Sir,

Sub.- Education - Refugee students -
College & University Education -
Financial Assistance - Application of.

May I take this opportunity to express my grateful thanks for your kindness in having granted me financial aid for the session 1945-46. I am happy to be able to submit that I passed the B.E. examination Part I held by the University of Madras in March 1946 and am now studying for Part II - final year Engineering class.

The financial circumstances of our family have not changed materially since last year. My father who was getting an average monthly income of Rs. 300/- in Burma, is now drawing here a monthly salary of Rs. 110/- only, with which he has to support a family consisting of himself, my mother, my younger brother and my sister. With considerably diminished income and rising prices of essential commodities, this is more than he can manage. Although Burma has now been re-occupied by His Majesty's government, conditions there still remain very unsettled, and the commercial firm where my father was employed prior to evacuation from Burma has not yet been re-opened and he will not therefore be able to get back to Burma for some time yet. As I am now in the final year B.E. class, I beg to request that you will kindly extend me your further financial assistance to enable me to complete the course successfully during 1946-47.

I enclose a statement of my educational expenses for the season 1946-47 certified by the Principal, and should be very grateful indeed if you would kindly sanction me the full amount recommended by the Principal. May I finally add that unless this assistance is granted I have no means which will make it possible for me to prosecute my studies for this final year course.

Thanking you very much,

I beg to remain,
Sir,
your most obedient servant,

Yours faithfully,
B/46.

Forwarded to the Collector of Madras
and recommended.
