that it will easily take another year for those departments both in the U.S.A. and U.K. to switch back to normal peacetime organised research.

7. If I am to go, I would like to know whether I would be sent from the Service, retaining my rank and status as an Air Force officer or I would have to go as Junior Instructor in Electrical Engineering at the College of Engineering, Guindy, which is my present civilian appointment, on which I have a lien.

8. I have attached a copy of my present qualifications, from which I would request you to let me know if they are suitable for filling up the post of a Professor of Electrical Engineering, or for any other job higher than the one I am filling, in the Educational Department. If it is possible, I would like to go overseas with a better civilian status than my present one.

9. Taking all the above points into consideration, I would request that this opportunity be given me in 1947-48 period rather than at present, as you can easily see, the present time is not so favourable to make the best use of it.

For DIRECTOR OF PUBLIC INSTRUCTION. 30.3.46

19 37

E/O A.R. RAMANATHAN :-

QUALIFICATIONS & EXPERIENCE:

1. Intermediate in Arts of Madras University - 1926.

2. @ Diploma of College of Engineering - (Mechanical Branch) - 1931 - (Rank in class 3).

3. @ Bachelor of Engineering Degree (Mech. Branch) of Madras University - 1932.
(% Please Note: There was no separate Electrical Engineering Branch at that time. Electrical Engineering formed a major part of the Mechanical Branch then.)

4. Master of Science Degree (Electrical) of the Madras University - 1942.

5. Diploma of the City And Guilds Institute - London - Radio Communications - Final Grade - 1937.

6. @ Membership of Institute of Radio Engineers, America.

7. @ Associate Membership of the Institute of Engineers (India).

(@ = Both are under favourable consideration for of the Societies and are expected shortly).

8. Age - 37.

PRACTICAL EXPERIENCE:

1. May 1930 to July 1931 - Apprenticeship in the Madras Public Works workshops. Training in heavy duty work in the various departments such as - carpentry, Foundry, Smithy, Machine Shop, Erection and assembly shop, and Drawing Office.

2. July 1931 to Nov. 1933 - Shift Engineer at the Power House, College of Engineering, Madras - experience in Maintenance and Distribution of Electricity; Running, Maintenance and overhaul of Gas Engines, Oil Engines - Diesel and Semi-Diesel, Steam Engines and Boilers.

3. Nov. 1933 to Nov. 1942 - Electrical Engineering Laboratory Assistant, College of Engineering, Madras.

Was in charge of practical training of students in the Electrical branch leading to the Bachelor of Engineering (Electrical) Degree of the Madras University.

Experience gained in the lay-out and erection of the various laboratories as under - Machine Lab., Measurements Lab., Standards Lab., Telephone Lab., Radio Communications Lab., High Voltage Lab., etc. - All these had to be organised from scratch.

Acquired Research experience under Dr. J.J. RUDRA M.A., Ph.D., M.I.E.E., etc. Carried out research and submitted thesis on the "Compensation of Induction Motors".

Was handling also lecture classes, in High voltage power generation, transmission and distribution, mechanical design of transmission towers, drawing classes in Electrical Machine Design, etc. Valuable experience was gained in organisation of a new department as a whole.

4. July 1941 to Nov. 1942 - Visiting Lecturer in Electrical Engineering, Government School of Technology, Madras.

Was taking theory class for students of the final year class of the Electrical Engineering section leading to the Madras Govt. Diploma of Licentiate in Electrical Engineering (L.E.E.).

5. Nov. 1942 to date (Jan. 1946) - Emergency Commissioned Officer of the Royal Indian Air Force, Technical Branch - Signals - Radar Section. Present Rank: Flying Officer.

Wide experience gained in general Radio Communications. Special application to Ultra High Frequency Technique. Was sent to United Kingdom in 1944 for specialist training. Has been in charge of training of "Officers" and "Men". Have gained some valuable information from the English Universities while in U.K., regarding training in Heavy Electrical Engineering and Radio Communications.

~~From~~

~~To~~

Mr.K.Kanakasabhapathi Pillay, M.A., joined this department as a research fellow in October 1943. He came with a good M.A. degree to his credit and about 16 years of collegiate teaching. Though the term of his fellowship was only about a year he has been continuing the research begun during that period and has produced a comprehensive and scholarly thesis on the famous temple at Suchindram in South Travancore, which he intends to submit for the D.Litt. degree of this University. He has a wide knowledge of History and a thorough grasp of sound methods of historical work and I have formed a very high opinion both of his intellectual ability and moral character. I have every reason to believe that he is capable of profiting very much by further training ~~in~~ abroad in higher methods of research.

EDUCATION DEPARTMENT.

SUBJECT:-Technical Education - Advanced studies Overseas Deputation of Government servants - 1946-47.

.....

From

Dr. S.R.U. Saveer, M.A.,D.Sc.,I.E.S.
Director of Public Instruction, Madras.

The Secretary to Government,
Education & Public Health Department,
Fort St. George, Madras.

R.C.No.4368 C/45-22, dated 5-5-1946.

Sir,

REF:-Government Memorandum No.14588 C.2-46-4, Education, dated 5th April 1946.

With reference to the abovementioned Memorandum, I have the honour to state as follows:--

1. In the first place I would like to remark that when the instructions of the Government of India in their letter No. D.2610 C/45 E, dated 23-11-1945, were sent to me and later the Brochure "Information for students desiring ~~the~~ to proceed Overseas for Advanced Studies in 1946-7", I assumed that there was clearly an implication that rules similar to those of the Government of India should be laid down for the deputation of Madras Government servants. In the Brochure the maximum age limit for those already in service is laid down as 40 years though in special cases the limit may be waived. I believe this limit was fixed for two reasons:

(1) that a person already in service and who should normally retire at 55 would usually be expected to serve Government for at least 10 years after deputation at Government expense; and

(2) there is clearly an age limit (about 40) up to which men can work like students and beyond which strenuous work and passing examinations become very difficult, if not impossible for most persons.

It may also be noted that even in the case of the Account Test for Executive Officers, Government have exempted persons over 40 years of age from taking the examination.

2. The instructions now given to me in the Government Memos. dated 23-3-1946 and 5-4-1946 seem to envisage the deputation of

persons of greater age - as practically all the promotees to the Madras Educational Service and likely promotees from the Subordinate Educational Service are. The Madras Educational Service Officers who are aged 40 or less and suitable for deputation can be found only from those recruited directly. This will be clear from the list of persons in the Madras Educational Service and the Subordinate Educational Service in the respective subjects which is submitted herewith.

3. As regards Geology we have only 4 Officers of whom Prof. T.N. Muthuswami, Madras Educational Service (age 47), is the only permanent Government servant. The others are all men serving under the 'emergency powers'. All the others hitherto working in the Geology Department have preferred places in the Geological Survey of India or elsewhere. It is not possible to depute Prof. T.N. Muthuswami as without him the courses in Geology at the Presidency College will have to be stopped. So the only possibility is to select the most suitable of the young men for the deputation or to drop the question of deputing anybody for Geology.

4. In the second place most of the promotees to the Madras Educational Service or senior Subordinate Educational Service men are unwilling to go to foreign countries for advanced studies especially when no immediate advantage is to be gained by them. A married man with children will naturally have to think twice when it comes to going abroad even though at Government expense as he has to make provision for his family here while he is away abroad. This will be clear from the fact that several men of 40 and below who were notified have not applied, e.g., MATHEMATICS - Messrs. P. Sambandam and C.V. Lobo; HISTORY & POLITICS - Sri K.V. Punnayya (Madras Educational Service); PHYSICS - Dr. S. Gopalakrishnamurthy (Madras Educational Service); CHEMISTRY - Messrs. C.T. Philip, P.V. Krishnamoorthi, U. Suryanarayana, and C. Satyanarayana and P.V. Appu.

5. Thirdly, it would be relevant and necessary to consider the practical effect of the rule debarring a Government servant who has put in 5 years of service from applying for direct recruitment vacancies.

Sir John Hall at the meeting of the Selection Committee in February last told me of several cases wherein the Madras Services Commission had to select as direct recruits to the Madras Educational Service persons who were far inferior in qualifications and merit to those already in the Subordinate Service who had been disqualified because of service for more than 5 years. In two recent cases there were better candidates of the same community in service than the ones who had to be chosen for direct recruitment. The rule has in effect made it futile for any Government servant to proceed Overseas for advanced training with the hope of better prospects. For unless the additional qualifications he may get by foreign training enable him to get quicker promotion within a reasonably short time after return by their becoming eligible for direct recruitment or by the discontinuance of the present practice according to which promotions practically go only by seniority and ordinary average work and satisfactory conduct, there is no incentive for adventuring into foreign lands at one's own expense or even at State expense. For there is no doubt that after living abroad one's habits and standards of living do change considerably.

6. If for the last mentioned reason or any other there is the idea that young men after overseas deputation are likely to clamour for promotion to the Madras Educational Service, I may state that it has been met already in the rules for selection circularised, that Gazetted appointments are not guaranteed though the work done by the persons deputed will be taken into consideration if and when there is a suitable vacancy. If considered necessary this may be pointedly brought to the notice of the persons selected.

7. If, however, there is any possibility of the 5-year rule being changed and converted into a 15-year rule or at least a 10-year rule, I feel sure that men in the suberdinate services may think of getting foreign training especially if they are given the encouragement of study leave and similar concessi

8. Again I should like to point out that a person who passed out of the University years back and has had no opportunity to do Honours teaching or advanced or research work is not likely to benefit by deputation overseas. It is only younger men who have kept themselves up-to-date that are likely to do creditably at foreign Universities and not bring down the reputation that Madras has all along had.

9. I have considered also the applications mentioned in paragraph 2 of the Government Memo. dated 5-4-1946. One of these is for Mathematics and from a Junior Deputy Inspector of Schools who is obviously unsuitable and the other is for History and Politics. I enclose herewith a copy of the letter from Prof. V. Venkataraman of the Presidency College about the latter applicant. I do not consider Sri K. Kanakasabhapathy Pillai suitable for deputation in 1946-7.

I may be permitted to remark that both in 1945-6 and in 1946-7, a number of applications received from private students for Overseas scholarships even one day after the due date were rejected. In my opinion it would be a very bad precedent if this healthy rule is given up and late applications from servicemen considered for deputation in 1946-7. Persons who take their own time to send applications and details about their work can as well wait for an extra year for deputation.

10. However, in obedience to Government Memorandum dated 5-4-'46, I am sending herewith in respect of each subject names of persons who are already in the Madras Educational Service and of persons whose names are already in the approved list or are likely to be included in the approved list for promotion to the Madras Educational Service in the course of the next two or three years.

I. Pure Mathematics.

I recommend the selection of Sri P. Bhaktavatsal Patnaik for this subject. His seniors who are three in number, are between the ages of 48 and 53. Of them, Sri T. Suryanarayana has already had the benefit of foreign education.

II. Engineering Mathematics:

I submit below three names from which one Officer will have to be selected for deputation according to the orders of the Government Memo.

(1) Sri V.R. Srinivasa Raghavan - Age 46
(2) Sri Ch. Subramaniam - Age 44
(3) Sri K. Ramanujacharya - Age 42

Their seniors in the list, excluding Sri P. Bhaktavatsam Patnaik who has been recommended for Pure Mathematics, are between the ages of 48 and 53. It is extremely doubtful whether any of the above three will be willing to go abroad. I enclose herewith a copy of the letter received from Principal, Sri T. Suryanarayana who knows them intimately.

III. History & Politics:

The following names are submitted following the rule:

(1) Sri K.V. Punnayya (Age 37) - Did not apply for deputation.
(2) Sri M.K. Srinivasaraghavachar - (Age 46) | Extremely doubtful whether they will be willing to go abroad.
(3) Sri V. Narayanswami (Age 44) .. |

Their seniors in the list, except Sri K.I. Verghese and Sri T. Balakrishnan Nair, are between the ages of 49 and 53. Sri K.I. Verghese and Sri T. Balakrishnan Nair have already had the benefit of foreign education.

IV. Botany:

I recommend the selection of Sri C. Bhashyakarala Rao for undergoing advanced studies in Botany. He is the senior-most Officer in the Botany Unit of the Madras Educational Service.

V. Zoology:

The following names are submitted following the rule:

(1) Mr. John P. Sundara Rao - Age 43
(2) Sri K.C. Ramaswami Ayyar - Age 42
(3) Mr. H. Enoch .. .. - Age 40

Their seniors who are three in number are between the ages of 50 and 53. Of them, Dr. S.G. Manavala Ramanujam has already

had the benefit of foreign education. I recommend that Mr. John P. Sundara Rao may be selected for overseas deputation as he has already taken his M.Sc. research degree. But I do not know whether he will be willing to go abroad. The other two have not been in touch with advanced work and are not likely to benefit by deputation.

VI. Engineering Physics:

The following names are submitted following the rule:

(1) Dr. S. Gopalakrishnamurthy - Age 37
(2) Sri T.K. Lakshmanan - Age 25
(3) Sri A.G. Narasimham - Age 43

The seniors to Sri A.G. Narasimham excepting the two above are all over 50 and are not likely to benefit by deputation. As Dr. S. Gopalakrishnamurthy did not apply for the deputation, I recommend that Sri T.K. Lakshmanan may be deputed. He is already in the Madras Educational Service and has got his M.Sc. research degree.

VII. Engineering Chemistry:

The following names are submitted following the rule:

(1) Sri N.L. Narasimham - Age 47 - M.E.S.
(2) Sri P.A. Parthasarathy Ayyangar - Age 44
(3) Sri S. Lakshminarayanan - Age 41

Their seniors are between the ages of 48 and 52 and are already in the Madras Educational Service. It is extremely doubtful whether any of the above will be willing to go abroad or be benefited by deputation.

VIII. Engineering Geology:

Sri T.N. Muthuswami Ayyar is the only qualified member in the Department and he cannot be spared.

11. Under the circumstances mentioned above, I still feel that, except in the case of Zoology wherein I am now recommending the name of

Mr. John P. Sundara Rao, the recommendations made in my letter dated 12-3-1946 are the best. The enclosures Nos.(1) and (2) may kindly be returned when done with.

I have the honour to be,
Sir,
Your most obedient servant,

S Ranganathan.

Director of Public Instruction,
Madras.

Encls:-(1) List of all the M.E.S. and S.E.S. men likely to come up for promotion in the next two or three years.

(2) List of applicants for the deputation overseas. (with applications in original)

(3) Copy of letter dated 1-5-1946 from Prof. V. Venkataraman.

(4) Copy of letter dated 5-5-1946 from Principal, Presidency College, Sri T. Suryanarayana.

.....

COPY of letter dated 1-5-1946 from V. Venkataraman, M.A., Professor of Politics and History, Presidency College.

In reply to your D.O. dated 29-4-1946, may I beg to state that I would commend the case of P.K. Karunakara Menon for favourable consideration. He is a First Class in History and Economics of the Madras University and has been awarded the M.Litt. degree for research work on the History of Tellicherry. I am not however quite sure of the subject. He worked as a research student for two years. He is young and energetic and perhaps an additional qualification, if I may be permitted to say so, is that he is a bachelor and has no commitments. He is a good speaker and writer and a clear thinker.

Sri K. Kanakasabapathi is no doubt a teacher of experience. he has no research degree. He took leave and accepted a fellowship in the University to qualify himself for the D.Litt. Though it is nearly a year since he returned, I understand that the thesis has not yet been submitted.

On grounds of age, qualifications and merits, I would like to recommend Sri P.K. Karunakara Menon as one who is bound to benefit by deputation abroad.

---oOo---

COPY of letter dated 5-5-1946 from Sri T. Suryanarayana, Principal Presidency College.

....

Your D.O. dated 29-4-1946 regarding:
V.R. Srinivasa Raghavan
K. Ramanujachariar
and Ch. Subrahmanyam.

I do not think any one of them will be suitable or likely to benefit by deputation overseas. For one thing they are all past the age at which one can study for passing examinations. Secondly with their family commitments here I am doubtful if th

will be willing to stay away abroad for the necessary period of time.

S Rt Savoor.

...

SCHOLARSHIPS for Advanced Studies Overseas - 1946-7.

...

I am directed to refer to the correspondence resting with this Department letter No.F.5-5/46-OD.II dated the 13th March 1946 and to say that information received from the United Kingdom and the United States of America indicates that it is likely to be extremely difficult to secure places in the institutions abroad next academic session for all the students sponsored by the Central and Provincial Governments. The Government of India have therefore decided not to regard as final any award of scholarships made by the Central Government until admission to institutions and also passages have been secured for all the selected students. The candidates who were interviewed for the Central scholarships were therefore informed that even when the award of a scholarship is communicated to them they should not consider themselves entitled to a scholarship until they receive information officially that admission and passage arrangements have been made for them.

It is accordingly suggested that the Provincial Governments may also issue similar instructions to students selected by them. It will not only relieve Govt. of responsibility in the matter in case they are unable to secure the required places in institutions abroad and make necessary arrangements for transport, but it will save the students concerned unnecessary disappointment and worry. Many students selected last year even gave up their employ-

p.t.o.

53

employments on learning that they had been awarded a scholarship and in the hope of being able to go abroad early. It is necessary to provide against a repetition of last year's unfortunate experience.

Sir,

Sub: Technical Education-Advanced Studies overseas-Deputation of Government servants-'46-'47.
Ref: R.C.No.4368 C/45-26 dated 6th June '46.

In connection with my being selected by the Government of Madras for advanced studies overseas in Botany, I beg to bring to your good notice that I am in touch with Prof. W.H.Pearsall,D.Sc.,F.R.S.,University Professor of Botany, University College, London, that he is familiar with my original research and publications so far made and that he has given an assurance to take me as his Ph.D. student during '46-47. I beg to submit herewith enclosed a copy of the air-mail letter addressed by Prof. Pearsall to Professor Y.Bharadwaja, M.Sc., Ph.D.(Lond.),F.L.S.,F.N.I.,University Professor of Botany, Benares Hindu University, under whom I worked as an M.Sc. student and later as a Research Scholar. Prof. Pearsall has since been requested by me to inform the Office of the High Commissioner for India that he has agreed to take me as a research student under him in order to facilitate my admission in the University College, London forthwith.

In the circumstances, I request the authorities that arrangements for my passage may kindly be made at a very early date so as to enable me to leave India in the first week of September '46.

Saidapet,
19th June '46.

I beg to remain, Sir,
Your most obedient servant,
C. Bhashyakarla Rao.

Letter/No. 14588-A-11 Edn. dated 26/6/46

To

The Secretary to the Government of India,
Department of Education,
New Delhi, 3

(with copies of 74 & a bundle of Secn.)

Sir,

Technical Education - Sending of Govt. servant for higher technical studies under the Govt. of India, Education Department Scheme.

...

I am directed to invite attention to Mr. Subramaniam's letters No. 48946.C.45. ~~Edn.~~ No. 48946-C2-45-23-Edn. dt- dated 30/11/45, and 11/3/46, on the subject cited, and to say that of the 32 Govt. servants proposed to be recommended for higher technical studies oversees 10 were intended to be from the Education Department. No suitable candidate is available now for the subject "Engg. Geology"; ~~and~~ the question of selecting candidates for "Geodesy" and "Radio Communications" is still under consideration.

For the remaining seven subjects under the head "Education", the Govt. have selected the following officers:-

(1) Pure Mathematics: Sri P. Bhaktavatsal Patnaik.
(2) History and Politics: Sri K. Kanakasabapathi Pillai
(3) Botany: Sri C. Bhasyakarla Rao
(4) Zoology Sri John P. Sundara Rao.
(5) Engg. Math. P. V. Abdurahiman Sahib.
(6) Engg. Physics. Sri T. K. Lakshmanan.
(7) Engg. Chemistry Sri B. Gopalakrishniah

I am ~~directed~~ to forward herewith forms of application filled in by these officers, in duplicate, together with the relevant documents submitted by them. Copy of a letter, dated 19th June 1946, from Sri C. Bhasyakarla ~~xxxx~~ Rao is also sent for necessary action. I

Secn.

I/164 CF.

p. 72 CF

78

I am to request that column (4) of the "A" return relating to Government servants, sent with my letter dated 11-3-46, may be read with the modifications indicated in column 12 of the forms of application sent by the officers.

I am ~~also~~ to request that early arrangements may be made to send the candidates selected to foreign countries.

Re.No.4368 C/45-32 Dated 26.6.1946.

From

Dr. S.R.U. Sevoor M.A., D.Sc.(Lond.) I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education & Public Health Department.

Sir,

Technical Education -- Advanced studies overseas -- Deputation of Government servants -- 1946-47 -- Estimate of cost.

p.70 infra

In the Rough estimate of cost furnished with my letter Re.No.4368 C/45-27 dated 19th June 1946 expenditure in connection with the University Tuition fees, examination fees, etc., have been omitted. Though no information is available as to the exact amount that may be required for each student on this account, a provision of Rs.1000/- per candidate for the entire period of deputation may be made for purposes of the estimate. In the above circumstances a sum of Rs.7000/- (for 7 candidates) may be added to the total of Rs.99,800/- given in the rough estimate, making it Rs.106,800/-

Re.No.4368 C/45-31 Dated 26.6.1946.

Technical Education -- Advanced studies overseas -- Deputation of Government servants -- 1946-1947 -- Terms and conditions --

READ: Letter dated 15.6.1946 from Mr. P. John Sundara Rao, Assistant Lecturer and Endt. P.No.6381 dated 17.6.1946 of the Principal, Medical College, Madras.

With reference to your letter Re.No.4368 C/45-26 dated 6th June 1946 I beg to submit herewith the application form duly filled in by me, Pass port size of my photograph taken this week, syllabus of the B.A. Hons. degree examination, true copies of two testimonials, all in duplicate, in connection with my being sent abroad on deputation for post-graduate studies in the United Kingdom.

2. I beg to place the following points also for consideration and approval by the Government

1. That my seniority is not overlooked during my absence in the matter of increments, promotion, emoluments etc.

2. That in view of the present prevailing conditions, the emoluments, during my absence of deputation are so fixed that my family establishment may not be broken up and that full pay with the present allowances (House allowance and Dearness allowance) be granted for the maintenance of my large family and children atthe present rate, for purposes of childrens' eddcation etc.

3. I shall be glad to take the post-graduate course leading to Ph. D. degree in the United Kingdom -- preferably in Cytology in Trinity College, Dublin, under Prof. Gatenby, or

ASST. SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPT. 8 JUL 1946

Enclosures:

R.C. No. 4368-C/46-33 dated 2nd July 1946.

Sir,

Subject:- Deputation of Government servants for advanced studies overseas, 1946-47- Major B.H. Marley.

Reference:-Government E & P.H. Memo No. 14588-A.10 Education dated 18-6-46.

35280

I have the honour to submit herewith a copy of letter dated 24-6-46 from Major B.H. Marley and request orders of Government on para 4 of his letter. As regards paragraph 2-I shall inform him that the period of his overseas studies will be for a period of about two years.

2. I request that 4 forms of Application may be furnished to for being filled in by the two candidates, Major Marley and F/o A.R. Ramanathan. The two forms submitted by Major Marley have been type-written instead of being filled in by him in his own hand-writing.

Copy of letter dated 24th June 1946 from Major B.H. Marley, Glenbrook, P.O., Yercaud, to the Director of Public Instruction, Madras.

....

Sub:- Technical Education - Deputation of Major Marley for higher studies overseas -- 1946-47.

Ref:- Director's Proceedings R.C.No. 4568 C/45/23 of 21/6/46.

1. It is understood that if I am deputed for study overseas, I will be eligible for the following concessions.

a.	Leave salary..	£ 25/- p.m. which is greater than half of my average pay of Rs. 380/- plus 17½ % i.e. Rs. 446/8/0.
b.	Study allce.	12 sh. per day in the UMK. or 20 sh. per day in the continent or 30 sh. per day in the U.S.A.
c.	Addll. amount.	Not yet known.

2. It is also understood that I shall be overseas for one year.

3. If the above figures in respect of salary and time are correct, my desire to proceed overseas for higher studies, as stated in my telegram of 19/2/46 remains unchanged.

4. The Federal Public Service Commission, as per an advt. in the Madras Mail of to-day's date, has invited applications from candidates with ' WAR SERVICE ' for the post of Professor of Civil Engineering in the Province of Madras.

May I submit an application for this post through the correct channel, and may I know, if my prospect of securing the same, will be jeopardised, should I be overseas when the applications are under consideration ?

5. The ' Form of Application ' enclosed with your letter under reference duly completed in duplicate, is returned.

6. The principal of the Bengal Engineering College, has been requested to furnish a copy of the syllabus of studies for the B.E. Degree of 1925 The same will be forwarded on receipt.

7. It is regretted that as no photographer is available in Yercaud, a photograph of any description cannot be supplied at the present moment. At the very first opportunity, duplicate copies of passport sized photographs will be forwarded as requested.

ASST. SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPT. 25 JUL 1946

Copy of letter dated 15-7-1946 from F/O A.R. Ramanathan, 33, Burkit Road, T.Nagar, Madras to the Director of Public Instruction, Madras.

Ref: Your R.C.No. 4368 C/45-21, dated 24-4-1946 re: Deputation of Government Servants to foreign countries for higher studies 1946-47 (Received by me on 3-6-1946)
Also your D.O. No. 4368 C/45-10, dated 1-2-1946 and my letter dated 7-2-46.

40647

I note from the above correspondence that the terms offered by the Government of Madras are not very encouring to me. Further my present private circumstances with regard to my family have been very badly disorganised during the past three and a half years of my war service with the Air Forces and it does not warrant my being away from this country for a further period of nearly three years.

I therefore, respectfully beg to be excused for not taking advantage of this offer of the Madras Government.

I would once again like to draw your attention to my letter of 7-2-46 wherein I have given a few details of the special training I have had in Radio Communication both in this country and overseas.

(Copy) Submitted to Government in continuation of my letter R.C. No. 4368 C/45-30, dated 21st June 1946.

2. Recommendations for the selection of another candidate in the place of F/O Ramanathan for being deputed overseas for advanced training in 'Radio communications' will be submitted to Government separately.

Dear Sirs,

Tech. Edn. overseas – sending of Madras Govt. servants – Passage facilities.

In continuation of my letter No. 27425-C2/46-1, dt-14.8.46, I am directed to state that the following seven Govt. servants have also been selected by this Govt. (Edu. Dept.) for advanced studies overseas in the U.K.:–

(1) Sri P. Bhaktavatsal Patnaik
(2) " K. Kanakasabapathi Pillai
(3) " C. Bhashyakarla Rao
(4) " John P. Sundara Rao
(5) Mr. P. V. Abdurahiman
(6) Sri T. K. Lakshmanan
(7) " B. Gopalakrishnaiah

The D.P.I., Madras ~~has~~ is being asked to furnish you direct with the local addresses of the officers and the starting point of their rly. journey.

2. (1) The Govt. authorise you to give, on their behalf, to each of the above officers–

(1) at the proper time, one single second-class rly. fare from the normal place of his residence to the port of embarkation; and (2) at the time of embarkation, a pocket allowance of £ 5 (equivalent to Rs.66.10.8) in traveller's cheques in pounds-sterling.

(2) I am also to request ~~xxx~~ that, at the time of embarkation, ~~travellers cheques~~ pounds-sterling to the extent of Rs.500, may be issued to each of the officers against cash payments, if they make any.

3. The instructions contained in paras 3, ~~and~~ 7 and 8 of my letter No.27425-C2/46-7 dt- 25.7.46, may be followed in the case of the Govt. servants also.

With reference to my selection by the Madras Government for higher studies abroad in Botany, I beg to bring to your kind notice that I am in touch with Prof. W.H.Pearsall, D.Sc., F.R.S., University Professor of Botany, University College, London, that he is familiar with my original research and publications so far made and that he has written to me saying that he informed the High Commissioner for India about his agreeing to take me as a research student in his Department. I beg to submit herewith enclosed a copy of the letter addressed to me by Prof. Pearsall and also a copy of the air mail letter addressed to Prof. Y. Bharadwaja, M.Sc., Ph.D (Lond), F.L.S., University Professor of Botany, Benares Hindu University, under whom I worked as an M.Sc., student and later as a research scholar.

In the circumstances, I request the authorities that arrangements for my passage may kindly be made at

115

2.

a very early date so as to enable me to leave India early in September to be there in time for the Sessions commencing from 1st October 1946.
I beg to add that in case I lose this session, I may be deprived of the seat and thus a valuable opportunity afforded to me by the Government.

May I also request the authorities to send a cable, if necessary, at my expense to the High Commissioner ~~at my expense~~ in order to get official intimation from him about my admission in the University College, London.

I beg to remain,

Sir,

Your most obedient servant,

C. Bhashyakarla Rao.

Ref :-Proceedings Rc,No. 4368-C/45-26 dated 6th June '46 of the Director of Public Instruction, Madras, re my selection for deputation.

In my application submitted in June last I have chosen the United Kingdom and mentioned Post-Graduate Study and research leading to a Ph.D. Degree in Mathematical Statistics at Cambridge, London or Edinburgh University. I understand that due to great rush of candidates it may not be possible to secure admission in the United Kingdom this year. I request that a seat may be secured for me this year for Post-Graduate Study and Research leading to a doctorate at Princeton, Columbia, Harvard or California University (in order of preference) and that I may be deputed to the United States of America if United Kingdom is not possible.

The particulars relating to me are submitted in my application in duplicate in June 1946.

I request that early action may kindly be taken.

I beg to remain,
Sir,
Your most obedient servant,

Dear Sir,

Re. Technical Education - Overseas.

We thank you for your letter of the 26th ultimo, giving the names of seven Government servants who have been selected by the Government (Education Department) for advanced studies overseas in the United Kingdom.

On receipt of the individual addresses we shall be pleased to have the Officers in question circularised with the usual preliminary information, and, assuming arrangements are being made by Government for their accommodation in the U.K., may we please be informed when these passengers should be booked?

There is the s.s. "FRANCONIA" due to leave here on September 17th, followed by the "STRATHNAVER" - 20th instant, and the "CAMERONIA" on or about September 29th. If the matter re these steamer passages is urgent could we be telegraphed, or alternatively, could we have your instructions given to our Madras Office who will follow up with ~~wire~~ SS immediately and transmit your instructions to us.

Yours faithfully,
Per Pro Thos. Cook & Son Limited.

Resubmitted.

2. Sri Kanakasabapathi Pillai has already left Madras on the morning of the 14th September 1946 to embark at Bombay on 17--9--1946. It is not known on what subject Sri Kanakasabapathi Pillai is going to work for his M.A. Degree in History. Whatever subject he chooses for his research, the primary object of his deputation will be achieved if he is able to study and learn how the various departments are organised in some of the well-known Universities and how systematic and organised research is being conducted in them on several problems relating to the study of History. As such the particular subject on which he should work for his research degree need not be specified by this Govt. and the candidate may be allowed to choose the subject in consultation with the authorities of the institution concerned, viz., the School of Oriental & African Studies, University of London.

S. Ramaswamy

DIRECTOR OF PUBLIC INSTRUCTION.

Copy of letter No.E.A.8044,dated the 17th September,1946 from the High Commissioner for India,India House,London,W.C.2 to Dr. A.M.D.'Rozario,Assistant Educational Adviser to the Govt. of India,Deptt. of Education,New Delhi.

I have sent you the following telegram yesterday:

"For Rozario from Kirpal. Reference your cable No.F7/8/46-O.D.II dated 20th July,1946. Pakki Bhaktavatsal Patnaik accepted by Professor Pearson University College London. Letter follows"

I enclose herewith a copy of a letter received from Professor Pearson which makes clear the condition of Patnaik's acceptance. This condition should be clearly communicated to Patnaik so that he does not meet with a disappointment on his arrival. If he is well qualified and is an abled Mathematician,as he appears to be, Professor Pearson would no doubt fit him into Post-graduate work of the kind he deserves. I recommend acceptance of this offer of admission because it is a real opportunity to do work under a man of Professor Pearson's distinction.

Yours sincerely,

Sd/-P.N.Kirpal.

as from UNIVERSITY COLLEGE LONDON
Gower Street,W.C.1.

Department of Statistics.

13th September,1946.

Dear Sir,

Your E.A.8044.

I am prepared to accept Mr. P.B.Patnaik as a post-graduate student in this Department for the coming session,starting on October 8th.It is very important,however, that the following position should be made absolutely clear to him before he leaves India, to avoid future disappointment:

(1) It is clearly impossible for me to say that he is suitably qualified to embark straight away on a two-year Ph.D.course. He has obviously for example, not the qualifications of Mr. K.R.Nair about whose case I had no doubt.

(2) I am inclined to think that Mr. Patnaik's knowledge is not up to the level of our B.Sc.(Special) in Statistics and in this case he would require a preliminary year before embarking on the PH.D.

(3) In this connection I should mention that, owing to conditions arising from the war, we are having to concentrate on the more elementary teaching at present, without giving advanced lectures and we can only accept a Ph.D. student who is to some extent able to fend for himself.

(4) However,as I understand that Mr. Patnaik's primary purpose in coming to England will be to gain experience which will help to improve and extend the teaching of statistics on his return, I believe we can certainly aid him considerably in this direction. It is with Ph.D. degree in two years.

Yours faithfully,
Sd/-E.S.Pearson.

Since P.I.D. have since informed that for Sri B.G. admission cd. not be secured in UK, passage cf. for him for USA has to be arranged. When he secures admission & leaves for USA, request to M/s Cook & Son may be cancelled. (p.14

a

Dept'l file 2/46

4 The Dir.

may also instruct Sri Gopalakrishniah to apply to the Secy. to Govt., Home Dept., Fort St. George, ~~thro' the Comm. of Police~~, for an endt. ~~sdnt.~~ on his passport to ~~the~~ U.K. (already ~~obtained~~ granted) permitting him to proceed to U.S.A. too.

3/ Sri Gopalakrishniah will have also to apply ~~in person~~ to the nearest American Consul for the visa, with the follg. documents:— ~~At the time when application is made for the visa, he must produce the follg.~~ documents:

(a) Passport valid for travel to USA.
(b) 3 Photographs about 2½" x 2½" with a light background
(c) Conduct certificates (in duplicate) from local authorities when available.
(d) Birth certificate, in duplicate, when an official record of birth exists; when no official record of birth exists affidavits in duplicate from responsible persons, having knowledge of the date & place of birth.
(e) Certificate of physical fitness from a physician approved by the Consulate or from a Civil Surgeon. Any medl. certificate produced shd. state whether or not he is suffering from leprosy, trachoma, Syphilis, plague or tuberculosis affection of any kind. It shd. also state whether he is free from body parasites and their eggs. The medl. examn. shd. be taken shortly before the formal visa applin. is made.

Personal appearance at a Consular Office is indispensable in connection with visa-applns. There may be no objn., however, to the officer candidates forwarding to the Consultate by regd. mail the necy. papers for examn. and then calling at the Consulate personally, later on, to make a formal appln. for visa and to collect it. Sri Gopalakrishniah shd. keep the other papers and the passport in readiness. Along with the letter giving him intimation of his admission in an institution in the United States, a certificate will be provided by the Govt. setting out his name, the subject of study for which he has been selected, and the institution abroad where he had been admitted, and stating that all the expenses of the officer including the return voyage will be met by the Govt. With this certificate and the other documents, he can apply ~~to the American Consul~~ for the visa.

Where the validity of the passport and visa has to be extended, ~~the candidates~~ the officer shd. approach the appropriate issuing authority in good time.

Memorandum No.49071-C2/46-2 dated 10-9-1946.

54497

Sub: Warm clothing for students going abroad for higher studies.
Ref: From Sri L.P.Ramarathnam, Arcot, dated 25-8-1946.
From the Deputy Commissioner of Civil Supplies (Enforcement) No.5610T-IV/46 dated 5-9-1946.

It has been represented by certain students selected by the Government in 1946-47 for undergoing advanced studies in foreign countries that they experience difficulty in obtaining their requirements of woollen cloth. It is essential that the students should go abroad fully equipped and the Government desire that all possible help should be rendered to the students in obtaining their requirements. The Government have, therefore, arranged for issue of permits to the students who to obtain their requirements of woollen cloth from Madras dealers. Those students who require woollen cloth may apply to the Commissioner of Civil Supplies, Board of Revenue, Chepauk, Madras, for the necessary permits.

KNOW all men by these presents, that I, P.V. Abdurahiman do hereby bind myself, and each of my heirs, executors, administrators, legal representatives and assigns to pay to HIS EXCELLENCY the Governor of Madras, the sum of Rs. 15,000/- (Rupees Fifteen Thousand only).

Signed by me this tenth day of September One Thousand Nine Hundred and forty six.

WHEREAS the above bounded P.V. Abdurahiman, has for the consideration hereinafter appearing agreed to undergo a course of technical training in places outside India and whereby the above bounded, P.V. Abdurahiman, is entitled under certain conditions to such sum as may be fixed by Government towards the cost of maintaining himself besides pay, tuition fees, certain travelling expenses, and also a return passage of the appropriate grade from India to the country to which he is sent and back.

Now, the condition of the above written obligation is that in the event of the above bounden P.V. Abdurahiman not conforming to the instructions regarding training conveyed to him by an authorised agent of His Excellency the Governor of Madras, or of continued adverse reports regarding the progress of his studies or regarding his conduct or on the completion of his studies refusing to serve His Excellency the Governor of Madras, if required to do so as an Officer of the Madras Government, or to take up other employment indicated by His Excellency the Governor of Madras for a minimum period of five years, he shall forthwith refund to His Excellency the Governor of Madras on demand all monies paid to him, on his behalf in respect of the said pay, tuition fees, travelling expenses or return passages or otherwise on account of having been selected as a scholar aforesaid

and the interest on the amount calculated at fixed Government rates then in force for Government loans.

Then the above written obligation shall be void and of no effect, otherwise it shall be and remain in full force and virtue.

Signed by the above bounded P.V. Abdurahiman in the presence of

P V Abdurahiman

Office of the Director of Public Instruction, Madras, 4th Octr.1946.

Subject:- Deputation Overseas for advanced studies - 1946-47 - Mr. John Sundara Rao - Queries in regard to allowances - Petition submitted for orders.

REF:- Petition dated 1-10-1946 from Mr. P. John Sundara Rao, Asst. Lecturer in Biology, Medical College, Madras.

(COPY) Submitted for favour of orders on the various points raised by the petitioner.

2. Mr. P. John Sundara Rao is one of the Government Servants of the Education Department selected for advanced studies overseas during 1946-47 and he is awaiting passage facilities to proceed to the United Kingdom. As regards the second point raised in the petition, it is submitted that there is a likelihood of his being posted to the Presidency College, Madras, in the Madras Educational Service or at any rate to the Medical College, Madras, on return from study leave, after acquiring high qualifications.

3. As the candidate is expected to secure his passage very shortly, urgent orders are solicited.

Director of Public Instruction,

COPY of petition dated 1-10-1946 from P. John Sundara Rao, MA.,MSc., FZS., Lecturer in Biology, Medical College, Madras to the D.P.I., through the Principal, Medical College, Madras.

As I want to make definite financial arrangements for my family, and as my family also is anxious to know about them, I beg to submit that I may be provided with necessary definite information.

(1) That my full pay with Dearness allowance may kindly be paid to my wife as she has to maintain the family with regard to the education of children, etc.

(2) That as I will be returning to the work in the same Department I request that the same house allowance may be allowed as the family will have to continue to stay in the same house without being broken up.

P.T.O.

3. That the stipend given by the Government would be sufficient to cover fully all my expenses on voyage and abroad, so that I may not have to depend on my salary to be paid to my wife which is barely sufficient for the maintenance of the family.

4. Other financial details.

MEMO. No. 14588-A-10, dt 9.10.46

Deputation of Sri John P.Sundara Rao overseas for studies.

Ref:- From the D.P.I., R.C.No.44-C1/46, dated 4-10-46

The D.P.I. is informed that, as already pointed out in Govt.Memo.No.14588-A-12-Edn., dated 8-7-1946, Sri John P.Sundara Rao will be eligible for all the concessions admissible under the study leave rules contained in F.R.84. He will also be eligible to get such addl. amount, if any, as is reqd. to bring up the total payment to him to the level of the amt. paid to a stipendiary candidate under the G. of I. Scheme. It is not possible to say whether this "addl. amt.", together with the study allce. admissible, will be sufficient to cover all his expenses on voyage and abroad, as the total value of the stipend payable to private candidates will be fixed w.r.t. their normal maintenance expenses. A copy of the Dir. proceedings R.C.No.4368-C/45-9, dated 1-2-1946, may be sent to the officer and his attention pointedly drawn to para 4 thereof.

During his deputation Sri Sundara Rao will not be eligible for any M.H.A. or Dearness allce., as such.

Subject to the position stated above, there is no objn. to the officer making arrangements to have his leave salary drawn in Madras and disbursed to his wife, in accordance with the instructions in G.O. No.1145-Fin.(Exp.A), dated 25-10-45, In that case, the authorities abroad will have to be instructed to deduct his leave salary from the quarterly payments to be made to him and, for this purpose, the Dir. is requested to address Govt. in due course, if necy.

RcNo. 44 C-1/46-19 dated the 10th October 1946.

Sir,

Deputation of government servants for advanced studies overseas -- 1946-47 -- "Radio communications".
Ref: Government Memorandum No.14588 A-17 dated 24th August 1946.

112 cf-L F

I have the honour to state that there is only one person who can be recommended for deputation Overseas for Advanced studies in "Radio communications" and he is Professor K. Sreenivasan, officiating Professor of Tele-communications Egnineering, College of Engineering, Guindy. But I am unable to recommend him for deputation as it is impossible to spare him in the present circumstances. As, however, a person with high qualifications and advanced training in "Radio communications" will be essential for future development of of the subject in the Engineering colleges in the Province, I recommend that a suitable "private candidate" may be selected and deputed overseas for advanced training in

"Radio communications".

2. If it is not possible to select a suitable private candidate and if it is possible to change the subject of study, I may submit that Sri P. Bhairavamurti, Officiating Instructor in Surveying & Drawing, College of Engineering, Guindy, may be selected for undergoing advanced studies in Civil Engineering. Sri P. Bhairavamurty is the first candidate belonging to the Scheduled castes to obtain a Degree in Engineering from the University of Madras, and perhaps the first such candidate of the community to get an Engineering degree in the whole of India. The candidate is reported to be desirous of remaining in the Educational line. I, therefore, recommend that in the interests of the College as well as a gesture of generosity to the community to which he belongs, the government may be pleased to select him for deputation. In this connection I invite the attention of government to my letter R.Cl.No.18/45-8 dated 14.11.45 disposed of in government Memorandum No.29968-C-35 Education dated 26.11.1945.

Sub:- Application for the award of scholarship for advanced studies abroad.

Sir,

I come to know that a scholarship has fallen vacant as Mr. A. R. Ramanathan, to whom the scholarship had been awarded, declined to go abroad. I request that I may be given the same as I am very much interested to go abroad for higher studies.

I passed my B.E. in Civil Engineering in 1942 and I have been working in this College for the last two years. I was not selected last year along with other candidates even though my subject had been asked for. I will specialise some subject in Civil Engineering in the Imperial College of Science if I am given the scholarship.

I request that my case may be treated with special consideration in view of the fact that I am the only - Scheduled Caste candidate duly qualified in Engineering to be sent on deputation in this Province.

Edn and P.H. (A.) 7

C. 61038. From the D.P.I. No. 44- C1/46 -19, dated 10.10.46.

Deputation of a candidate for studies overseas in "Radio communications". 109

When, in November 1945, at the instance of the Govt. of India, proposals for the deputation of candidates for higher studies in foreign countries in 1946-1947 were called for from the D.P.I., he recommended that 2 officers of the Engineering College might be sent for studies, 1 each for "Geodesy" and "Radio Communications". For "Geodesy" Major B.H. Marley, officiating Professor, was selected and the G. of India are endeavouring to secure for him admission to an institution in U.S.A. For "Radio Communications," Flight Officer A.R. Ramanathan, officiating Junior Instructor, now in the Air Headquarters was suggested, but he declined to proceed overseas on the terms offered by Govt. The Director was asked to suggest the name of a substitute and he has now stated —

(1) that the only officer who can be recommended, viz., Professor. K. Srinivasan, cannot be spared and that therefore a suitable 'private candidate' may be selected and sent; and

(2) that, if it is not possible to select a suitable private candidate and if it is possible to change the subject, Sri P. Bhairavamurti (Civil Engineering), officiating Instructor in Surveying and Drawing, might be selected, for the reasons given by him.

2. (i) above.

Selection of private candidates to be deputed on scholarships for studies in 1946-47 has already been completed and some of them have sailed. It is too late in the year to select one for "Radio Communications". The Govt. of India have stated in another connection that it is too late to make further selections of candidates for 1946-1947.

A list of subjects for which this Govt. desired to send candidates on stipends for studies in 1947-48 was recently forwarded to the G. of I. The Director did not recommend,

in that connection, the inclusion of "Radio Communications" under the Education Department quota. If only a private candidate is to be selected for this subject, a place may be appropriately be provided in the scholarships for 1947-48. ~~As the list of subjects proposed for 1947-48 have already been forwarded~~ to the Govt. of India, it may be necessary to inform that Govt. to include "Radio Communications" also in that list. If the Govt. of India are not prepared to add this subject to the list as an addition they may be requested to substitute ~~this for 'Civil Engineering-Highway Engineering'~~.

3. (2) on page 1 ante:- Please see H.M(P.S)'s minute on P3 ante.
Sri Bhairavamurthi is not a permanent Govt. servant. Last year his name was suggested for Highway Engineering but he was not selected as this subject was not then selected by Govt. on the basis of teaching requirements. In connection with the Govt. of India scheme for 1947-48 of sending students abroad for undergoing advanced studies, the D.P.I. has been asked to consider the need for deputing officers of the Edn. dept. for foreign studies and to submit his proposals. The Director may be asked to consider Sri Bhairavamurthi's claims in that connection and submit his recommendations.

4/ The overseas scholarships for 1947-48 are expected to be advertised about November/December 1946 and Govt. servants are proposed to be permitted to apply for them. Sri Bhairavamurthi may also apply for a scholarship then and take his chance. The fact that he belongs to a Scheduled Class will receive due consideration.

For orders as to circulation.

From

Dr. S.R.U. Savoor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department, Madras.

Sir,

Sub:- Deputation of Government servants for advanced studies overseas - 1946-47 - Sri P. Bhaktavatsal Patnaik.

Ref:- Government Endorsements No. 14588 A-36 and A-40, dated 2nd and 3rd October 1946.

p.162 ante --- p.148 ante

With reference to the Express letter from the Government of India dated 28th September 1946 and their Telegram dated 1st October 1946 (copy communicated with the Government Endorsements cited above) I have the honour to state that Sri P. Bhaktavatsal Patnaik was relieved from his post in the Government Muhammadan College, Madras, on the fore-noon of 1st October 1946 and left Madras on 3-10-1946, for Bombay before the Government. Endorsements referred to above were received by me. In the above circumstances, the willingness or otherwise of Sri P. Bhaktavatsal Patnaik to accept the admission offered under the conditions specified could not be ascertained and reported to Government. However I think that the offer of admission as made by Professor E.S. Pearson will be acceptable to Sri P. Bhaktavatsal Patnaik as it will afford a real opportunity for him to work under a distinguished mathematician as Prof. Pearson, as observed in the High Commissioner for India, London, addressed to Dr. A.M.D. Fozario.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction 14.10.46

Copy of the letter dated 30-9-1946 sent by Air Mail.

@@@

To Prof. J.B. Gatenby, D.Sc.,
Trinity College, Dublin University.

Respected Sir,

Your kind letter regarding your permission to work under your kind guidance for Ph. D.

I have passed the B.A. Honours degree Examination of the University of Madras with Zoology (Main) and Botany (Subsidiary) as the optional in March 1926. I was admitted to the M.A. degree of the University of Madras in 1928. I have been awarded the M.Sc. of the University of Madras in 1943 for Biological experimental research work.

I have been a college Lecturer continuously for the last twenty years. I have taught Zoology and Botany for the Arts, Medical B.Sc.(Pharmacy), L.M.P., Diploma in Nursing classes etc. I have been a Question paper setter and Examiner in Biology for several years for the University of Madras and Andhra University.

I have been a member of the Board of Studies in Zoology, University of Madras(all these above particulars were mentioned in my original application form, which I hope must have reached you by this time).

I am a permanent Government servant in the Educational department, Madras Government, and deputed by the Madras Government for advanced studies in the United Kingdom.

Please be good enough to kindly let me know when it would be best and convenient for me to start work there for Ph. D. (Cytology, Cytological technique or experimental Zoology etc.) and to kindly let me know the particulars and the period of duration of work etc.

P.T.O.

As I would be an absolute stranger to that place, I request you not to misunderstand me but be good enough to provide me with necessary particulars and information regarding my studies, and also, if you don't mind about hostel accommodation etc. I understand the High Commissioner for India would make the necessary arrangements. I possess good testimonials.

Thanking you, and with best regards,

Yours respectfully,

Sd. P.John Sundara Rao.

Memorandum No.56838-C3/46-1 dated 9-10-1946.

Sub: Scholarships for advanced studies overseas - 1946-47.

Read: G.O.No.1451 Education, dated 25th July 1946.

Certain students refuse the passages offered to them by the travel agents on minor and flimsy grounds and ask for time. Passage position is still difficult and it is unfortunate that passages secured are lost. The Government desire to impress it upon the students that it is very important for them to sail when they are called upon to do so, and that failure to reach the institutions abroad in time may result in the loss of admission already secured.

Sir,

Subject: Technical Education Deputation to U.K. - 1946-47.

I beg to inform you of a letter dated 26th September 1946, received from Prof. C.W.Dannatt, Professor of Metallurgy, Imperial College of Science and Technology, London, addressed to Prof.K.Neelakantam of the Andhra University, regarding my admission to work under him.

Prof.Dannatt writes to say that it will be possible to provide me with accommodation for lectures in the Imperial College and arrange for practical work for the present in one of the other schools in the University such as the Sir John Cass Technical Institute or the Battersea Polytechnic at least for first half-session. He wished to know if I would like to take advantage of his suggestion. I wrote to him agreeing to his suggestions and requested him to inform the High Commissioner's Office in London about his willingness to take me to work under him.

I request that Prof.C.W.Dannatt (Professor of Metallurgy, Imperial College of Science and Technology, Consort Road, London, S.W.7) may be kindly addressed in the matter.

P.T.O.

Secretary to the Government of India.

To

The Secretary to the Government of Madras,
Education and Public Health Department,
MADRAS.

SUBJECT:- ADVANCED STUDIES OVERSEAS 1946-47 - GOVERNMENT SERVANTS TO BE SENT ON STUDY LEAVE TERMS.

Sir,

I am directed to say that it has been reported to this Department that in several cases the study leave terms of Government Servants sent abroad for advanced studies have not been made known either to the candidates or to the authorities responsible for making disbursements to the candidates even after several months of the arrival of such candidates in foreign countries. This has caused a lot of inconvenience to all concerned.

It is therefore considered essential that all Provincial Government servants who are being sent for advanced studies overseas in 1946-47 on study leave by the Provincial Governments should take with them a statement, signed by the competent authority, of their study leave terms, if these have not already been communicated to the High Commissioner for India in the United Kingdom or Australia or to the Hon'ble the Agent General for India in the United States of America, as the case may be.

I have the honour to be,
Sir,
Your most obedient servant,

A.N. Sobhanio

Dear Sir,

Technical Education - Sending Government servants overseas - Passage facilities.

As instructed in your letter No.1458...1.3 dated 2nd Oct. 1946, we have included Mr. Sri B. Gopalakrishnaiah's name in the list of Madras Education Dept. officers, who are to be sent to the U.S.A. for higher training.

As soon as we are advised of admission having been arranged for him in the States, we will register him for a steamer passage. In this connection, we would explain that the Civil Passage Controller, New Delhi, does not in any way control the allotment of passages to America.

The necessary disbursements will be made to Mr. Gopalakrishnaiah in accordance with your instructions at the port of embarkation prior to sailing.

The Director of Public Instructions, Madras, has furnished us with Mr. Gopalakrishnaiah's address and we are in contact with him and have provided him with all the essential information regarding the travel arrangements.

Remaining at your further service, we are,

GC.

Yours faithfully,

Subject:- Training in the U.K. - Government Servants
Mr. C. B. Rao Lecturer in Natural Science
Teachers College, Madras.

Sir,

With reference to the training of Mr. C. Bhashyakarla Rao in this Country I am directed to state that Mr. Rao reported to this Office on 10th October, 1946 and from the papers produced by him it would appear that he is on Study Leave for a period of two years with Study Allowance at the usual rates supplemented by a special allowance to make his monthly payment up to £30. In the absence of any communication from the Government of Madras in this matter I am to ask that it may now be confirmed that the above Study Leave terms are the ones applicable to Mr. Rao.

I am to add that in the meantime Mr. Rao is being issued with £30 a month on production of the usual Study Certificates; a sum of £26:5:0. has been paid on his behalf to University College in respect of fees and he has been refunded with the sum of £1:6:2. for the purchase of gum-boots which were considered an essential part of his equipment for the training he is undertaking.

I am, Sir,
Your obedient servant,

for Secretary,

Copy of a letter No.E.A.8047 dated 1st Jany'47, from the High Commissioner, for India, Education Department, India House, London, to L... A.M.D.Rozario, A.E.A.to the Govt. Of India, Education Deptt. NDelhi.

In continuation of my letter No.E.A.8047 dated 4th December, 1946 regarding Mr.B.Gopala Krishniah, I write to say that the following reply has been received from the Imperial College of Science and Technology:

' I thank you for your letter of December 2nd, but I am afraid that Mr.Gopala Krishniah has not given you an exact account of my letter.

On September 26th I wrote to Professor Neelkantam explaining that it would be a simple matter to provide accommodation for lectures, but that I have no available place in my laboratories. I suggested that he should approach either the Sir John Cass Technical Institute or the Battersea Polytechnic. If they could provide laboratory space it would then be possible for Mr.Gopala Krishniah to take the lectures either at the same School or as a separate course at the Royal School of Mines. Mr.Gopala Krishniah in his reply assumed that I was in a position to make arrangements with one of these Schools. I wrote again pointing out to him that he would have to make his own arrangements with them and that if he was successful in doing so, he should let me know what arrangements had been made. If necessary I would then arrange for him to take lecture courses at the School of Mines.

You will realise that until I have interviewed this gentleman, I cannot know the type of instruction he needs and it does not follow that suitable courses in Metallurgical

.....

210 37

Analysis will be available in January. It is obvious, therefore, that I am not in a position to state that I can accept him on a given date until I have fuller knowledge of his exact requirements.'

As suggested in the above letter, Sir John Cass Technical Institute and the Battersea Polytechnic were approached on behalf of this Student, but unfortunately, they have no further vacancies.

I had also submitted an application on Mr. Gopala Krishnaiah's behalf to various Polytechnics in London to see whether they Laboratory space could be secured for him, but unfortunately all my attempts have so far proved unsuccessful.

It is therefore not possible to secure the desired facilities for this Student in the current session. Will you please let me know whether his application is to be reconsidered for admission in October, 1947 or whether it is to be diverted to Professor Sundaram in America.

Copy to A Sec'y 68/1/2

memorandum

Copy of No.F.2-1/46-ODIV., dated 12th December 1946, from the Government of India, Department of Education, New Delhi.

Sub: Scholarships for Advanced Studies - Overseas - Provincial Government Scheme.

4084 The undersigned is directed to forward herewith for information a statement showing the position as on 1st December 1946 in respect of Selections, Admissions and Sailings etc. of the Provincial ~~Scholars and~~ Deputationists for 1946-47.

2. In this connection it may be stated that though every effort is being made to secure as many places as possible, the chances are that apart from a very small percentage the bulk of those who have not secured admission so far would have to wait for October 1947 term.

3. It is anticipated that the admission position both in the United Kingdom and United States of America is likely to be difficult during the next year or two. This fact has been repeatedly explained to the Provincial Government. The Provincial Government should not therefore be very optimistic about the 1947-48 batch. Government of India's representatives abroad would however continue their sustained efforts to secure as many places as available for the 1947-48 batch.

Through

The Proper Channel,

Sir,

Sub :- Deputation of Government servants for Advanced studies overseas 1946-47.

We, the undersigned have the honour to bring the following to your kind notice.

We understand that the daily allowance paid to the Government servants deputed by the Government for higher studies in the United Kingdom is 12 sh. whereas the scholarship holders sent by the Government are being paid £400 per annum plus £ 25 for books. This allowance paid to the scholarship holders, we are told, is just sufficient to meet their normal expenses there.

The leave allowance that is paid to us has to be assigned to our families and dependants and we have to depend only on the study allowance for our maintainance. The sh.12 daily allowance for our maintainance is quite ~~xx~~ insufficient for meeting the normal expenses there. We therfore request that we may be granted , in addition to the leave allowance, the allowances ~~that~~ the revised rates as paid to the scholarship holders, both in the United Kingdom and U.S.A.

We beg to remain,
Sir,
Your most obedient servants,

Dated 12th March 1947.

Sir,

Sub: TECHNICAL EDUCATION - Deputation of Government servants for advanced studies overseas - Allowances admissible. 1945-46

Ref: G.O. No. 1156 Education dated 11-5-46.

.....

ENCLOSURES ____

SPARE COPIES ____

I have the honour to submit herewith a copy of the letter C.No.22A/45 dated 22-2-1947 from the Principal College of Engineering, Guindy, together with a copy of letter dated 21-12-1946 from Sri A.Srinivasan permanent Laboratory Assistant who is one of the Government servants undergoing advanced studies in America.

2. As regards the request of Sri A.Srinivasan that his study Allowance should be increased to ₹ 150 p.m. I recommend the request, having regard to the fact that the study Allowance admissible to him at the rate of 30 shillings per day sanctioned in the G.O. cited above works out approximately to ₹ 180 per mensem. In view of the orders contained in paragraph 2 of the Government Memorandum No.74726 C.2/46-2 Edn., dated 11-12-1946 I presume that the Government servants will not be expected to meet the tuition fees, passage expenses, etc, entirely within the 'study allowance' granted to them.

3. I request that the Government may be pleased to make arrangements with the Liaison Officer to the Government of India in the U.S.A. for the grant of necessary allowance to enable the Government servants in America to meet travelling expenses for visits to some Engineering centres in that country - Vide Government Memorandum No. 28038 C2/46-2 & c-4 dated 23-7-46 and 6-8-46.

I have the honour to be,
Sir,
Your most obedient servant,

R. Narasimhan

for DIRECTOR OF PUBLIC INSTRUCTION.

AR.2/4.

Copy of letter R.C.No.22-A/46, dated 22-2-1947 from the Principal, College of Engineering, Guindy.

.....

Sub: Overseas studies deputation of Government Servants-Proceedings R.C.No.5241 C1/46-15 dated 2-12-46.

I submit herewith a copy of the letter dated 21-12-46 from Sri A. Srinivasan, Electrical Laboratory Assistant now at Illinois Institute of Technology, Chicago, wherein he requests:-

1. that the allowance of $.125 per mensem now paid to him is quite inadequate and it may be raised to $.150 a month.
2. that passage and tuition fees may be arranged to paid extra.
3. that sanction may be obtained for meeting travelling expnses for visits to some Engineering centres and
4. that steps may be taken to draw and disburse his leave salary to his wife.

In G.O.No.1155 Edn.dated 11-6-46 communicated in Proceedings R.C.No. 1422 C/46-1 dated 24-6-46, it is stated that the officer deputed will be eligible for:-

1. Study allowance at the rate of 30 shillings a day and(2) leave allowance at the rate equivalent to average pay.

Besides the allowances referred to above, the Officer has been promissed such extra amount as might be necessary to bring the total payment to the level of the aggregate payment which would be made to stipendiary students sent to U.S.A. under the Government of India Scheme. The Officer has therefore full claim first for the study allowance at 30 shillings a day and the leave salary and then for extra amount, should the total payment fall short of the aggregate payment made to stipendiaries. The study allowance of 30 shillings per day works out to about $ 180/- P.M. The Officer is eligible to received $ 180/- whereas he is paid only $ 125/- which I understand is the rate of allowance paid to a stipendiary. The Officer deputed should not be treated like fresh men sent out as stipendiaries. Credit should be given for his service and experience. I very strongly recommend that he should be paid the study allowance equivalent to 30 shillings per day in dollars as per terms of the G.O.

2. In para 2 of Government Memo. 74726 C-2/46-2 Edn dated 11-12-46 communicated in Proceedings R.C.No.5481 C1/46-16 dated 23-12-46, it is stated that orders regarding the grant of tuition fees etc. will be issued separately. I presume that passage will be paid for by Government and otherwise it will not be possible to meet the cost of passage within the study allowance paid to the Officer.

As indicated in G.O.No.28038-C2/46-2 dated 23-7-46 communicated in proceedings R.C.No.1422 C 46-4 dated 29-7-46, I presume that Government servants like Sri A.Srinivasan will be provided with necessary funds for visits to research laboratories, Works etc.

The leave salary due to Sri A. Srinivasan has already been drawn and disbursed to his wife and the fact intimated to him.

In this connection, I wish to state that to enable the Officers deputed overseas to get the maximum benefit of their stay there, it is very desirable that they should be placed beyond any anxiety so that they may devote themselves heart and soul to their studies. I request you therefore to be so good as to arrange for the sanction of increased allowance and also to provide them with necessary funds for meeting the tuition fees, passages and the travel cost of visits to important centres.

Copy of letter from Sri A.Srinivasan, 237, International House, 1414 East 59th Street, Chicago 37.III. to the Principal, College of Engineering Guindy, dated 21st December 1946.

Sub. Study leave allowance.

I beg to bring the following for your consideration and recommendation to the Government of Madras.

I received a few days ago a copy of Proceedings of the D.P.I. R.C. No.1422-C/46-1 dated 24-6-1946, stating that my study leave allowance has been fixed as thirty shillings a day and leave allowance of average pay. When we arrived in the United states, the Education Liassion Officer

p.t.o.

Officer to the Government of India said that we would be paid just as the other stipendiary students get in the United states. The stipend was fixed at the rate of $ 125.00 a month in view of the higher cost of living in Chicago than in some other places where the stipend was $ 100.00 a month. Subsequently the latter was also were given $ 125 and some places like New York and Los Angles were given an increase to $ 150.00 a month. On representation we were told that the Educational Liaisson Officer has recommended to the Government that our allowance also may be increased to $150.00 a month.

This allowance of $125.00 a month is hardly adequate for our bare living expenses. Consequent on the lifting of the price controls in this country, the prices of all articles have increased several times their normal value, and all of us are finding extreme difficulty to manage within this allowance. If the allowance is not increased to $150.00 a month, I am afraid that all of us will have to suffer a great hardship. That leaves us a balance of only $30.00 a month within which we cannot afford to pay of our passage and tuition fees if we are required to do so.

At the time I left Madras last year, I was told that they study leave terms were being considered by the Government for modification to suit the present day conditions, and I could not get any definite information regarding them. I heard from the Educational Liaisson Officer to the Government of India that he is in correspondence with the Government of Madras regarding this and that he thinks that our allowance will be only thirty shillings a day and nothing more. This allowance of 30 shillings a day was I presume, fixed during the days of depression when the cost of living was only a small fraction of the present standards.

I do not know whether the passage and tuition fees will be met by me from this allowance of 30 shillings a day. If that be so, I am afraid that the entire portion of my salary also will have to be spent for my studies in this country and my family in India will be left with no subsistence allowance. I have been admitted in the Illinois Institute of Technology, Chicago, and a tuition fees of $240.00 for a semester of seventeen weeks is being charged, whereas in the other State Universities it is comparatively lower. This enhanced tuition fees came into effect only after we joined, since all the costs were increasing. Further the books and instruments required for the prosecution of studies cost a considerable amount. All this will definitely mean that I will be spending the entire allowance of 30 shillings a day and my full salary here leaving nothing for the maintenance of my family in India.

I have put in a service of nearly 14 years with the Government of Madras and I have a family to support, in addition to the permenent commitments like G.P.F. Insurance and the Education of my children. The maintenance of the family in these days of famine conditions require the entire portion of my salary. I hear from my wife that so far my salary has not been paid to her and that it is impossible to remain any longer without the subsistance allowance.

There are several other Officers from the various Governments of India who are sent here on deputation for higher studies. They all get their salaries paid to their families in India, and all expenses here are being met fully by the Government. I heard from certain officers from the Madras, Agricultural College who are on deputation like us to the United States, have got the orders that their passage and tuition fees will be fully paid in addition to their salary and study leave allowance.

Further, in order to get the best out of my stay in this country, a visit to some of the important Universities in U.S.is very desirable to know their scheme of training Engineering students. As travel is very expensive I request that the Government may sanction the necessary travel expenses which will be incurred by me to visit the Universities.

I request you to address the Government to enhance our study leave allowance in view of the extraordinary rise in living cost at present existing here. The allowance may be made adequate to cover my expenses incurred for the prosecution of my studies and enough to support my family in India in my absence. It will be very hard on me if, I, after fourteen years of service with the Government, am treated like a student

p.t.o.

220

..4..

student who has just passed out of the College with not so much monetary commitments. I request that you may be pleased to r commend that I be considered like the other Government Officers on Deputation to this Country in the matter of allowance.

I would be thankful if an early action is taken on the matter and the decision of the Government communicated to me by Air Mail.

Sd. A.Srinivasan,

ASST. SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPTT. JUN 1947 MADRAS

Proceedings of the Director of Public Instruction, Madras.
Re.No.2820 C-1/47 Dated 4-7-1947.

Madras Educational Subordinate Service - Sri K.Kanakasabapathy Pillai - Application for the post of Professor of Indian History, University of Madras - with-held

Read: Letter dated 9-6-1947 from Sri K.Kanakasabapathy Pillai, Assistant Lecturer (on Study leave) Oxford, enclosing a copy of his application addressed to the University of Madras, for the post Professor of Indian History.

Sri K.Kanakasabathy Pillai is informed that with due regard to the public interests, his application for the post of Professor of Indian History, University of Madras, cannot be forwarded.

for Director of Public Instruction.

To Sri K.Kanakasabapathy Pillai, M.A., L.T.,
(Permanent Assistant Lecturer (on Study leave)),
94, Abingdon Road, OXFORD.

Copy forwarded to the Registrar, University of Madras for information.
Copy submitted to the Secretary to Government, Education and Public Health Department, Madras for information.

t.h.3-7.

2. A copy of the letter dated 9-6-1947 from Sri K.Kanakasabapathy Pillai is enclosed. In this connection it is submitted that the applicant has been deputed overseas for advanced studies in History, with a view to his being appointed eventually to one of the Professorships in History in the Presidency College. It is not, therefore possible to permit him to apply for the post of Professor under the University of Madras. It is also not possible either to loan

p.t.o.

2K3

his services to the University for a specified period even if requested by the University or to permit him to resign his post under Government at this stage, as it will mean a financial loss to Government apart from the fact that the Department will have to lose the benefit of his advanced studies in England at Government cost.

48946.C.45.21 Edn. dated 19-1-1946.

C/14588. From the D.P.I., Rc.No.4368.C.45-16 dated 12-3-1946.

...

Tech. Edn. - Deputation of Govt. servants under the G. of I. scheme, for studies overseas - 1946-7.

...

The proposal in the file is to depute certain Govt. servants of the Edn. Dept. for advanced studies overseas in the follg. subjects:-

(1) Geodesy (Geodetic Engg.)
(2) Radio Communications Engg.
(3) Pure Mathematics.
(4) History and Politics.
(5) Botany.
(6) Zoology.
(7) Engg. Mathematics.
(8) Engg. Physics.
(9) Engg. Chemistry.
(10) Engg. Geology.

Subject (1) above: The proposal is to depute Major B.H.Marley, now serving in the Military Department. The D.P.I. has forwarded a list of queries sent by Major Marley for Govt.'s instructions. The queries are examined below:

(a) (b) and (d) to (f) on 15 c.f.: The Director may be asked to send a copy of his circular at c.f.17-20 to Major Marley and to draw his attention to para 4 thereof. ~~Major Marley and to draw his attention to para 4 thereof~~. Major Marley may also be told that he will be eligible for all the concessions admissible under the study leave rules contained in F.R.84, i.e. half average pay, subject to Rs.25 p.m., and study allowance and also the addl. amount, if any, reqd. to bring up the total payment to the level of the amount paid to stipendiary students under the scheme.

(c) on 15 c.f.: Major Marley will not be eligible for the Dy. Warden's allce. as he will not be actually discharging the duties of the Dy. Warden while on deputation overseas.

(g) on c.f.15: The Government servants are proposed to be sent on study leave terms. Attention is in this connection invited to S.R.4 under F.R. 45. As Major Marley proceeds on study leave, he will not be eligible for qrs. during the period of his deputation. P.W.D. may see.

(h) and (i) on c.f.15: The Director may be asked to communicate to Mr.Marley a copy of G.O.1145, dated 25-10-45 ~~and~~ ffm.

~~to draw his attention to the~~ containing instructions ~~therein~~ on the subject.

(j) on c.f.15:- This depends upon the passage facilities to be secured to the U.S.A. Should it be necessary that any or some of the officers have to go by air, it will not be possible to give more than 24 hours' notice. In the circumstance, it cannot be said now whether Major Marley will be given sufficient time after his release to put his affairs in order.

(k) on c.f.15: Finance may be asked to advise on this point. 12

As regards portions marked "A" on C.F. 16, the Dir. shd. move in the matter for the release of Major Marley under Class A wh. will secure for him all the benefits of the release under that class.

C.F. 13

Subject (2) on p.1 ante: The further report from the Director may be awaited.

Subjects (3) to (10) on p.1 ante: A statement containing particulars of the officers considered most suitable by the D.P.I. is put up at "K". It will be seen therefrom that of the 8 persons, 3 belong to the M.E.S. (Nos. 1, 3 + 6) - 2 full members and the 3rd. Approved probationer. All the three are direct recruits to the Service. They possess fairly high academic qualifications and their deputation may be accepted. A

2. Of the remaining five, the following 3 persons have no permanent lien in the Edn. or any other Dept.:-

(1) Sri P.K. Karunakara Menon, Offg. Asst. Prof. No. 2
(2) Mr.P.V.Abdurahiman, Offg. Asst. Lecturer. No. 5 at (K)
(3) Sri V.Venkatesh, Offg. Asst. Prof. No. 8

The Government servants selected are proposed to be sent on deputation on study leave terms. The remaining two are permanent Demonstrators who are offg. Asst.Prof. and Asst. Lecturer. Nos. 4 & 7 at (K)

The following remarks are called in respect of the selection of these five officers (Subordinate Service):-

In para 2 of his circular, the Director has invited applns. from suitable Govt. servants for deputation overseas subject to the condition that the persons concerned should not be over 40 years of age on 1-2-46. In the case of private sponsored candidates, who have a good record as teachers, the age limit for the award of scholarships is 40 on 1-7-46. ~~The limit fixed for appt. to the M.E.S. by transfer is 50 and to the posts of Collectors in the Revenue Dept. is 45.~~ In connection with the scheme of deputation of ~~studies~~ student overseas, the Govt. of India have fixed the maximum age limit for those already in Govt. service as 40 years and they have stated that this limit

p.17 C.F.

para 4(b) of (Q)

para 12(d) p. 3 of Pamphlet

may be waived in special cases. It may also be pointed out that the age of Dr.M.Abdul Haq, Principal, Govt. Mdn. College, whom the Govt. have decided to depute to foreign countries to study the modern trends in teaching, is 44. Apparently, the Director has fixed 40 as the limit, following the limit fixed by the Government of India. A stipendiary student sent for studies overseas and also a probationer or an approved probationer in Govt. service who does not hold any substantive appt. ~~is~~ are required to execute a bond to serve the Govt. for a period of 5 years. It seems desirable that the persons sent for studies should be from among those who are in the M.E.S., or who are in the approved list for appt. to that Service, or who are likely to be included in the approved list in the near future. Otherwise if juniors like Demonstrators or persons who have no permanent lien in the Dept. are sent out, they will be reluctant to ~~service~~ serve, on return, with their high qualifications, under officers whose edl. attainments will not be equal to theirs. But, if the persons specially trained are promoted as a special case, in preference to seniors it is bound to cause discontent~~ment~~ in the service. ~~In view of what is stated at "A" on previous page also~~, It seems desirable to avoid selecting junior-most ~~people~~ person, unless there are special reasons for selecting any of them. The course of training will generally be for two years. It may be sufficient if a selected candidate returns after training before his 45th year, thus having at least 10 years to serve the Govt. If so, the age limit may be raised to 43; this will, to a certain extent, widen the field of selection and ~~on 1-2-46~~, it is possible that many persons who are likely to get included in the approved list, in the course of the coming year or two, or who are already in the approved list or are serving in the M.E.S., will become eligible to apply for the deputation. It is for consideration whether the D.P.I. may be asked to select candidates refix the age-limit at 43 on 1st Feb.1946 and to recommend the names of only such candidates as ~~have been~~ described above, by whose deputation the Govt.

ill benefit most. ~~The personal files of the persons to be selected may also be called for.~~ // ~~For orders~~.

After orders are passed on para 2 above the case may be sent to P.W.D and Finance for remarks.

W 21.3.46

"A" on p.2 ante may be accepted. / The selection of Dir also be discussed on the lines indicated below. W

As regards the persons recommended from the Subordinate Service, the Dir. has not explained on what basis he has selected them. The persons to be deputed are eventually to fill posts in the M.E.S. and care has to be taken that they should be persons either in the M.E.S. or in the approved list for appt. to that Service or likely to be included in the list in the near future. The persons deputed will on return press the fact of their deputation as a claim for promotion in preference to their seniors. It does not seem that the Dir. has had this in view in sending up the names. He shd. have sent a list of the persons already in service in each subject unit and discussed the qualfns. and merits of each. If the ~~trained~~ candidates after further studies are to continue in the Subordinate Service, the object of their deputation would be defeated. It does not also seem that the Dir. need have restricted the field of selection to persons not above 40 years of age. It is for consideration whether the Dir. may be asked to send a report as at "A" above and also a statement showing particulars re: all those who applied in response to his circular.

-2 ante 2 abv

The remarks of this department are called for on the question whether Govt will bear the cost of enhanced premium payable by Govt servants selected for training overseas. The deputation terms in FR 51-51A & the study leave terms in FR 84 do not provide for the grant of any such concession. Further as the selection of an officer for training at Govt cost enables him to secure higher qualification and consequently improves his prospects of promotion to higher grade there seems to be no ground for Govt bearing any expenditure on enhanced insurance premia of Govt servants selected for training abroad. Major Marley may be informed in the negative.

appln.
From Sri K.Kanakasabhapathy Pillai, Madras,/dt.nil.
From the D.P.I.RC.No.4368C/45-17 dated 28th March 1946.

In the memo. on pages 21-22 c.f. the D.P.I. was requested to send a list of suitable persons already in service both in the M.E.S. and M.E.S.S. in accordance with the instructions in para 1 of the memo. for deputation overseas for advanced studies. The Director has not sent any such list. He has only discussed the claims of the persons from whom he has received applications in response to his circular dated 1st February 1946 and has concluded that the persons whom he has recommended may be selected for deputation. The circular letter dated 1st February 1946 lays ~~down~~ undue stress on the age limit precluding persons from applying who were over 40 years of age on 1-2-46. Attention is invited to the notes in para 2 on pages 2-3 ante. According to the Government of India, the maximum age limit for a Government servant for deputation overseas ~~R~~ is 40 years on 1-7-46 but this may be waived in special cases. In view of ~~"A"~~ above it is not likely that persons above 40 years would have applied in response to the Director's circular. Apparently one such case is the one on page 25-26 c.f. Please also see flag (Ψ). The Direction attention may be drawn to B above.

2/ The D.P.I. has not also submitted his recommendations in respect of the 2 candidates referred to in para 3 on page 29 c.f. It is for consideration whether the Director may be asked to ~~rev~~ revise his recommendations in accordance with the instructions in para (1) of the memo on pages 21-22 c.f. considering also the applications received from the 2 persons referred to in para 3 of his letter. ~~The draft below is for consideration.~~

30.3.46

Pure Mathematics, Botany and Engg. Physics:

The candidates recommended by the Dir. for these subjects (Messrs. P.B.Patnaik, C.Bhashyakarla Rao and T.K.Lakshmanan) possess fairly high qualfns; two of them are permanent members of ~~the~~ the M.E.S. and the third (T.K.Lakshmanan) is an approved probationer. There is no objection to accepting the Dir.'s recommendations in so far as these subjects are concerned.

In the other five cases, the ~~persons recommended~~ persons proposed by the Dir. are all in the Subordinate Edl. Service and their names are not in the approved list for appt. to the M.E.S., nor are they likely to be included in it in the near future; one of them (Sri V.Venkatesh) is a candidate appointed under the emergency provisions. It is for orders whether the Dir. may be asked to re-examine the cases on the lines indicated in the Memo. at C.F.21-22 and make fresh recommendations. Subject to orders, a draft Memo. is subd.

4/4/46

6 - APR 1946
GOVERNMENT OF INDIA

(Issued as Memo.No.14588-C2/46-4-Edn., dated 5-4-46).
From the D.P.I., R.C.No.4368-C-46-18, dated 29-3-46.

The D.P.I. has forwarded a letter from Sri A.R.Ramanathan, now Flying Officer in the R.A.F., in regard to his deputation for study overseas in the subject "Radio Communications" and wants orders of Govt. on the points raised therein.

2. Sri Ramanathan says -

(1) that in the R.A.F. he has been working in Radar section since 1942, that in 1944 he was sent to U.K. for specialist trg. in that subject, that no useful purpose will therefore be served if he is now deputed for any straightforward Radio course, and that it will be useful if he is deputed for studying the courses mentioned in para 5 of his lr.; and

(2) that for the reasons

(a) that the institutions in U.K. and U.S.A. in which he desires to undergo the trg. will take another year from now to switch back to normal peace-time research; and

(b) that, if he is now released from the Air Force, he will be missing very valuable experience and trg. in which he is now engaged,

his deputation may be postponed to 1947-48; He also wishes to know -

(3) whether he would be deputed overseas as a Flying Officer or whether he would have to go with a lien on the appt. he holds in the Engg. College.

(4) He also mentions that he would like to go with better civilian status than his present one, if possible.

3. (1) on p.7 ante: The Dir. after consulting Dr. Rudra reports that the trg. undergone ~~in~~ by the officer was only in one branch of Radio Commns. and that he has to undergo further trg. Having regard to this report, Sri Ramanathan may be deputed for trg. in the subject "Radio Commns." itself.

(2) on p.7 ante: Reason (a) given by the officer is not a valid one for postponing his deputation as the G. of I. will arrange as quickly as possible for the admission of Govt. servants in the institutions to be suggested by this Govt. As officers with overseas trg. should be available to take up higher posts in the third year of working of newly-opened Engg. colleges, the Dir. says that the postponement of Sri Ramanathan's deputation is not desirable. He requests whether Sri Ramanathan may be informed that if selected he shd. be prepared to proceed overseas in 1946-47 itself. This query may be answered in the affirmative.

(3) on p.7 ante: As the officer is to be deputed as a servant of this Govt. his release from the Air Force shd. be secured first. Then, he cannot retain his status of Flying Officer, while on deputation. He will have to go with lien only on his civil job.

(4) on p.7 ante: Sri Ramanathan is a permanent Laby. Asst. of the Engg. College, Guindy. He has been appointed to the now ~~holding the~~ post of Junior Instructor in Elec. Engg., without prejudice to his mily. duty. Promotion from the post of Jr. Instructor (Rs.200-420) can be made only to the post of Instructor (Rs.200-700). Sri Ramanathan possesses the ncessary qualfns. for promotion as Instructor, ~~(though he is not qualified for promotion as Prof.)~~. The Instructorship is now held by Sri K.N. Ramanathan, permanent Laby. Asst. and offg. Jr. Instructor, (Senior to A.R. Ramanathan) under the emergency provns. For being promoted regularly to a higher category, the person concerned shd. have completed his probation in the lower category. As Sri A.R. Ramanathan is not an appd. probationer in the post of Junior Instructor now, he cannot be promoted regularly, even if a vacancy arises. He will not also get, as the Dir. remarks, any immediate financial advantage by his promotion as Instructor now. The Dir.'s view, that it is not possible to provide Sri Ramanathan with a higher

civilian appt. before he proceeds overseas than what he wd. get in the ordy. course, may be concurred in, ~~and he~~ may be asked to inform Sri Ramanathan ~~accordingly.~~ as at N' on page 34 C?

4. For orders as to circn.

9.4.46 — 9.4.46

BM 10/4/46 S

12 APR 1946

GOVERNMENT OF INDIA

153

May be informed accordingly.

A draft memo. is subd. 14/4/46

15.4.46 — 15.4.46

BM 15/4/46.

(Memo.No.14588-A5-Edn., dated 16-4-46).

From the D.P.I., R.C.No.4368-C/45-22, dated 5-5-46.

With reference to the Govt. memo on page 31 C?, the D.P.I. recommends the deputation of the follg. Govt. servants of the Edn. Dept. for advanced studies overseas in the subject mentioned against each:-

(1) Sri P.Bhaktavatsal Patnaik	..	Pure Mathematics
(2) Sri C.Bhashyakarla Rao	..	Botany
(3) Sri T.K.Lakshmanan	..	Engg. Physics

M.E.S. officers.

(4) Sri John P.Sundara Rao	..	Zoology

Seniormost in the M.E.S.S. in the subject unit and likely to be included in the approved list for appt. to the M.E.S.

(5) Sri V.Venkatesh	..	Engg.Geology
(6) Mr.P.V.Abdurahiman	..	Engg.Mathematics
(7) Sri B.Ramachandra Pai	..	Engg.Chemistry
(8) Sri P.K.Karunakara Menon	..	History & Politics.

2. It may be pointed out in this connection that the Govt. of India have recently reported that information has been recd. from the U.K. and the U.S.A. indicating that it is likely to be extremely difficult to secure places in institutions abroad for the next academic session as a result of the great rush for admissions of demobilised personnel. They have also stated that candidates who were selected in 1945-46 and who have not yet sailed will be given preference in the matter of admissions into foreign institutions to those

selected or to be selected this year. They, therefore, want this Govt. to inform private candidates for scholarships that until they receive official information that admission and passage arrangements have been secured for them they would not be entitled for the scholarships by virtue of their selection alone. Keeping this aspect in view, it seems that the selection of Govt. servants for 1946-47 has to be made. The recommendations of the Dir. are examined below.

3. (1) Pure Mathematics:
Botany:
Engg. Physics: The Dir. proposes that Sri P.B.Patnaik, Sri C.Bhashyakarla Rao and Sri T.K.Lakshmanan may be selected for the three subjects resply. These offieers are direct recruits to the M.E.S. For the reasons mentioned at "A", C.F.27, "B", C.F.28, "C", C.F.29, ("D", C.F.47, "E", C.F.48 and "F", C.F.49) the Dir.'s proposal may be accepted.

(2) Zoology: The Dir. originally recommended Sri S.M.Krishnan, permanent Demonstrator and offg. Asst. Lecturer. He has now revised his recommendation and has suggested Sri John P.Sundara Rao, Asst. Lecturer. Sri J.P.Sundara Rao is the seniormost in the M.E.S.S. in the subject unit and is likely to get into the approved list for appt. to the M.E.S. shortly. He is now Asst. Lecturer in Biology, Medical College Madras. If he is selected, he will have to be consulted as to his willingness to go abroad. For orders whether his selection may be appd.

(3) Engg.Geology: The Dir. has suggested Sri V.Venkatesh, Officiating Asst.Prof., Presy. College. The candidate is employed under the emergency provisions. There will be no guarantee of his continuing for any length of time in Govt. service after his return from overseas, unless Govt. service is made more attractive than what he would get ordinarily outside. For this reason, the Govt. have rejected the request of 2 officers in the M.E.S.S. for the grant of study-leave for proceeding overseas - Memo.'s 7762-A-3-Edn., dated 15-4-46 and 18415-A/46-2-Edn., dated 10-5-46. The Dir. has stated that if it is not possible to depute his nominee, the proposal to get an officer trained in this subject may be deferred. The deputation of an officer for study in this subject was recommended by the Dir. for eventual appt. in the Engg. College - Pl.see p. 11 C.F. of G.O. 820 Edn., dated 16.4.46.

It seems that in the circumstances the proposal to depute a candidate for this subject should be deferred.

Engg. Mathematics: The Dir. recommends the deputation of Mr.P.V.Abdurahiman, Asst.Lecturer, who has no permanent lien in the Dept. From p.2 of "D", it will be seen that there are several permanent officers in the M.E.S. who are senior to this candidate. The Dir. has discussed the claims of only Nos. 12 to 14 there and has found them unfit. He has not discussed the claims of Nos.15-17, apparently on the ground that they have not applied. If the claims of these Misses should also be considered, their willingness to go abroad should first be ascertained. For orders whether the Dir.'s nominee may be selected or whether he may be asked to consult the other 3 candidates as to their willingness to be deputed or whether the deputation of a candidate for the subject may be deferred, in view of para 2 above and portion marked A in page 10 ante. As for 'Engg.Geology', the candidate to be deputed for this subject also is for eventual appt. in the Engg. College.

Engg. Chemistry: The Dir. recommends Sri B. Ramachandra Pai, permanent Demonstrator and offg. Asst. Professor. The reasons for the selection of this candidate are contained in Dr.Dey's D.O. at p.30 C.F. Dr.Dey admits that by academic qualifications and teaching experience, Sri B.Gopalakrishnayya and Sri M.E. Duraiswami are the best candidates. Their selection is not however recommended because they are married persons with family commitments. It is for consideration whether on this ground the applns. of the best men should be rejected though they have actually applied. Sri Gopalakrishnayya is a teacher with experience who is likely to be included in the approved list for appt. to the M.E.S. in due course and is senior to Sri M.E. Duraiswami. For orders whether the Dir.'s nominee should be accepted or whether Sri Gopalakrishnayya may be selected.

The Prof. of Chem., Presy. College, recommends his appln. "very strongly".

History and Politics: The Dir. recommends Sri P.K.Karunakara Menon, Officiating Asst.Prof., who has a service of about 2 years. He has no permanent lien in the Dept. The Dir. has discussed the claims of three officers - 1 in the M.E.S. and

and 2 likely to be put on the approved list for appt. to the M.E.S. The Dir. does not recommend the name of the officer in the M.E.S. for the reason that he has not applied. He says that it is doubtful whether the other 2 persons will be willing to go abroad. Two other officers, Sri K.Kanakasabapathi Pillai and Mr.K.A.Joseph, Asst. Lecturers who are likely to be included in the approved list, have also applied. The Dir. considers that Sri Kanakasabapathi Pillai is not suitable for deputation in 1946-47 as his appln. was recd. after the due date and in view of the recommendation of the Prof. of History of the Presy. College (Copy at C.F.50). The Principal, Govt. Arts Coll., Madras, has however "strongly recommended" Sri Pillai's appln.; attention is also invited to pp.25-26 and 40-42 c.f. Though the Principal of the Govt. Victoria College has strongly recommended the appln. of Mr. Joseph, the Dir. does not recommend him on the ground that he does not possess such high academic distinctions as Sri Karunakara Menon.

In the circumstances, it is for consideration whether the candidate proposed by the Dir. or any one of the two officers mentioned above who are likely to be included in the approved list may be selected or whether the proposal to depute an officer for this subject may be deferred in view of para 2 above. The Dir. originally proposed the deputation of an officer for this subject because the post of Prof. of History & Politics, Presy. College, was due to fall vacant in 1948 and a young man trained overseas might be apptd. to the post on his return.

4. For orders as to circulation.

(Summary in note)

In 1944-45 four Govt. servants of the Edn. Dept. were selected for deputation overseas for studying technical subjects, with a view to strengthening the quality of the staff in Engg. Colleges of the Presy. In connection with the selections in 1945-46, at the instance of the Govt. of India, the point whether, besides deputing candidates for tech. subjects, any persons should be sent for studies in subjects like Edn. was considered.

(1) Engg. subjects: The D.P.I. proposed that, apart from some private candidates, two Govt. servants might be selected for 'Geodesy' and 'Radio Comms.". This suggestion was accepted; the candidates proposed are Major B.H.Marley and F/O. A.R.Ramanathan; the terms of their deputation, etc. are under correspondence.

(2) Education: The Dir. suggested that about 32 persons (both Govt. servants and private candidates) might be selected. He made this recommendation w.r.t. the requirements of all colleges generally. But the Govt. considered it necessary to confine immediate attention only to the requirements of the Presy., Teachers' and Engg. Colleges. Accordingly the no. of candidates to be deputed was fixed at 8 - four (1 each in Pure Math., History & Politics, Botany and Zoology) plus four (1 each in Math., Physics, Chemistry and Geology - to be studied with spl. relation to Engg.). The idea was to select Govt. servants for these subjects and, if there were no suitable persons among them, to select private candidates. Notes from p.9 ante fully discuss the Dir.'s recommendations as to the officers of the M.E.S. and the M.E.S.S. to be selected for deputation for studies abroad. The points for orders are "M" and "N" on p.10, "O", "P" and "Q" on p.11, and "R" on p.12, ante.

D. Balakrishna Menon
Asst Secy. 17/5/46

Some remarks are called for on the general points raised in the D.P.I's report at pp: 44-50 c.f.

Paragraphs 1 and 2 of the D.P.I's report.

The answer is contained in paragraph 1 of the report itself at "B" at page 44 c.f. -- that in special cases the limit may be waived. It may be mentioned also that the provision referred to in the brochure applies to Govt. servants who are selected under the scheme of scholarships and not to those sent on deputation, which is a matter entirely for the Provincial Govt. to decide. (For the selections for scholarships last year and this year we ruled that Govt. servants are ineligible, on the ground that we had this separate scheme of deputation; for the next year however, at the instance of the Govt. of India, we are thinking of throwing open to Govt. servants also the scheme of selection for scholarships -- though the

expense there, if our Govt. servants are chosen, will have to be entirely borne by us). So there is no objection to considering here the cases of persons over 40 too.

Paragraph 4 of the D.P.I.'s report at page 45 c.f.

There is no question of compelling anybody over 40 to go. But on the other hand, nobody need be ruled out merely because he is over 40; and the fact that some persons below 40 ~~who~~ failed to apply in response to the D.P.I.'s circular need not mean that ~~anybody~~ everybody over 40 is bound to refuse.

Paragraph 5 of the D.P.I.'s report at pp:45-46 c.f.

The question raised here has, as far as I can see, no direct bearing on the matter as we now have it before us --- which is, to strengthen the quality of the cadre, at the point nearest the stage of recruitment to the Professorial ranks, by foreign training, so that in due course, but as early as possible, the professorial cadre itself may get strengthened, taking into account, at the stage in question, both direct recruits and promotees. And on the other hand, nobody can be given a guarantee that immediately he finishes the foreign training he will be promoted, irrespective of the normal service rules and considerations.

Paragraph 6 of the D.P.I's report at page 46 c.f.

This really seems to run somewhat counter to the D.P.I's argument in paragraph 5. But the real point is, as indicated above, that we propose to take cases into consideration, not with reference merely to youth or age, or direct recruitment or promotion, but with reference to suitability and nearness to the point of promotion to professorial rank in due course.

Paragraph 7 of the D.P.I.'s report at page 46 c.f.

My comments on paragraphs 5 and 6 cover this.

Paragraph 8 of the D.P.I's report at page 47 c.f.

These considerations are only partially valid. In any case, our view being that the Professorial ranks should be filled adequately in as short a time as possible,

and that we cannot give the go-by to the ordinary service rules at the same time, we have to consider names that are nearest the point of promotion and which are prima facie suitable.

Second sub-paragraph of paragraph 9 of the D.P.I.'s report

The D.P.I forgets that in the case he refers to the Govt. put out an advertisement and enforced the rule in the manner ~~xxxxxx~~ mentioned, while in the present case, the Govt. did not put out or suggest any advertisement at all or fix any last date and it was the D.P.I himself who sent out a circular and fixed a date; it is perfectly open to the Govt. to say in the circumstances that cases received after that date, or falling outside the terms of the circular sent out by the D.P.I, should also be considered.

(Summarising note from middle of page 12 ante.

Notes from pp: 6-7 ante and 9 - 12 ante.

Points for orders indicated on 'Z' a. p. 13 ante.

The points for consideration are who shall be selected for the following subjects for higher education abroad: The following may be selected

Pure Mathematics -- P.B.Patnaik

Botany -- C.Bashyakarla Rao.

Engineering Phsics -- T.K.Lakshmanan

Zoology -- Sri J.P.Sundara Rao's consent may be obtained before putting up for orders. In case he does not consent, alternative names, if properly qualified persons are available, may be recommended.

Engineering Geology -- The consent of Sri V.Venkatesh may be ascertained. If he is not willing, the proposal to get an officer ~~xx~~ trained in this subject may be deferred.

Engineering Mathematics. If Janab Abdur Rahman has a chance of becoming permanent in the department, he ~~will~~ may be chosen in view of his good qualifications.

Engineering Chemistry. I do not see why the D.I.R. considers marriage a bar to a person being selected, particularly when the person selected

is prepared to go abroad and abide by the conditions attached to it. I direct that Sri Gopalacharya be selected.

History and Politics. I prefer Kanakasabapathy Pillai. We need not be too technical about the date of the application, in view of the strong recommendation of the Principal and in view of the fact that the ~~person~~ person recommended by the Director has no permanent lien.

TSA

SECRETARY, FIN. AND P. H. DEPT. 23 MAY 1946 GOVERNMENT OF MADRAS

Submitted to HM.

Sri Venkatesh - was Enclosure Professor - to be his actually appointed, it seems necessary to ascertain about his consent. Sri. the point about him is that he has been appointed under the emergency provision under General Rule 9 a, i, , i is not a member of any service, & his services are liable to termination at any time. Having regard to the above attention is invited to Rule 9 a, i, (page 10 ante), & to the general view of the scheme as indicated at M at p: 14 ante, HM may kindly consider again about his selection.

29/5/46

HM (Edn.)

Rather than if Sri Venkatesh does not agree to come into permanent service, he need not be selected.

TSA
27-5-46

SECRETARY, FIN. AND P. H. DEPT. 28 MAY 1946 GOVERNMENT OF MADRAS

17.

E.& P.H.Dept.

Ref: H.M's minute on page 16 ante.

Sri Venkatesh had been appointed temporarily until 1st May, 1946, under ~~I.M.~~ General Rules 9(a)(i) as he had not been selected by the Madras Public Service Commission. His appointment was terminated on 1st May, 1946, ~~with the beginning of the summer vacation~~. It is understood that he has since been selected by the Public Service Commission for appointment in the Subordinate Educational Service and that he will be reappointed regularly with effect from the re-opening of the Colleges. He will, however, be appointed only in an officiating capacity and he will have no permanent lien in the department. He cannot also be given a permanent footing as the vacancies are reserved for candidates with War Service. It is not, therefore, a question of his willingness to be appointed permanently in Government Service but that he has now no permanent appointment in the department and cannot be given one.

29/5/46

HM (Edn.)

Bird to the question of sending him abroad may stand over.

C.41140. From the D.P.I., R.C.No.4368-C/45-38, dated 25-7-46.

This file deals with the sending of Govt. servants overseas for higher studies in technical subjects and subjects under the group "Education" in 1946-47. Seven candidates have so far been selected and the ~~selection of two more~~ Govt. of India have taken action for securing admissions for them in foreign universities. Two more are also proposed to be deputed. The cost involved in the ~~scheme~~ is Rs. 113,500 roughly. — C.F. 70.

2. Provision for expenditure to be incurred in England on account of the sending of these 9 candidates ~~xxxx~~ has been made in the High Comnr.'s budget. No provision has, however, been made in the Annual Estimate of Expre. for 1946-47, towards expre. to be incurred in India on railway and steamer# fares for onward journey, pocket money and equipment allowance for the Govt. servants. On the basis of the figures given by the D.P.I. at p.70 C.F., this expre. would come to ~~about~~ Rs.12,280 or Rs. 12,300 roughly for the 9 Govt. servants. [It may be pointed out that provision for similar expre. of Rs. 15,000 on account of private candidates has been made in the budget - L.F.]

The expre. may be met by reappropriation of funds, if necessary. The D.P.I. may be asked to send necessary statements of reappropriation in due course. 3/ Finance may see.

A draft order sanctioning study leave to the four officers mentioned at p.197 C.F., who have reached U.K. and have joined institutions there, and a draft letter to the High Commr., are subd.

leave, half-average is admissible. Rule 12 in Annexure to F.R. 81 prescribes that during study F.R.90 lays down that leave salary shd. not exceed the average pay of the officer and that, during leave outside Asia, in the case of Govt. servants governed by the ordy. leave rules, it is subject to the monthly minimum of £25. The average pay of Sri Bhashyakarla Rao(230), Sri Kanakasabapathy Pillai (200) and Mr.P.V.Abdurahiman (110) falls below £25 and hence they are eligible for leave allowance at rates equivalent to their average pay. As regards Sri Bhaktavatsal Patnaik, it has been personally ascertained from the A.G.'s Office that his average salary on 1-10-46 is Rs.335-11-0. As this amount exceeds the minimum prescribed, his leave allowance has to be restricted to £25.

Baggage arrangements for Sri John Sundara Rao officiating be sent to UK for higher studies.

Ref:- From the D.O.I., No. 44-C1/46, dt-21.7.47

The Govt. see no reason to comply with the request of Sri John D. Sundara Rao that he may be provided with cabin Class accommodation in the steamer by which he has to sail to the U.K. for higher studies. They consider that he should accept the arrangement already made by the travel agents, M/s. Thomas Cook & Son, Ltd. The D.O.I. is requested to inform the Officer accordingly.

Station Madras, *Dated the* 2nd August 1947.

From (Name) SRI D.S. REDDI, M.A., (OXON) M.B.E.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

EDUCATION & PUBLIC HEALTH *Department.*

Sir,

REF: Correspondence ending with the Government of Madras E & P H Department letter No.43711 A.6. dated 25--7--1947 addressed to Messrs. Thomas Cook & Son, Ltd., Bombay.

pp. 19-20 ante

I submit herewith copies of the petition dated 17th July, 1947 from Mr. John P. Sundara Rao, my Office D.O. reference to the Principal, Presidency College and his reply thereto dated 31-7-1947 on the question of duration of the course of studies in the U.K. to be undergone by Sri John P. Sundara Rao. In the circumstances explained by Dr. S.G. Manavalaramanujam, I have no objection to Mr.Sundara Rao being allowed to carry on research in Cytology in the Dublin University for one year. I also recommend that he may be given opportunities to visit some other Universities also as suggested by Dr.S.G.Manavalaramanujam.

: 2 :

Copy of petitionidated 17-7-1947 from Mr.John P.Sundara Rao.

I beg to submit the following for your kind and sympathetic consideration.Owing to ill-luck my finger became septic in the dissecting laboratory, necessitating operation and I was unable to proceed to the U.K. on deputation last year.

I beg to submit that I have already put in long years of continued collegiate service as lecturer and head of the dept. of Biology, Medical College. I have worked for 21 years as College lecturer. I have also done research work and possess a research degree. I have been a Question Paper Setter and Examiner for the University of Madras for nearly 20 years. I have been a member of the Board of Studies in Zoology for the University of Madras. I feel that I have opportunities here in the College for advanced studies and research.

Incidentally I may also mention that my aged mother who is 75 years old had an accident andher thigh bone was fractured and she is very much worried over my leaving her during her last part of life.

Conditions have since changed and I therefore request you that I may be permitted to take a course in the U.K.for one year instead of two. I should prefer more, in the light of my experience, to study the techniques employed in research in the various departments of knowledge comprised in zoology so that on my return I may be useful to the students in guiding research. Each Department of knowledge such as Experimental Zoology, Cytology, Genetics, Embryology, Vertebrate and Invertebrate has its own technique and I feel that in the interests of the instituion I am to serve that I should learn the techniques of research in at least two of these subjects myself prefering Experimental Zoology, Cytology or Genetics on account of their modern growth and development.

Thanking you,

Forwarded and recommended. In view of the growing importance of Genetics and Cytology, ~~the~~ Mr.Sundara Rao may be asked to take a course in these two subjects & acquaint himself with the technique of research in these subjects.

Copy of letter From Dr.P.V.Cherian M.B.E., Principal, Medical College, Madras, dated 28-2-1947.

This is to certify that I have known Mr.P.John Sundar Rao M.A.,M.Sc.,F.Z.S., since the time he joined the staff of the Madras Medical College in July 1928 as lecturer and Head of the department of Biology. The department has improved very much through his efforts and zeal. He has done his work right through exceedingly well. He is very capable and conscientious officer andhas always maintained a high standard of efficiency. He has been a populat lecturer and University examiner.

It gives me great pleasure to state that he possess a high sense of duty and bears excellent character.

Sd. P.V.Cherian

Copy of D.O.No.44-C1/46 dated 26th July, 1 9 4 7 of this office:- addressed to the Principal, Presidency College, Madras.

My Dear Manavalaramujam,

Please see your Endt.N.R.C.734/47-2 dated 22-7-1947 on Mr.John Sundara Rao's letter dated 18-7-1947. You may be aware that the main purpose of sending Mr.Sundara Rao overseas for advanced studies is to enable him not only to undergo an advanced course in the subject of Zoology but also to observe and learn how the various departments are organized and advanced researches are conducted in the subject concerned in reputed Universities with a view to his succeeding you in the post of Professor of Zoology, Presidency College, Madras ultimately. Having regard to the above purpose of deputation, kindly let me know urgently whether one year's stay at the U.K. is enough as submitted by Mr. John Sundar Rao.

Copy of D.O. Reply dated 31-7-1947 from the Principal, Presidency College, Madras.

In reply to your letter dated the 26th July, 1947, on the subject of deputation of Mr.P.J.Sundara Rao to overseas, I am writing to say that, in view of the fact that Mr.Sundara Rao has already had several years experience and holds the M.Sc. Research Degree, it may be enough if he stays for a year abroad, unless it be the intention of Mr.Sundar Rao to take a Doctorate Degree for which residence for a minimum period of two years is necessary in most foreign Universities. He may be allowed to carry on research in Cytology in Dublin for a year and then given opportunities in Britain, so as to enable him to acquaint himself with the working and organization of Zoology courses and the techniques employed in varous researches in these Universities.

/True copy/

R. Narambha

for DIRECTOR OF PUBLIC INSTRUCTION.

EST(A).

The file in which it was ascertained that the admission promised by the Dublin Univ. for Dr Sundara Rao in 1946 remained open and in which arrangements for the officer's passage to U.K. etc. were made - is now in Our (Hd.Qrs.) in connection with his request for voyaging Cabin class instead of II class. After verifying the file the point whether the officer's present request for a reduction in the duration of the course does not run counter to the Univ.'s permit of admission, its copy of his letter & the Principal's D.O.'s letter may be sent to the C/D. for necessary action.

To be undertaken very shortly

Subject:- Scholarships for Advanced Studies Overseas - Passage arrangements to the United Kingdom for Provincial Deputationists.

77122

The Travel Agents have intimated that no 'B' Grade accommodation for the United Kingdom shall be available till middle of October 1947. In view of serious position of admissions, it has been decided by the Government of India to allow 'A' Grade passage for the Provincial Sponsored Scholar who are required in the United Kingdom for September Session.

It is requested that the Provincial Governments may intimate their decision regarding their deputationists direct to M/S Thomas Cook and Son, New Delhi, immediately under advice to this Ministry.

A list of Provincial Deputationists who have secured admission in the United Kingdom and who are awaiting passage is attached herewith for their information.

This may be treated as most immediate.

To the Secy. to the G.H.(A) (with copy
Ministry of Edn., New Delhi. dep. 4.12.41)

Sir, Deputation of Madras Govt. Servant Mr. John P. Sundara Rao overseas for higher studies. Ref:- Your letter No. F-7-8/46-OD IV, dt. 11.11.47.

In reply to the refce. cited, I am to invite your attention to my letter No. 43711-A/47-16, dt. 31.10.47 (copy enclosed).

Edn. & P.H.Dept.(A)

From the D.P.I., No.44-C1/46, dated 31.7.47.

Sending of Sri John P.Sundara Rao to U.K. for higher studies - Passage arrangements.

Sri P.John Sundara Rao, an officer of the Edn.Dept. selected for higher studies in U.K. is due to sail for that country in Sept. next. For Govt. servants 'deputed' overseas under the Government of India scheme and for private candidates sent under that Govt.'s scholarship scheme, it is usual to arrange only for second class (and where there is no II class, the class next below I class) sea passage. Sri Sundara Rao has requested that he may be provided with a Cabin class, for the reason given in support of the request is that he understands that it would be very inconvenient for him to travel in the second-class dormitary accommodation with 30 to 40 berths. This does not seem to be acceptable. In one or two past cases, Cabin and I class accommodation was arranged because there was no space in the lower class in the particular steamer and the candidate could not afford to miss that vessel. No such reason exists in this case. For orders whether the request may be turned down and Sri Rao asked to accept the arrangement already made by the travel agents. Finance may see before circulation.

Finance may agree with the view at A above and return the case to EPH. I am not sure that these dormitories are not more roomy than cabins. I was in a 2 berth cabin while 12 of us had to sleep.

May be ord to H.P. (Edn.)

From Thos. Cook & Son, Madras dt 29.9.47 & 8.10.47
From the D.P.I., No. 44 C-1/46-76 dt

Mr. John P. Sundara Rao, an officer of the Edn. Dept. was selected in 1946-47 for higher studies in Zoology in the United Kingdom. Admission was secured for him in an institution in the U.K and he was asked to sail at the earliest opportunity. A passage was offered to him by a boat on 7.10.47. Mr. Sundara Rao has not accepted the passage owing to certain family difficulties. The Director now states that the selection of the Candidate for deputation may be cancelled. This may be done.

The D.P.I. also asks if he may recommend some other suitable officer for being sent overseas for advanced studies in Zoology - in place of Mr. John Sundara Rao. Candidates for deputation overseas are selected with reference to the needs of Dept. As there is need for getting an officer trained in Zoology, the Director may be asked to propose the names of two or three more suitable candidates in the order of merit for arranging/ subject to approval a draft memo. to the D.P.I. is put up.

A draft letter to the Govt. of India with copy to the Travel Agents is also put up for approval.

R.C.No.44 C/46-80, dated 8-12-1947.

Sub:- Deputation of Government Servants for advanced Studies Overseas - 1946-47 - Mr. John P. Sundara Rao - Cancellation of Section - Refund of Out fit allowance.

Ref:- Endorsement Roc.No.734/47, dated 20-11-47 of the Principal, Presidency College, Madras, on the petition from Sri John P. Sundara Rao.

(COPY) Submitted.

2. The attention of Government is invited to their Memo. No.43711 A/47-15, dated 31-10-1947 cancelling the selection of Mr. John P. Sundara Rao for deputation overseas. Mr. John P. Sundara Rao's request for refunding the Outfit allowance of Rs.500/- received by him in October 1946 in easy monthly instalments of As.20/- per mensem is not recommended. On the analogy that advances of pay granted to Government servants on transfer are recovered in 3 monthly instalments it is recommended that the Government may be pleased to order the recovery of the Outfit allowance in 2 monthly instalments of Rs.170/- each and the third monthly instalment of As.160/- commencing from the pay for December 1947 to be drawn by him in January 1948.

for Director of Public Instruction

To
The Secretary to Government,
Education and Public Health Department, Madras.

m.k.9/12.

SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPT. 11 DEC 1947

Copy of letter from Mr. John P. Sundara Rao, Additional Professor of Zoology dated 20th November 1947.

Sub:- Advanced Studies Overseas - Repayment of Outfit allowance

Ref:- Your Pros. Rc.No.44.C1/46-77, dated 12-11-47.

I have the honour to state that I have spent more than Rs.1000/- towards the purchase of wooden dressing materials etc. for going abroad and I have also the vouchers for the same. It is my ill luck that I have been unable to proceed abroad.

Now I have been asked to refundable outfit allowance of Rs.500/- given to me in October 1946. I beg to submit that in these hard days of high cost of living etc. it is very difficult to pay the whole amount at one instance. I therefore request you to be good enough to kindly permit me to repay the amount by easy monthly instalments of As.20/- per mensem.

Thanking you.

ASSISTANT SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH 8-JAN

1 8 FEB 1947
EDUCATION AND PUBLIC HEALTH DEPT.

NO.F.7-4/46-O.D.V.
Government of India,
Department of Education,
New Delhi 3, the 11th February, 1947.

From

Sir John Sargent, C.I.E., M.A., D.Litt.,
Secretary to the Government of India.

To

The Secretary to the Govt. of Madras,
Education and Public Health Department, MADRAS.

Subject :- Provincial Deputationists sent out for Advanced Studies under the Overseas Scholarship Scheme - Rates of emoluments sanctioned in each case.

Sir,

I am directed to state that the Government of India have received complaints from His Majesty's Charge d'Affaires, Washington and the High Commissioner for India, London, explaining their difficulty in determining the actual rates at which payments are to be made to the Deputationists of the various provinces. It has, therefore, been decided that in order to avoid further inconvenience to these Deputationists, all information regarding the rates of emoluments and other concessions sanctioned by the Provincial Governments in each case may be furnished by the Provincial Governments concerned, to this Department, for consolidation and onward transmission to His Majesty's Charge d'Affaires and the High Commissioner.

2. Statements showing the names of Deputationists of Madras Government selected in 1945 and 1946 for advanced studies are enclosed. Full information specifying the nature of emoluments and the rates at which they are to be paid together with any other concessions sanctioned for the Deputationists by the Provincial Government may be given against the name of each Deputationist separately in column 3 of the statement. The date from which the payment is to take effect may also be entered in column 4 thereof. In case the payment is to be made from the date of disembarkation or the date of commencement of the course of studies, a remark to this effect may be given in column 4 of the statement. As the officers abroad often experience difficulty in interpreting orders on this point it is suggested that instead of a reference being made to Study Leave Rule or other regulations the exact amount or amounts which each student is to be paid should be shown clearly.

3. In the case of those deputationists who have been sent to the United Kingdom, the head of account to which the charge is debitable may also please be shown against the name of each deputationist.

4. The statement, after completion, may be returned, so as to reach this Department as early as possible, and in any case not later than the 15th of March, 1947.

I have the honour to be,
Sir,
Your most obedient servant,

K L Joshi

for Secretary.

No.F.8-1/47-O.D.V.
Government of India,
Department of Education,
New Delhi 3, the 18th May, 1947.

From

Sir John Sargent, C.I.E., M.A., D.Litt.,
Secretary to the Government of India.

To

All Provincial Governments(Except Sind and North West Frontier Province.

PAYMENT TO PROVINCIAL DEPUTATIONISTS (PERMANENT GOVERNMENT SERVANTS) SENT FOR TRAINING ABROAD UNDER THE OVERSEAS SCHOLARSHIPS SCHEME.

Sir,

I am directed to invite a reference to this Department circular letter No. F.7-4/46-O.D.V. dated the 11th February, 1947, wherein the Provincial Governments were requested to furnish to this Department information regarding the exact rates of emoluments and other concessions sanctioned by them for their deputationists (permanent Government servants) sent for training abroad under the Overseas Scholarships Scheme. As already made clear in that letter, the authorities in the United States of America and the United Kingdom are experiencing great difficulty in arranging payment to these deputationists in the absence of the above information and the deputationists themselves are being put to unnecessary hardship due to delayed and irregular payments.

2. From the replies received so far, it appears that the Provincial Governments generally will take considerable time before they can be in a position to collect and furnish this information to this Department for onward transmission to the authorities abroad. In order to avoid further inconvenience to the Provincial permenent Government servants, it is suggested that the Provincial Governments may communicate to this department atleast their concurrence to the principle of granting an additional allowance to those permanent Government servants whose study leave emoluments may fall short of their revised stipends(the revised rates of stipends have already been.....

been concurred in by all the Provincial Governments) so that no Government servant may be placed in a less favourable position than a non-Government servant. This principle which has already been adopted by the Central Government in respect of their permanent Government servants is based on equity, as a Government servants who has been admitted to a Government Scheme has obviously a right to claim at-least as much as an outsider. If this principle is accepted by the Provincial Governments also, most of the difficulties of the authorities abroad regarding payments to their permanent Government servants will be solved. They will then be in a position to pay provisionally, all the permanent Government servants whose exact study leave emoluments are not known, at a uniform rate equal to the revised stipend subject to subsequent re-adjustments in the case of those permanent Government servants only whose study leave emoluments may be found to exceed the stipend. Necessary adjustment, if any, may be made later when the exact rates of emoluments are communicated.

3. In this connection a reference is invited to this Department letter No.F.29-8/46-ODV, dated the 6th February, 1947 addressed to the Government of Bihar, copies endorsed to all other Provincial Governments.

4. It is requested that the matter may receive the most urgent attention of the Provincial Government and their concurrence in this respect may be communicated to this Department telegraphically for onward transmission to the authorities abroad. Meanwhile, efforts may kindly be made for collecting and communicating to this Department detailed information regarding the exact rates of emoluments and other concessions admissible to each of their deputationists, as asked for in this Department letter referred to in para 1 above.

I have the honour to be,
Sir,
Your most obedient servant,
M. H. Rahman
for Secretary.

R.-D/80.

Letter no 13622 C2/47-12 Edn dt 18/6/47

To
The Secretary to the Govt. of India,
Dept. of Education
New Delhi 3

Sir,

Overseas Scholarships Scheme - Payments to Provl. deputationists.

No: F.7-4/46-ODV dated 11.2.47

Ref your letter No. F.8-1/47-ODV dated 18/5/47.

I am directed to state that the officers of this Govt ~~have been~~ sponsored in 1945-46 and 1946-47 for undergoing advanced studies abroad have been offered either study leave terms or deputation terms. The officers whose names are given in annexure I have been offered study leave terms. In respect of these officers this Govt accept the principle of granting an addl allowance if their study leave emoluments fall short of the revised stipends so that none of these Govt Servants are placed in a less favourable position than a non Govt. Servant.

The officers whose names are given in annexure II have been granted deputation terms. The Govt. do not consider that any change in the terms already offered to them is now necessary.

W.r.to your letter dated 11.2.47, detailed information regarding the exact rates of emoluments and other concessions granted to all the Provin

deputationists – both on study leave terms and on deputation terms – data being collected and ~~when complete information becomes available~~ ~~it~~ will be furnished to the Govt of India in due course.

Ministry of Edn
New Delhi-3 (with enclosure)
Copy of pp 43 & 48-56 cf.

Sir,

Overseas Scholarships - Payments to Proval deputationists.

I am directed to invite attention to my letter no. 13622 C2/47-12 Edn dt 18-6-47 and to forward herewith statements showing the rates of conveyance payable to the deputationists of this Govt.

pp 33-34 cf

Y.F.

Edn. & P.H. Dept

C2

CRP/ 13622 - From the Govt. of India Edn. Dept, No. F.7-4/46 - ODV dated 11.2.47 and 18.5.47.

225

Advanced studies overseas - Govt servants sponsored in 1945-46 and 1946-47. - Rates of emoluments

1. The list of officers sponsored by this Govt in 1945-46 and 1946-47 for undergoing advanced studies overseas under the Govt. of India's Scheme is on pages 3-7 cf. The Depts. to which these officers belong have been noted against the names in the list. Officers of the Education Dept. have been sponsored on Study leave terms and officers of the Medical Dept. have been sponsored on deputation terms, while the officers of the Dept. Dept have been sponsored either on Study leave or on deputation terms. Information regarding the exact rates of emoluments have been called for from the D.P.I. and the Dept. Depot. Particulars in respect of Mr. A.N. Ratnagiriswaran (Medical Dept) have been received. are already collected. When complete information regarding all officers becomes available, it will be forwarded to the Govt. of India.

FR 84

FR 51

pp 9-10 cf

pp 13-15 cf.

2. As it would take time for the Provincial Govts to collect the details and furnish them to the Govt. of India, they have asked the Provl. Govts to intimate to them immediately whether the Provl. Govts accept the principle of granting an additional allowance to these officers whose Study leave emoluments may fall short of the revised Stipends so that no Govt Servant may be placed in a less favourable position than a non-Govt. Servant.

para 2 on pp 31-32 cf

A

3. The Govt. have already

accepted this principle only in respect of officers who have been sponsored on Study leave terms. The revised rates of Stipends (maintenance allowance) sanctioned to non-Govt. servants are :-

In U.K

£ 460 per annum in Costly institutions (Oxford and Cambridge)

£ 400 per annum in institutions other than Oxford and Cambridge.

In U.S.A

$ 160 per month in all institutions.

Thus wherever the total emoluments of a Govt servant under study leave terms (ie leave salary plus study allowance) fall short of the total maintenance allowance payable to a Stipendiary, a Supplementary allowance to cover the difference will be paid to the Govt. servant.

4. In respect of the officers who have been sponsored under deportation terms, no stipulation as at 'A' on page 1 ante has been made. The Govt have recently approved in the file on the revision of rates of Stipends and allowances to all overseas Scholars, (a) that for officers sponsored by Govt. under the Scheme who have been originally offered deportation terms and who have already left India the deportation terms already offered should stand, and (b) that for officers who have been originally offered deportation terms and who have not yet left India, the terms should be revised and study leave terms offered.

5. The Dest. Dept. may be requested to indicate the names of officers who will be eligible for study leave terms and of those eligible for deportation terms with reference to the orders mentioned in para 4 above. On receipt of this information the Govt. of India may be informed that in respect of the officers sent on (names to be indicated) Study leave terms the principle referred to at 'A' on page 1 ante is concurred in by this Govt. and that in respect of the officers on deportation terms (names to be indicated) the Govt do not consider that any change in the terms is necessary.

6. Dest. may see for remarks.

Adv (1954)

From the Director of Public Instruction R. Cl. 18/45-8. dt.
14.11.1945.

Technical Education - Deputation of Government servants overseas for higher studies.

A******

232

With reference to Government Memorandum No. 29968C. 20 Education dated 4th October 1945, I have the honour to state as follows : --

I consulted Dr. J.J. Rudra M.B.E., in regard to the selection of a suitable candidate from the staff of the College of Engineering, Guindy, for deputation overseas in the place of Sri. V. Lakshminarayanan, originally selected. Dr. Rudra feels that the candidate, Sri N. Venkatasubramanian, the candidate already recommended for deputation in this office Cl. No. 18/45-2, dated 28.9.1945 was an ~~unsuitable~~ applicant for the foreign scholarships advertised by the Education Department and did not get selected. It will raise very serious objections from the public if, after being rejected by the Selection Committee, he is selected for foreign scholarships on the ground of having put in a few week's service in the College of Engineering, Guindy, later. Moreover, it is highly doubtful whether Sri Venkatasubramanian, has any intention to stick to the post of the Laboratory Assistant in the College. In the light of the above, I submit that Sri N. Venkatasubrahmanian may not be selected for deputation.

2. As regards Messrs. S.L. Balasubramanian and P. V. S. Bhushan Rao, both are qualified for higher studies in the subject " Heat and Hydraulic Engineering. But both Dr. Rudra and K.S. Sitaraman are of the opinion that Sri. S.L. Balasubramanian is unsuitable as he has a poor academic record and has been out of touch with mechanical engineering, particularly heat and hydraulic engineering. Mr. Bhushana Rao also has a poor academic record. He passed his B.E. degree examinations many years after leaving the College. However, it is stated that he has many years of practical experience on Heat engines as Shift Operator, Instructor in Air Mechanics Training Scheme and Mechanical Engineering Laboratory Assistant. As he is a permanent fixture in the College, Mr. Rudra is of the opinion that he would remain to serve the College and it would be worthwhile sending him abroad for advanced training so that he may be more useful than he would otherwise. At the same time, Dr. Rudra considers that Sri P.V.B. Bhushana Rao is not the type who would normally be sent abroad for advanced training.

There is one more officer who should be considered and he is Sri P. Bhairavamurthi. He has been working as Strength of Materials Laboratory Assistant since July 1944. He is the first Scheduled Class student to obtain the B.E. of the Madras University. His record in the College is stated to be not brilliant but he has passed all his University examinations, at the College in the first chance and this can be considered as very complimentary to a student from the scheduled classes. He is a graduate in Civil Engineering and is about 25 years old. I recommend that the Government may be pleased to select either Sri P.V.B. Bhushana Rao or Sri P. Bhairavamurthi for deputation overseas. If the latter is selected he may take up " Highway Engineering " under Civil Engineering for higher studies.

Copy of Govt. Memo. No. 29968-e-25, dt 26.11.45.

The D.P.I. is ~~requested~~ informed that the Govt. do not propose to select either Sri P.V. Bushana Rao or Sri P. Bhairavamurthi of the College of Engg., Guindy, for higher studies abroad in the current year.

Extracts from notes.

P. Table

From the D.P.I., No.18/45-8, dated 14-11-45.

233

**

The D.P.I. recommends that either Sri P.V.B. Bhushana Rao or Sri P.Bhairavamurti of the College of Engg., Guindy, may be selected for study overseas; the former for Heat and Hydraulic Engg. and the latter for Highway Engg. Sri P.V.B.Bushana Rao is a permanent Shift Operator and a probationer in the post of Laby.Asst., College of Engg., Guindy; Sri P.Bhairavamurthi is also a probationer in the post of Laby. Asst. in the College. Highway Engg. is not one of the subjects for which it wasoriginally decided that Govt. officers of the Edn.Dept. shd. be deputed for higher studies. The Govt. have already selected 4 officers of the Engg.college for studies abroad. Perhaps it may be too late now to secure admission for the officer proposed to be selected as the colleges in the USA and the UK may have already begun the course of studies. In this view it is for consideration whether the question of selecting the fifth officer may not be postponed for next year. If, however, it is considered that an addl. officer shd. xxalso be sent, orders are solicited as to wh. of the officers refd. to by the DPI will be selected for the purpose.

I.B.M., 19-11-45.

In view of para 2 (of D.P.I.'s letter) neither Balasubramanian nor Bhushana Rao can be selected.

M.V.S.

I think we shd. stick to the scheme of subjects already selected for specialisation. In that view , the proposal to xx select Bhairvamurthi may be turned down.

M.V.S.

M.V.S.

I don't see that the circs. willhave altered by that time. The main point is that the list of specialities in this group has been drawn up w.r.t. teaching requirements - and we proposed to recruit the requisite number partly from the staff and partly from private candidates. It is not essential that the recruitment against this particular item - Heat and Hydraulic Engg. - shd. be from amongst the staff. When no suitable candidate has been found there for this subject, we may recruit instead from private candidates. xxxx A list is due to the G. of I. about xxxxxxxxxx the nos. to be sponsored next year. We may include the item in that list - for recruitment from private candidates.

B

M.V.S., 22-11-45.

I agree with Secretary. There is no point in sending abroad unsuitable candidates.

T.A(ustin), 22-11-45.

**

Separate action is being taken w.r.t."B" above **

Bdn and P.H A

From the D.P.I.No. R.C.No. 52/46 dd 28 10.46.
