GOVERNMENT OF MADRAS

Dear Mr. Subra[illegible]

I received your D.O. informing me about the proposed meeting on the 26th.

I regret I have to leave Madras by the 24th at the latest to attend certain meetings convened by the Government of India. The Sircar Committee on Technological education, the meeting of the Central Medical institute etc are being held in the last week of May & first week of June.

My dear Subramanyam

I arrived here on 19th evening after a terrible journey from Waltair for a change. My health has been rather poorly. However I shall try to attend the Hon. Minister's conference on 26th.

The subject relates entirely to Engineering Colleges, & I have had no time so far to study the subject closely as in the case of the Medical Colleges. So my presence is not likely to be of much value. However I will do my best to attend. There seems to be some idea of restricting admissions.

on 26th, I am conveying my apologies to the Minister for my inability to attend

Yours Sincerely
A L Mudaliar

6/ & limiting the "optionals".

I understand that the Colleges were started by Govt. to meet the growing needs of their P.W.D. And right from the start there was the idea of having some specialities in the Andhra College — marine engineering & naval architecture; aeronautics; communications etc. (Please see the [illegible] that supplied by Andhra & [illegible] letters from A.U.)

If you could put up a comprehensive note on aspects of this problem, it would be most instructive & helpful. However you know best the merits & reasons & scope of this reference.

Yours sincerely

VI Construc~~tions~~tion of new buildings for the Government Arts College, Rajahmundry.

The Government have admitted as a Part II scheme, a proposal for construction of new buildings for the Government Arts College, Rajahmundry. A provision of Rs.6 lakhs has been included for the purpose

in

in the Annual Estimate of Expenditure for 1947-48. The Director of Public Instruction has been asked to send plans and estimates for the scheme estimated at a total cost of Rs.20 lakshs. The receipt of the plans and estimates are still awaited.

VII. Additional buildings for the Government Victoria College, Palghat.

The Government have sanctioned in 1947-48, the construction of additional buildings for the Government Victoria College, Palghat, at an ultimate cost Rs.~~2x229~~ 2,29,000.

VIII. Increase in the strength of Colleges.

With a view to admit more students in Colleges, the University of Madras, at the instance of Government, permitted in 1946-47, the Principals of the colleges to admit a fourth batch of students for science subjects wherever possible. This arrangement necessitated the employment of additional staff in Colleges. The Director of Public Instruction therefore submitted proposals for the employment of addition staff in the following colleges:-

(1) Government Arts College, Coimbatore.
(2) Government Muslim College for Men, Madras.
(3) Government Victoria College, Palghat.
(4) Government Arts College, Rajahmundry.
(5) Government College, Kumbakonam.

The proposals were fully examined by Government and certain additional staff was allowed to these colleges. The staff proposed by the Director and the staff actually sanctioned by the Government in December 1946 are given in the statement below:-

Subsequently it was brought to the notice of the Government that there ~~=~~ was still inadequacy of teaching staff in many Government Colleges where fresh batches of students were admitted last year. The Director of Public Instructor was therefore requested to examine the question immediately and submit proposals for the employment of additional staff wherever necessary. He has accordingly submitted proposals in this regard, taking into account the probable increase the number of admissions in the ~~current~~ ensuing year. The additional staff now proposed by him is mentioned below:-

The file has been sent to Finance for necessary ~~examination~~ of the proposals. The proposals may have to go before the standing Finance Committee.

IX Shift System.

The D.P.I. who was asked to report on the feasibility of introduc "Shift System" in Arts Colleges, reported last month that the question was considered by the Vice-Chancellor of the Madras University ~~and the Director~~ at a conferenc of the Principals of the Colleges and that they resolved that it was unworkable. The Director has been asked to consult the University authorities whether it would be possible to admit a fifth bat of students for science ~~commence~~ course this year. In this connection atte tion is invited to a Press cutting dated 2-5-47 in which it is stat that the University has granted permission for the admission of ~~Madras 500~~ 475 students in excess of the last year's admissions.

Ⓝ

Engineering College

~~A.M.~~ The Arthur Hope College of Technology, Coimbatore.

The College was opened with effect from the academic year 1945-46 with a strength of 75 students. The ~~student~~ strength was subsequently ~~Coorg, Orissa and Pudukottah has since been~~ increased to 81 excluding 3 seats reserved for students from Coorg, Orissa and Pudukottah (one each). It was decided to open the following courses in the college:— ~~proposed to be opened at first in the college.~~

(1) Textile Technology

(2) Automotive Engg.

(3) Electrical Technology.

(4) Civil Engg.

But the University of Madras gave only conditional affiliation to the college for the courses mentioned in items (3) and (4). The colleg has ~~since~~ therefore been giving instruction to students only in Elec. and Civil Engg. As the third year class of the college will have to function from July '47 and as the specialisation in Engg. colleges begin only from the third year, it has now to be considered whether the college should provide instruction in the Textile Technology and Automotive Courses. The D.P.I. has in this connection, statdd that it will not be possible to affiliate the college in these two courses in view of lack of accommodation and equipment. This Dept. had agreed with the Director's view, but a final decision whether these courese should be opened in the college, has not been taken.

Arising out of the main issue of opening the Textile Technolo course in the college, a proposal is pending with Govt. about the opening of a Research section in Textile Technology in the college. The millowners of Coimbatore have promised to meet a good portion of the recurring charges on the maintenance of the Institution by a mutual levy among themselves on a percentage basis on the annual profits. If the opening of Textile Technology is pootpned or dropped, there may not be any chance of getting this endowment.

Accommodation.

The college is now located in the bldgs given for the purpose by Mr. G.D. Naidu. The College can remain in those bldgs. only upto June 48. Mr. G.D. Naidu has since sold the bldgs to one Argus Engg. Co., who now demand a rent for the bldgs. This ~~xxxxx~~ question is being considered separately.

The Govt. have already sanctioned the construction of ~~pem~~ permanent bldgs. for the college in the 100 acres set apart for the purpose in the Agricultual college Estate. The plans and estimates for the work are under preparation and have not yet ben recd. by the Govt. In the meanwhile, the Govt. are considering a proposal to locate the college temporarily in the Burma Evacuees camp in the Forest College Estate until the permanent bldgs for the College are completed. This proposal is being examined in consultation with the C.C.F. (as the Forest College bldg has to be utilised for the conduct of classes for the Engg. College students also) and the A.D.(L.&M.). From a recent report recd. from the A.D. (L & M) it is seen that the camp may not be available for the purpose immediately.

Staff.

The following statement shows the staff sanctioned for the college ~~[illegible]~~ since its opening.

As the staff seemed superfluous, the Director was asked to justify the need for these staff. His reply has just now been recd. and is being examined separately.

Accommodation.

The college is now located in the combined Military hospital bldg at Cocanada. The Industrial Adviser to Govt. has remarked in another connection that the existing accommodation is sufficient for the College and that the college will not suffer if additional accommodation is not provided.

The Director of Public Instruction has submitt a proposal to acquire the Rayal Air Force site with buildings in Vizagapatam for the permanent location of the college. The Expert Committee which had gone into the question, has recommended for the consideration of Government the construction of pucca buildings for the College in Vizagapatam without any reference to the site on which these buildings should be constructed. It is proposed to ask the DPI to revise ~~the~~ the proposals in the light of the proposal to acquire the RAF site with buildings. ~~The Director of Public Instruction has there-~~ fore been requested to place both, his report and the committees report ~~before the latter to consider whether their recommendation needs any modification in the light of the proposal to acquire the Royal Air Force site. The Directors reply is still awaited.~~

Courses. The College is now providing instruction in Civil and Mech. Engineering. The original intention of Government was to open Marine and Aeronautical Engineering courses as well in the College. The ~~G. of I.~~ Govt of India have now advised this Government not to open these courses in any of the Engg. Colleges. It is proposed to get the advice of the Expert Committee in the matter. No final decision has yet been reached on the question.

Engg. College, Anantapur at Guindy.

The College was proposed to be opened with a strength of 100 student At the last moment, the university of Madras refused to give ~~application~~ affiliation to the College but gave permission to admit additional students in the Guindy and Coimbatore Colleges. The Govt. accordingly directed that 50 addl. students in the Guindy, College and 15 addl. students in the Coimbatore College be admitted for the Anantapur Engg. College with the ultim object of transferring these students to Anantapur when the College is eventually opened, there.

In connection with the advertisement, calling for applications for admission to the Engg.Colleges for 1947-48, the Principal Guindy College has noted that 50 and 15 addl. students will be admitted for the Anantapu College in the Guindy and Coimbatore Colleges respectively. The Reg.

The D.P.I.'s reply on these two points has just now been recd. and is being examined separately.

Accommodation

The D.P.I. has recommended~~ed~~ the acquisition of the Dehydration Factory at Anantapur for the permanent location of the College. He has been asked to place this matter before the Expert committee and to forward with his remarks the recommendation of the Committed in the matter. His reply is still awaited.

College of Engg. Guindy

The college has a total strength of 124 students for the first Year class out of which 20 seats are reserved for candidates from outside the Madras Province. The college provides instruction in the following courses.

(1) Civil Engg.
(2) Mech. "
(3) Elec. "
(4) Highway "
(5) Tele-comminication Engg.

The Govt. have apptd. a committee to go into the question of strengthening the Mech.Engg. Dept. of the College. The committee had already submitted its recommendations on the question. The D.P.I.'s remarks have been called for on the committees report. His reply is still awaited.

There is a proposal for the abolition of the L.C.E. course; the remarks of the C.E. and the Director of Industries and Commerce have been called for and are awaited.

Equipment for the Engineering Colleges.

The purchase of equipment necessary for the Engineering Colleges is being sanctioned from time to time. It may be noted in this connection that orders are under issue sanctioning the purchase of equipment costing Rs.5.40 lakhs for the A.H. College of Technology, Coimbatore.

(1) The following ^new^ Courses were opened in Govt Colleges last year.

Govt College, Coimbatore — B.A. (Geography and Mathematics) and B. Com.

(Geography maths files)

Govt Muslim College — B.Sc.

Queen Mary's College — House hold art for the Intermediate.

A College for Muslim women was also opened last year. In all these cases the necessary staff was also sanctioned along with the sanctioning of the ~~[illegible]~~ ^new^ Courses.

From 1947-48 the following new Courses are proposed to be opened in certain Colleges:-

Govt College Kumbakonam :- B.Sc (Chemistry Main)

" " Coimbatore :- Hindi (under Pt III of Intermediate)

Language groups for B.A. in certain Colleges.

In all these cases also ~~it is proposed~~ sanction is being given for the employment of necessary staff. A.

In regard to Engg. Colleges some staff has already been sanctioned. Sanction to purchase equipment, apparatus etc are being given as and when applications are received. The DPI may perhaps be asked to examine the adequacy of the staff employed at present in all the Engg Colleges and submit proposals for addl staff, if necessary, as quickly as possible so that the necessary sanction may be given even before the Colleges reopen. The draft memo put up in the file below has been suitably amended.

Staff: The DPI has submitted proposals for the employment of certain addl staff taking into account the requirements of the academic year 1947-48. The file has been submitted seperately. It is being sent to Finance. A reference to the D.P.I is being issued in respect of a few ~~minor~~ isolated posts.

Accommodation.

The college is now located in the buildings of Sri G. D. Naidu — since sold to the Argus Engg. Company. The ~~building~~ college has to be shifted to another building by June 1948. The Govt have already decided that permanent buildings for the College should be constructed in the Agricultural College estate. The plans and estimates for the buildings are under preparation. In the meanwhile there is a proposal to shift the college to the Burma Evacuee Camp in the Forest College Estate. In this connection the Chief Conservator of Forests and the A.D. (A.H.) have been addressed and their replies are awaited.

Engg. College Vizag at Cocanada

Staff: Please see the Part II note at (C). The file has been submitted seperately with a draft order sanctioning the staff mentioned in the note.

Accommodation.

The College is now located in the Combined Military Hospital Building at Cocanada. The Industrial Adviser to Govt has remarked in another connection that the existing accommodation is sufficient for the College and that the College will not suffer if addl accommodation is not provided.

The question for acquiring the RAF site in Vizagapatam for permanently locating the College is under consideration separately.

Engg. College Anantapur at Guindy

The Govt sanctioned the opening of the Anantapur College last year, but as the University refused to ~~give~~ grant affiliation, arrangements have been made to admit 50 addl students in the Guindy College and 15 in the Coimbatore College, with the ultimate intention of transferring these students to Anantapur College when it is opened. The expert Committee appointed by Govt. has yet to report ~~on the form~~ as to the place ~~on which~~ where the College is to be permanently located. In this connection the DPI has submitted a proposal for the location of the College in the Dehydration factory at Anantapur. He has been asked to place the matter before the Expert Committee.

[illegible]

The DPI had submitted some proposals for addl staff in the College. He has been asked to furnish further information in the matter. His reply is awaited.

obtain fresh sanction for admitting addl students in the Guindy and Coimbatore Colleges. The remarks of the DPI are being obtained separately.

The DPI has submitted a proposal to abolish the L.C.E. course in the Guindy College from 1947-48 as a parallel course is run by the Polytechnics under the Director of Industries and Commerce. The proposal has been referred to the Chief Engr. and the Director of Industries and Commerce for remarks. If the L.C.E. course is abolished sufficient accommodation for admitting addl students will be available in the Engg. College Guindy.

Purchase of Equipment involving large amounts have been sanctioned for the Engg. Colleges. ~~Just now the~~ A proposal to purchase equipment worth Rs 5,40,000 for the A. H. College CBE has ~~just~~ been received. The file has been submitted separately with a draft order sanctioning the purchase.
