To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

I have the honour to state that I permitted the opening of additional section in each of standard V and Form I in the Government Secondary and Training School for Women, Karur, in the school year 1945-46 as there was a great rush for admission and sanctioned the employment of two secondary grade teachers therefor on fixed pay for one year under the powers vested in me. In the school year 1946-47 the additional sections in each of the standard V and Form I were continued with the staff as there was need for the continuance of the section. The opening of an additional section in Form II was also permitted in 1946-47, as the strength in this Form justified the opening and the employment of a secondary grad

teacher was sanctioned on fixed pay during the year 1946-47.
I furnish below the strength of the school in various standards and forms.

Standard I	43	Form I	86
„ II	41	„ II	44
„ III	45	„ III	26
„ IV	55	„ IV	24
„ V	79	„ V	9

The present strength of standard IV is 55 out of which 50 pupils are likely to be promoted to Standard V. The number of detentions in Standard V is expected to be 9 and the number of new admissions 30. Hence two sections are necessary in standard V. Similarly with reference to the present strength in standard V and Form I and the number of promotions to be made to Form I and II and new admissions respectively, the retention of the additional sections in each of the Form I and II is necessary.

In the circumstances I request that Government may be pleased to permit the continuance of the additional sections in each of the class V and Form I and II with an additional staff of 3 secondary grade teachers for each of the additional sections with effect from the School year 1947-48.

I also request that Government may be pleased to sanction the post of an additional Secondary grade teacher for the school in the circumstances explained below.

Sanction was given for the conversion of Standards VI to VIII of the Model School into Form I to III and for the opening of form IV in 1945-46 and Form V and VI in the years 1946-47 and 1947-48 respectively in G.O.No.594 Edn., dated 1-5-45. The highest form during 1946-47 in the school is V and Form VI will be opened in 1947-48. The staff sanctioned excluding the specialist teachers for the 5 standards of Model Schools and 6 forms of the Secondary School is, one Headmaster, 3 L.T.Assistants and 7 Secondary grade teachers. When Form VI is opened in 1947-48, the post of the Headmaster will become an administrative one, and one more Secondary grade teacher is required for Form III. An Elementary Grade Training Section is also attached to the school.
