Sir,

BICYCLE - Old & unserviceable - replacement by a new one-sanction requested.

This office bicycle which was purchased in August 1940 under the sanction accorded in G.O.No.4s.246 Education dated 18-2-41 has become old and has falling into repair very often. A sum of Rs.79/12/0 has so far been spent on its repairs and the present estimate for its repair as quoted by two firms works out to Rs.56/- and Rs.51/- respectively. It has served for over 6½ years and its condition is very bad now. Even if it is repaired at a high cost it is not likely to serve for a long time any more. It is therefore considered uneconomical now to repair it at a high cost. It has to be condemned and replaced by a new one. It is seen from the quotations called for from certain standing firms that the cost of a new bicycle ranges from Rs.175 to Rs.180 and an extra cost of Rs.20/ for accessories. The prices are subject to fluctuation. I solicit sanction of Government for the purchase of a new bicycle. The Expenditure can be met from the appropriation under "56 Stationery and Printing and other charges, other petty charges". If sanction is accorded for the purchase of a new bicycle, the old one will be sold in public auction and the sale proceeds credited to Government.
