BOOKS AND PUBLICATIONS - Supply to countries outside the British Empire - Resumption.

Ref: From the Superintendent Government Press, No. P.C. 1513-46-1 dated 31-3-47.

Please see the letter from the S.G.P. requesting the orders of Government for the resumption of the supply of Government publications to addresses outside India and British Empire to whom the supply was withheld during the period of war.

2. In G.O.No. 23 Public (General) dated 5-1-46 while agreeing to the printing of Administration Reports from the year 1944-45 onwards, including Part II of the Presidency Administration report, it was decided that the distribution lists should be reduced to the absolute minimum in view of the unsatisfactory paper position. The paper position has not yet improved. But the free supply of publications to Institutions outside India was with reference to the criterion laid down in para 1(d) (ii) in G.O.No. 270 Public (General) dated 25-3-1933, viz., to secure the necessary publicity for this Government beyond the limits of this Presidency. In this view it is for orders whether in spite of the paper position the supply of Government Publications to Institutions outside India may be resumed. Public (General) may see for remarks.
