SPARE COPIES

In the above G.O., Government have approved of my proposal to revert to the usual two years course for the Secondary Grade Training from 1947-48 and abolished the Emergency Training course of one year. In connection with the admission to the Emergency Course of training Government have in their order No.Ms. 1018 Edn., dated 21-5-48 ordered that candidates who are ineligible for the University courses of study but who are eligible for admission to the examinations held by the Madras Public Service Commission for selection of eligible candidates for clerical posts might be admitted to the course. Similarly in the case of women candidates and candidates in Backward Districts and those belonging to the Muslim Community and the Scheduled classes Government have ordered that such of the candidates who have ~~failed~~ failed in the S.S.L.C. in only one subject other than the regional language or English by not more than 5 marks, be also admitted to the Secondary Training Course - vide G.O.No. Ms.1132 Edn., dated 7-6-1946. I request you to let me know whether the concessions contemplated in the two G.Os. quoted above may be made applicable in the selection of candidates for the usual course of 2 years.

Early orders of Government are solicited in view of the fact that these qualifications will have to be included in the Gazette Notification to be published shortly.
