Schools - Government - Secondary and Training School for Women Cuddalore -
Abolition of higher forms - Secondary and Training Schools for women,
Calicut and Ellore and Middle school for girls, Palni - Opening for Form IV
Sanctioned.

To

The Hon'ble Minister for Education,
Fort St. George, Madras.

Sir,

Sub: Model School attached to Government Training School
for women - Calicut - Raising it to High School - Order
suspended - Request for reconsideration.

The model school attached to Calicut Government Training School for women was permitted to be raised to High School in 1946. Accordingly first three forms were opened in 1946. With the beginning of the school year 1947 IV form was to be opened.

The Government have now deferred to opening of the IV Form this year and orders to that effect have been issued in January.

It will be very hard if the Government would not open the IV Form this year for the 74 girls who are now studying the III-Form in this school, hoping to continue IV-Form as soon as the school re-opens.

These 74 girls students will have to discontinue their studies, as they would not be able to secure admission in any other schools at Calicut. All the other schools in Calicut are already over-crowded and there is no chance for even a few of these students to get admission in the IV-Form.

We understand the construction of three blocks have been sanctioned and it is also possible to make some temporary arrangements for housing the IV form by putting up temporary shed. Therefore it will be a pity if the question of accommodation is allowed to stand in the way of opening the class in the next school year.

Representation have been already made to you when you visited Calicut. Therefore we request that the order deferring the opening of the IV-Form this year in the above school may be kindly cancelled and orders may be issued to open the IV-Form this year itself.

Yours obediently,

- (1) M. Hanumanth
- (2) A. Raghavam
- (3) M. Narayan

- (4) K. V. S. Narayan
- (5) K. V. S. Narayan
- (6) K. V. S. Narayan
- (7) K. V. S. Narayan

We understand the main difficulty that is pointed out is want of accommodation. We agree on behalf of Calicut public agree to put up three classes of semi permanent type to accommodate the new classes.

Sir,

REF:- Government U.O.No.25894-B.1/47-1 Edn.
dated the 17th April 1947.

I have the honour to state that necessary pro-
posal for the opening of higher form in the Government
Secondary and Training School for Women, Calicut, with
effect from the school year 1947--48 was submitted in my
letter RC.No.5618-K.3/46 dated 27th September 1946, but
Government have in their order No.2375 Education, dated
13th December 1946 deferred the proposal for considera-
tion in connection with the Budget Estimate for 1948--49.
From the Government reference cited above, it is seen
that the proposal was not considered as money could not
be found for additional building, and now that the public
including the M.L.As. and the Headmistress have agreed to
put up these classes, on a semi permanent nature, I con-
sider that there will be no difficulty in accommodating
the new classes. I, therefore, request that Government

According to the Government order
No.1766 Education dated 1.11.1945, the
VIII, VIII and VIII standards of the
Model section attached to the Government
Training school for women, Calicut were
converted into 1st IInd and III rd forms
in 1946 and it was expected that in
subsequent years IVth Vth and VIth forms
would be opened in the school.

Education and Public Health Department,
MADRAS.

Sir,

Sub: Closure of the High School Department of Government
Secondary Training School for women - Cuddalore -
and opening of Forms IV in other schools - Proposals
submitted.

I have the honour to state that the strength in the High School classes of the Government Secondary and Training School for women, Cuddalore, was quite unsatisfactory in the recent years. In 1945-46 the strength in the three classes together (Forms IV, V and VI) was 35 and in 1946-47 it was only 43. I therefore recommend that the High School Forms in the school may be abolished with effect from the school year 1947-48. Proposal for converting the existing Training School into a basic training school are being submitted separately.

2) With the abolition of the three High School forms, there will immediately be a saving of 3 posts of L.T. assistants in the school. I propose that these posts may be utilized elsewhere as below.

3) In connection with my proposals under Part II schemes, for
47 -48 among others, I submitted to Government for consideration, the
the opening of Form IV in the following schools

- | | | | |
|------|------------|--------------------------------------|----------|
| i) | Government | Secondary Training School For Women, | Calicut. |
| ii) | " | " | Ellore. |
| iii) | Government | Middle School for Girls,..... | Palni. |

3 In G.O. No. 2375, Edn. dated 13.12.46, Government deferred these schemes for consideration in connection with Part II scheme for 1948-49 with reference to a separate G.O. reference received from Government. I have again submitted proposals for the opening of Form IV in the school at Calicut with effect from 1947-48. I now recommend that provision may be given to open Form IV in Government Secondary and Training School for women, Ellore and Government middle school for Girls, Palni in 1947-48. The three posts of L.T. assistants abolished in the school at Cuddalore may be made use of in the three schools. The additional cost will be only on the purchase of equipment books etc. which may not be more than Rs. 1000/- per school in 1947-48.

4 If the above proposal is acceptable to Government, I shall submit later on full details regarding the transfer of the existing M.E.S. post in the Government Secondary and Training School for women, Cuddalore, elsewhere and the other posts that can be abolished in Cuddalore.

THE MEMORIAL PRESENTED
TO
THE HON'BLE THE MINISTER FOR LOCAL ADMINISTRATION

BY

THE PARENTS OF GIRLS STUDENTS, *+ the Public*
IN THE HIGHER FORMS IN THE GOVERNMENT SECONDARY & TRAINING
SCHOOL, TIRUPAPULIYUR

and the Public of Cuddalore N.T. -- Tirupapuliyur.

SHOETH:

1. That the parents of the Girls now in the Higher Forms IV, V and VI learn with dismay the proposed abolition of the High School Classes in the said High School, with effect from the School year 1947-48. The order, it is learnt, has been communicated to the school only on 15-6-1947.

2. That the abolition works out a great hardship and inconvenience to the public and it is submitted, is detrimental to THE FEMALE EDUCATION.

3. That the Government Secondary and Training School for Women, Tirupapuliyur has been in existence for over thirty years forming one of the oldest institutions with reputation. It has been catering to the needs of the public of this locality.

4. On account of the Permission to open High School classes in St. Ann's Convent School the strength of the school for some time has not been encouraging. Now it is improving. The results at the Public Examination (S.S.L.C.) are uniformly good and this year eight out of nine have passed the S.S.L.C. Examination and now the parents are realising the importance of higher education and in the long run the strength will considerably improve.

5. That the study between form IV and VI is a composite course and continuous. The course cannot be interrupted in the middle. Prior to the proposal of the abolition objections and opinions of the parents and guardians of the pupils have not been invited. In any event the Girls in Forms V and VI have to be enabled to complete the course having already undertaken a part of it. The order is ~~not~~ also not legally sustainable.

6. Sufficient notice has not been given to the parents to make other suitable arrangements for further education of the girls in the middle of the course. The School has already been reopened after summer recess, the girls have joined the classes. The order of abolition at this stage after the classes have been formed is a bolt from the blue.

7. There is a Sister Institution for Girls in St. Ann's High School, Cuddalore. The medium of instruction in that School is English. Whereas in the Government Girls' Secondary and Training School, Tirupapuliyur the medium is Tamil. Students who have not been used to instruction in English will be unable to follow the instruction in the St. Ann's School, Cuddalore. Further the S.S.L.C. Examination is in Tamil Medium only.

8. Coupled with this difficulty there is also the distance to be covered by girls having residence in ~~the~~ Tirupapuliyur.

9. That the Memorialists therefore pray that the Hon'ble Minister will be pleased to

(a) Convey their grievances to the Hon'ble Minister for Education;

(b) to consider forthwith the order of approval granted to the proposal of the Director of Public Instruction to abolish High School Classes in the Government Secondary & Training School for women, Tirupapuliyur; and

n.O.

Dear Sir,

I understand that Government have passed orders abolishing the Government Girls High School at Tirupapuliyur.

57328

In this connection I have to state that the order of Government are so sudden. Further by abolishing this school which has been in existence for some decades, Government will be depriving the girls of the locality of educational facilities which I am sure is far from the intention of the Government.

If the decision of Government was necessitated by the fall in strength, I feel it is but fair that the parents and other residents of the locality should be given some time to co-operate in improving the strength of the school before action is taken.

Under the above said circumstances, I request you to defer giving effect to the Government Order and to give at least one year time for the strength to improve. If by that time the strength does not improve it is certainly open to Government to pass orders on the matter without further consideration.

Yours sincerely,

To Hon'ble Sri. T.S. Avinasalingham,
Minister for Education,
Government of Madras.

There is a representation from 8 on the
M.L.As from the Malabar Dt. ^{the request} is to open 4th room
in the model school attached to the Training school
for women and finally raise it to a High School. When
I was in Calicut I visited the school. The Headmistress
is a very enthusiastic and efficient lady taking a
lot of interest in the school and the school is
efficiently conducted and there is a need for a
women's High School in that locality. It mostly
serves the poor people and as such it must be
encouraged. The Govt. seems to have promised to raise
it as a High School but later as money could not be
sanctioned ^{for the necessary building} that proposal could not be put through.
The people including the M.L.As and the Headmistress
have agreed to put up three classes with a semi-per-
manent nature so that the 4th room could be started
even next year. Now that the local people have
come forward to put up the building, we should not
have any further objection to opening the 4th room.
Further steps may be taken in this direction.

Please see the minutes of H.M.(Education) on page 1 ante and the letters from the Director of Public Instruction on pages 7-9 c.f.

2. In 1946, the Director submitted proposals in connection with the Part II Schemes for 1947-48 for the opening of higher forms in the Government Secondary and Training School for Women, Calicut and Ellore, and Government Middle School for girls, Palni. But they were deferred on financial grounds for consideration in connection with the budget for 1948-49. The Director now reports that the strength in the Government Secondary and Training School for Women, Cuddalore, was quite unsatisfactory, the strength in the IV, V and VI Forms in 1945-46 and 1946-47 being 35 and 43 respectively. He therefore recommends that the high school forms in the school may be abolished from the school year 1947-48, that Form IV may be opened in the three schools at Calicut, Ellore and Palni and that the three L.T. Assistants available on the abolition of the higher forms in the school at Cuddalore may be employed in the three schools.

3. The local M.L.As. and the Mistress of the Government Secondary and Training School for Women, Calicut, have agreed to put up three classes of a semi-permanent nature for the location of the Form IV in the school. It is reported that there is sufficient accommodation for the location for Form IV in the existing buildings of the Government Secondary and Training School for Women, Ellore, and Government Middle School for girls, Palni, and that additional accommodation in the subsequent years can be secured by renting private buildings. The extra cost involved in the proposal is Rs.3,000/- per annum (1,000 for each school) in regard to the purchase of equipment, books and etc.

If Forms V and VI are to be opened in 1948-9 and 1949-50, the extra cost will be as follows: Cost for 1947-48 will be as follows

	Ultimate cost. Rs.	Cost in 1947-48 Rs.
Recurring (Staff and contingencies).	20,400	
Non-recurring (furniture and library books).	9,000	3,000.

The ultimate cost (20,400) has been calculated on the basis of one School Assistant, one Secondary Grade Teacher and one Peon for each school.

If the cost in regard to the School Assistant to be employed in 1947-8 is not taken into account, it comes to Rs.13,600/-. In his letter on page 54 c.f. in regard to Government Secondary and Training School for Women, Calicut, the Director has calculated the ultimate cost on the basis of 6 School Assistants, one Secondary Grade Teacher, one Pandit and one Peon, presumably because two sections in Form IV in 1947-8 as the existing strength in the III Form justifies their opening. But it will be observed from the Director's letter on page 9 c.f. that he now proposes to open only one section in Form IV in 1947-8 in the school.

4. The Director also reports that after the proposal is approved by Government, he will submit full details regarding the transfer of the existing M.E.S. post in the Government Secondary and Training School for women, Cuddalore and the other posts which can be abolished in the school. In the circumstances it is for orders whether the Director's proposal may be accepted.

5. The remarks of Finance may be invited U.O. prior to circulation.

Finance (B.III).

The proposal relates to the opening of form IV in the Govt. Secondary and Training School for women, Calicut and Ellore and in Govt. Middle school for girls, Palni. The proposal was submitted by the D.P.I for consideration as a Part II scheme for 1947-8 but it was deferred on financial grounds for consideration in connection with the Part II scheme for 1948-9.

The D.P.I has now renewed his proposal in regard to the opening of Form IV in the 3 schools. In this connection the D.P.I says that the strength of the High School classes of the Govt. Secondary and Training School for women, Cuddalore was not satisfactory in the recent years and that those classes may be abolished from the school year in 1947-8. He has further stated that the 3 school Assistant thus available from these schools may be utilised for

the 3 schools proposed in this file in connection with the opening of Form IV. This by itself cannot be taken as a reason for opening of Form IV in the 3 Schools but it has been stated that there is a real demand for the opening of IV Form in the Girl School at Calicut and that necessary accommodation can be secured in the school. For a similar reason the proposal is made by E.P.H at the instance of the D.P.I. to open Form IV in the other two schools. E.P.H propose to agree with the proposal of the D.P.I for the opening of Form IV in the 3 schools in the current year. In working out the cost E.P.H have considered that in the usual manner Forms V and VI will be opened in subsequent years in each of the ~~schools~~ schools and have proposed an additional school Assistant on the opening of each of the forms V and VI also. A staff of one secondary grade teacher and a peon in each of the schools is also proposed. The staff proposed follow the usual scale of staff and may be agreed to.

2. The ultimate cost of the proposal will be Rs 24,300 per annum recurring and Rs 9,000 non-recurring. The non-recurring cost of Rs 9,000 is based on Rs 1000 proposed for the opening of Form IV alone in 1947-8 in each of the schools. It has been presumed that ~~no further~~ ^{the non-recurring same} expenditure will be needed in subsequent years on the opening of higher forms. ~~V & VI also.~~

The proposal should in the ordinary course be treated as a Part II scheme for 1948-9. As it is considered urgent, orders will have to be taken in circulation including H.M. Finance for introducing the scheme in the current year.

As the extra cost involved is also over Rs 20,000 p.a. recurring the proposal should be treated as a 'New Service' and should be referred to the Standing Finance Committee and the Cabinet. The procedure

indicating indicated in para 3 of the estimate of expenditure in the scheme requires in 1947-8 should also be followed.
