14.	Sergeant.	1	45-70.
15.	Medical Staff.		
16.	Peons.	10	12-17.

P.T.O.

Item 1:- In G.O. No.1801 Education dated 18-9-1946 Government sanctioned the conversion of the post of Assistant Lecturer in Mathematics into a Madras Educational Service post in the College. The Principal states that as the second year class has been opened in the current year there should be two members on the staff as a single member cannot conduct the lecturer work and tutorial classes efficiently. An Assistant Lecturer in the scale of Rs.100-200 may kindly be sanctioned.

Item 2 & 3. As surveying has to be done in the 2nd year Engineer class, an Instructor in Surveying and Drawing is necessary. With regard to Assistant Instructors, the Principal states, that the Civil Engineering, department has to deal with drawing and tutorial classes and also practical work in surveying for which 8 Assistant Instructors are required. As 2 Assistant Instructors have already been sanctioned, the remaining 6 Assistant Instructors may kindly be sanctioned.

G.O.No.1021 Edn. 11-7-46

G.O.No.649 Ed. 25-3-46

Item 4:- The Principal has asked for 4 Laboratory assistants for the Laboratories in Mechanical Engineering, Electrical ~~Engineering~~ laboratory, Strength of materials laboratory and the Automobile Engineering

i) The mechanical engineering department has at present two Assistant Instructors and a Professor. The department has tutorial and drawing classes for the first and second year students and it is stated that the existing staff is inadequate for the work. The Laboratory Assistant is necessary for the fitting up of the Mechanical Engineering laboratory and his services are also to be utilised for drawing and tutorial classes along with the Junior workshop Instructor.

ii) Electrical laboratory assistant - In G.O.No.649 Education dated 28-3-46 Government have sanctioned the employment of an assistant for the Electrical Laboratory. The Principal states that in addition to tutorial classes for the first and second year students, there are laboratory classes once a week for the second year students and the existing one assistant will not be adequate.

J / pp 3-4 CF

iii) Strength of materials laboratory - This assistant is required for fitting up of the strength of materials laboratory and supervising the practical work of the students of the second year class who have to work in the strength of materials laboratory for two periods.

iv) Automobile Engineering Laboratory Assistant - The Principal states that the Laboratory Assistant is required to instal the equipment for the laboratory. The employment of 4 laboratory assistants may kindly be sanctioned.

Item 5:- The Principal has asked for 2 mechanics, one for each of the strength of materials laboratory and the Electrical Laboratory. In G.O.No.1939 Education dated 20-11-45, a mechanic for the Electrical laboratory was sanctioned. The Principal points out that the entire college has to be built up and men have to be trained for the special work of the College and that two mechanics asked for ~~xxx~~ are absolutely essential. I request that the employment of 2 additional mechanics may be sanctioned.

Items 6,7,8,9,10,12 and 13:- These may kindly be sanctioned.

Item 11:- The Principal has applied for 2 store-keepers, one for the Electrical laboratory and another for the workshop. These may kindly be sanctioned.

---

(3)

Item 14 and 15:- In my letter R.C.No.940-A/45 dated 4-10-1945, the employment of a sergeant and the requisite medical staff consisting of a Sub-Assistant Surgeon, a compounder and a Nursing Orderly were recommended. In their Order No.1939 Education dated 20-11-45, Government stated that the proposal for the employment of the above staff should be deferred. The Principal now reports that a Sergeant is an urgent and imperative necessity as he has to be in charge of the College and hostel buildings and also of the menial staff in these places. He requests that a Sergenat in the scale of Rs.45-70 may be appointed as a Sergeant with a lower scale of pay will not be attractive for a demobilised Non-Commissioned Officer. I recommend that a sergeant on a scale of Rs.45-70 may kindly be sanctioned.

M

The Principal states that the employment of adequate medical staff is very urgent. It is reported that there are about 200 persons living in the College compound and in addition there are laborers employed in the workshop. Due to accidents in the workshop and other causes medical aid is often required urgently which at present can be obtained only from Coimbatore, about 5 miles away. This is unsatisfactory and I consider that a requisite medical staff should be provided. The employment of a Sub-Assistant Surgeon, a Compounder and a Nursing Orderly may kindly be sanctioned.

J / pp 3-4 CF

Item No.16:- The ten peons asked for may kindly be sanctioned. Five peons will be attached to the five Professors sanctioned in G.O.No.649 Education dated 25-3-46, 2 peons for the Lecturer in Mathematics and the Instructor in Surveying and Drawing, one for the Library and another attending to work in the ~~xx~~classes and for taking circulars etc. to the several members of the staff.and another for General duty and reserve.

A

I request that early orders may kindly be issued sanctioning the employment of the above staff in the current year.

Sub: Arthur Hope College of Technology, Coimbatore - Employment of additional staff - proposals -

I have the honour to state that the Principal, Arthur Hope College of Technology, Coimbatore, has submitted proposals for the employment of the following staff consequent on the opening of third year class in July 1947.

(1) 3 Instructors in the scale of Rs.200-700 (one for each of the Mechanical, Civil and Electrical Engineering Departments)

(2) One Junior Instructor in Electrical Engineering Rs.200--420/-

(3) One Senior Workshop Instructor Rs.200-420/-.

(4) 2 Laboratory Assistants in the scale of Rs.100--200. (One for the Hydraulic Laboratory and the other for the Textile Engineering Laboratory
(5) Physical Director - Rs.70--130.
(6) Mechanic for the Textile Laboratory Rs. 38--50
(7) Attender do.
(8) Cleaner do. 19--30
(9) 5 Peons. Rs.12--17. 19--24.

P.t.o.

: 2;

2. The Principal states that students have to choose their branches in their third year and to handle these subjects the above additional staff are essential. As Jelolgy has also to be taught from the third year class a separate Assistant Lecturer in Geology is also necessary. With regard to the Physical Director, The Principal reports that as the College increases in strength, a phyiscal Director is necessary to look after and direct the Physical activities of the students. The five peons asked for are required for the five Gazetted Officers referred to para 1 above.

B 3. I request that Government may be pleased to sanction the employment of the above staff with effect from the beginning of the academic year 1947-48.

Sub: Arthur Hope College of Technology Coimbatore - Employment of a visiting doctor and payment of honorarium -

----

My letter Rc.No.7644 K2/46, dated 18-11-46.

4360

I have the honour to invite the attention of Government to my letter referred to above in which the employment of the requisite medical staff in the current year for the Arthur Hope College of Technology, Coimbatore, was recommended. The Principal has now written to me that the employment of full-time medical officer for the College may be deferred this year and that a private medical practitioner may be appointed as a visiting doctor.

2) When the College was opened in July 1945, proposals were submitted in this office letter Rc.No.940 A/45, dated 4-10-45 to provid the requisite medical staff but in G.O.No.1939 Edn., dated 20-11-45 these were deferred by Government. The Principal states that a medical officer has been found necessary as the college is a residential one. Through the influence of Mr.G.D.Naidu, the Principal secured the services of one Dr.Jagannathan, L.M.P. a private medical practitioner. This doctor has been attending on the students without any remuneration since July 1945. The Principal states that it is most unlikely that a Resident Medical Officer will be available in the current year and has suggested that the private medical practioner may be appointed as the visiting doctor for the college for the current year. In view of the fact that a medical officer is necessary for the college I recommend that Dr.Jagannathan may be appointed as the visiting doctor for the current academic year and that he be paid a honorariam of Rs.500/- for the work done by him.

3) I request the favour of early orders.

pp 1-7 cf CNC-71583A: From the DPI :- No. 7644-K2/46 d 8-11-46, 14-12-46, and 17-1-47.

Sub:- Arthur Hope College of Technology, CBE - addl staff.

The DPI has submitted proposals for the employment of addl staff in the College. The proposals are examined below :-

pp 1-2 cf ① Asst Lecturer in Mathematics. In the circumstances stated by the DPI, the need for an Asst. Lecturer may be conceded. The post may be in the revised scale of Rs 120 - 5 - 170 - 7 - 240 + 5 for L.Ts.

② and ③ one Instructor in Survey and drawing (200 - 400)

Two Asst instructors in Civil Engg } 180 - 10 - 280.
~~4~~ Four asst instructors in Survey }

p 2 cf In the circumstances stated by the DPI, the proposal may be accepted.

④ Four Lab. assts (180 - 10 - 250)

pp 2 cf Though automobile Engg is one of the courses sanctioned in the College, it has not been actually ~~introduced~~ opened on account of lack of accommodation. The DPI has suggested seperately that the opening of the Automobile Engg. Course may be postponed till the College is shifted to permanent buildings. There is therefore no need for a Lab. asst for the automobile Laboratory. In the circumstances stated by the DPI, three Lab assts ~~may~~ - one each for the mechanical, the Electrical and the Strength of materials Laboratory may be sanctioned.

p 2 cf ⑤ Two Mechanics.

Three mechanics have already been sanctioned in G.O. 1939 Edn d 20-11-45. The need for two more mechanics is not clear especially as there are to be only 2 courses in the College - viz - Civil and Electrical. ~~[illegible]~~ The D.P.I may be ~~deferred~~ asked to explain the need for the addl mechanics

pp 1-2 cf ⑥ Two Instrument Repairers (Rs 35 - 2 - 55 - 1 - 60) may be sanctioned.

pp 1-2 cf ⑦ 5 attenders.

Three attenders have already been sanctioned. The need for 5 more attenders has not

G.O. No. 1939 Edn 20.11.45

explained. ~~This may be deferred~~. The Director may be asked to do this.

⑧. Three cleaners.

Three cleaners have already been sanctioned. The need for 3 more have not been explained. This ~~may be deferred~~ Director may be asked to do this.

M1-2 cf

⑨. One Pump house operator. (22-1-30)

may be sanctioned. There are such posts in the Engg college Guindy.

M1-2 cf

⑩. Three mechanic Maistries. (40-2-50-1-65)

may be sanctioned. There are such posts in the Engg. College, Guindy.

M1-2 cf

⑪. Two Store-Keepers. (45-3-60-2-90)

One store keeper has already been sanctioned. The need for two more has not been explained. As the College is a new one and stores will be purchased from time to time, one more store keeper may be allowed.

M1-2 cf
G.O. 1939 Edn 20.10.45

⑫. One fore-man fitter. (45-2-65-1-70).

may be sanctioned.

M1-2 cf

⑬. One Foreman Carpenter. (45-2-65-1-70).

may be sanctioned.

M1-2 cf

⑭. One Sargeant. (50-3-80).

The proposal to appoint a Sargeant was deferred previously. In the circumstances now explained, the post may be sanctioned.

G.O. No. 1939 Edn 20.11.45

⑮. Medical Staff.
(a) one Sub. Asst Surgeon (100-5-160-10-230)
(b) one Compounder. (35-1-60)
(c) one Nursing orderly (17-½-25).

In 1945, the DPI submitted a similar proposal, but it was ~~[illegible]~~ vetoed on the ground that it was unnecessary to employ a whole time medical staff for a College which had a strength of only 75. The position has since changed. ~~At present~~ There are

at present about 200 students ~~in~~ in the College besides the staff. In addition there are the labourers employed in the work shop. In July next another batch of 81 students will be admitted. To attend on ~~[illegible]~~ these persons it seems that a medical staff is necessary, specially in view of the fact that medical aid can be obtained only about 5 miles away in the town of Coimbatore. Engg. College, Guindy has a separate medical staff of one Sub. asst surgeon, compounder etc. The proposal may be accepted.

p3 cf

A sum of Rs 2600 for medicines and hospital equipment may also be sanctioned. The proposal to pay an honorarium of Rs 500 to the visiting Doctor for the academic year 1946-47 may also be approved.

p7 cf

M1-2 cf

⑯. Ten Peons.

G.O. No: 1031 Edn 11.5.45
G.O. No: 1939 Edn 20.11.45

5 peons have already been sanctioned. Courses in Textile Engg and Automobile Engg are not to be opened at present. So there is no need for providing ~~[illegible]~~ peons for Professors in these subjects. 8 more peons may be sanctioned. ~~The proposal to pay the visiting doctor an honorarium of Rs 500 for 1946-47 may also be approved~~.

p5 cf

⑰. 3 Instructors. One for each the Mechanical, Civil & Electrical Engg Depts. (200-700).

Mechanical Engg as such is not one of the Courses sanctioned for the College. ~~There is already~~ The Govt have already sanctioned a post of Professor of Mechanical Engg and 2 asst Instructors in Mech. Engg. The necessity for an instructor is not clear. This may be deferred for the present. The proposal to appoint Instructors in the Civil and Electrical Engg. Depts may be accepted.
