Wardha scheme of education.

* 546-C Q.—SRI S. NAGAPPA: Will the Hon. the Minister for Education be pleased to state—

(a) whether the Government propose to introduce the Wardha scheme of education in this Province; and

(b) if so, what the proposals are?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“(a) It is presumed that the hon. Member means by the Wardha scheme of education the basic system of education. If that is so, the answer is yes.

“(b) Two training schools have been opened, one in the Tamilnad and the other in Andhra, to train teachers in the basic system of education. Trained teachers have been sent to Wardha for training and when they come back, it is expected the Government will be able to start three more training schools in the coming school years.”

SRI S. NAGAPPA:—“May I know what the salary, other conditions of service and privileges will be of these teachers when they come and take up this work.”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“Their salary will be the same grade as the one the Government have fixed for other teachers.”

SRI S. NAGAPPA:—“May I tell the Hon. Minister that the present teachers are dissatisfied with their present scales of pay and may I ask him whether these teachers also will not be dissatisfied when they are brought in?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“Government are receiving representation from teachers in this behalf. But there is no reason to say that these teachers should be treated differently from others. When the question of raising the status and scales of pay of the others are considered, this question also will be considered.”

SRI S. NAGAPPA:—“May I ask how you can expect to get teachers for this scheme when the present teachers are dissatisfied with their pay and when others are not coming forward?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“I suggest to the hon. Member to wait for three months and see whether more teachers are not forthcoming.”

MOHAMED ABDUL SALAM SAHIB BAHADUR:—“May I know if the Hon. Minister will be able to say what he means by ‘Wardha scheme’?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“It is too big a question to be answered by way of reply to a supplementary question. I suggest a separate question being put.”

MOHAMED ABDUL SALAM SAHIB BAHADUR:—“Is not the Wardha scheme a part of the political propaganda carried out by the Congress in the past before they came into power?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“That is the opinion of ignorant people. It is a scheme which has been accepted by the Basic Education Committee of the Government of India which does not consist of Congress men at all.”

SRI A. VEDARATNAM PILLAI:—“Are there any basic schools at present which are recognized by Government?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“Yes, Sir. I understand orders have been issued by Government recognizing basic schools when they are conducted on certain lines. But I am not able to give information as to the number of such schools that exist to-day.”

SRI A. KALESWARA RAO:—“May I know whether it is not a fact that the basic education scheme is a great improvement upon the present system of elementary and secondary education inasmuch as some arts and crafts are also taught to the students so that they may live a self-respecting life?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“That is the considered opinion of prominent educationists.”
