Sub: Madras Educational Service - Mrs. G. Sankunni,
Inspectress of Girls' Schools - Placing before
medical Appeal Board.

With reference to Government Memorandum No.5154-A-1
Education dated 6-9-1946 I have the honour to submit herewith
a copy of letter dated 14-9-46 from Mrs. G. Sankunni, Inspectress
of Girls' Schools (on leave) applying for an extension of
leave for four months.

The medical certificate in original is also
submitted.

I recommend that the extension of leave applied
for may be sanctioned.

Copy of letter referred to above.

With reference to the above I have the honour to invite
attention to the fact that the three months' leave granted to me
was based on Dr. Miss Hardy's report on my anaemic condition
consequent on a second bout of haemorrhage. In order to end this
bleeding once for all, I was advised to take deep X Ray treatment.

The above treatment I underwent at Dr. P. Rama Rao's
Radiology Institute in July. Doctors now advise me to wait till
my system has adjusted itself to the change brought about by this
treatment, viz. menopause. In another 4 months I'm told, I shall
be quite fit and strong, and my B.P.normal. I have absolutely no
general complaint now, as the Director and the Deputy Director
(Personnel) have personally observed.

I therefore request the Director to recommend me another
4 months leave. In view of the arduous service rendered for
20 years I hope I shall be allowed this. If no other leave is
at my credit, I may be granted extraordinary leave on loss of pay.

Certificates from Major F.A.B. Sheppard who thoroughly
examined me and from the Radiologist are submitted herewith.

She is at present on leave which expires on

that date. I recommend that she be granted an

Ref. Proceedings R.C.No.4038 C 2/46 dated 12-10-46
of the Director and Memorandum No.51454-A-2
dated 5-10-46 of the Government Education and
Public Health Department dated 5-10-46
Formation of appeal Medical Board - requesting.

With reference to the above I have the honour to
submit that on 14-9-46 I had submitted to Government a Medical
Certificate from Major F.A.B. Sheppard recommending me an
extension of leave. Major Sheppard found me fit in all
other respects except that my blood pressure was not normal.
It was said that my system has got to adjust itself a little
more consequent on the brining on of artificial menopause
with X-Ray.

2. The enclosed certificate from Dr. K. Narayana Murthi M.D.
says 'except for her high blood pressure she is fit to rejoin
duty', I do not suffer from any symptoms and I do a good bit
of reading every day. Nothing but rehabilitation can help a
patient to get over the shock of sudden and unexpected invali-
dation. As it is, I shall no more have any bleeding and my
B.P. will gradually come down to normal, with the joy of work.

3. Mine is a sad story. The first Medical Board of
August '45 recommended me 4 months' leave although my doctor, Dr.
T. Satakopan suggested only 2 months of rest in his usual
report form. The Board said I 'needed that much of rest to
work for another 5 years'.

4. Till October '45 I stayed at the 'Old College' quarters
and was well enough to attend social and educational functions
in the city. Then suddenly I took ill and on 31-10-45 I was
admitted to the General Hospital. In a fortnight I was well
again and discharged from there. On the same day, 14-11-45

I was sent to the maternity Hospital just for investigation to find out whether the bleeding was due to Cancer or Fibroids or anything violent like that. On 26-11-45 I stood a D and C under chloroform for the purpose, and was relieved to know that the report from the Pathology Department of the General Hospital on my uterine endometrium stated that I was only passing through the menopause stage.

5. During all this while I was having the usual high protein food with eggs, meat, tea, coffee etc. without the dieting I observed at home. So my B.P. must have risen. Further, my right leg and right hand suffered from Paresis and as there is no treatment for it under the allopathic system, the Board which examined me on 5-12-45 must have thought that I shall never recover.

6. On 5-12-45 i.e. in less than 5 weeks of my admission to the hospitals, I heard in the Maternity Hospital itself that I was invalided and the shock was terrible indeed. This has kept down the progress in health I would have otherwise made. Now I have got over all this. The Director knows that I can walk and I can write, thanks to the prolonged Ayurvedic treatment I had in Malabar at enormous expense - (vide my appeal petition of February 1946 from Chittoor - Cochin). If only the Board had given me 4 or 6 months or a year of medical leave to which I am entitled, without putting an end to my career so abruptly, so unexpectedly, and so tragically I would have recovered long ago.

7. I therefore pray that Government may be requested to constitute an appeal medical Board to re-examine me. The amount required is enclosed.

Sir,

Subject:- Medical Appeal Board - Fees paid under
G. O. No. 802, dated 26th March 1945. - Refund re-
questing.

Under Government Memorandum No. 51454 -A-2 dated
5th October 1946, the Director of Public Instruction was
requested by Government to ask me to submit to Government
at-once the appeal for re-examination by a Medical Appeal
Board.

I preferred the appeal and appeared before the
Surgeon-General's Board on 12--12--1947 and the subsequent
Board on 5--3--1947. The Surgeon-General told me that I
had made "a wonderful recovery" and ^{few days} ~~some time~~ after the next
Board met, on 15--3--1947 I was reinstated.

A fee of Rs.32/- was paid by me along with my appeal
petition on 28th October 1946. I heard from the Director's
office that it was remitted and the usual chalan sent up. As
per para (7) of G. O. No. 802 dated 26th March 1945, the fee
is refundable to the appellant if Government pass favourable
orders. I therefore request that the said sum of Rs.32/- may
kindly be refunded to me.

From the D.P.I., Re. No. 4038-C2/46, dated 17-9-46.

M.E.S. --- Mrs. G. Sankunni, Inspectress of Girls
Schools --- Placing before Medl. Appeal Bd. and leave

Mrs. G. Sankunni, Inspectress of Girls'

Schools, was first granted L.A.P. on medl. certificate for
4 months from 8-8-1945. The Medl. Board before which she
appeared just before the expiry of that leave, to obtain
a certificate of fitness, invalidated her from service. The
Inspectress desired to appeal against the Medl. Bd.'s decision.
Immediately, however, she applied for an extension of leave
until 17-6-1946. This extension of leave was granted, as a
special case, in consultation with the S.G. Later, she was
also granted a further extension of leave up to 17-9-46 -
before the expiry of wh. extended leave, it was directed
that she shd. produce (with of course the desired appeal)
a medical certificate from a doctor not below the rank of a
Civil Surgeon in support of the appeal wh. she desired to make

2. Mrs. Sankunni has now asked for yet
another extension of leave for 4 months, enclosing medl. certi-
ficates to the effect that she might be granted this exten-
sion. She has not produced the prescribed certificate for
deciding, in consultation with the S.G., whether there is a
prima facie good ground for an appeal. Apparently, she has
no objn. to appearing before a Medl. Appeal Bd. and also to
producing now the prescribed certificate; for, she states in
her letter that she has absolutely no general complaint now
and that she is told that in 4 months' time she wd. be quite
fit and strong. However, it is desirable to have the matter
cleared up by a specific refce. to her. The draft below
is for consideration.

Attention is invited to
the S.G.'s letter at p. 10 of
G.O. No. 1587 Edn. dt. 16.8.46. She
may now be required to
produce the necessary cer-
tificate for appeal to the
Board before the question
of

of further extension of leave
is considered.

Draft below is made.

The S.G. considers that a reasonably good case has been
made out to justify the re-exam. of Mrs. Sankunni by a Medl. Appeal
Board. The re-exam. may therefore be sanctd. now. A draft Memo.

W. S. Sankunni

(Memo. No. 51454-A-6, dated 16-1-47.)

From Mrs. G. Sankunni, dated 21-1-47.

The Medl. Board which examd. Mrs. G. Sankunni,
Inspectress of Girls' Schools, on 5-12-45, invalidated her from
service. The Medl. Appeal Bd. that met on 12-12-46 recommended
that she shd. be considered to have been on medl. leave from
5-12-45 to 12-12-46 and also that she shd. be granted an exten-
sion of leave for 3 months from 13-12-46; the qn. of her fitness
for service is under correspondence with the S.G.

Mrs. Sankunni had previously been granted
medl. leave on average pay for 4 months from 8-8-45. She had
also been granted extension of leave on half-pay without medl.
certificate from 2-12-45 to 18-9-46. She now requests that, as
her financial condition is not good, she may be granted a fur-
ther extension of leave of any kind for which she is eligible.

The audit officer's certificate w.r.t. the
Appeal Board's recommendation is to the effect that the leave
from 8-12-45 may be modified into medl. leave on average pay
for 4 months and that the officer be granted leave from 13-12-46
on half-pay from 8-4-46 up to 12-3-47. It seems unnecessary
to grant now ave. pay leave for 4 months, in addn. to the 4
months' leave of that kind given from 8-8-45. Under F.R. 51(b)
(11), the max. amt. of leave on ave. pay wh. may be granted is
only 4 months, and if it shd. be raised to 8 months on medl.
certificate, an undertaking as reqd. in note 3 under that rule
has to be obtd. Mrs. Sankunni has not given that undertaking
and it cannot be said now whether she will continue in service
or will retire after the Medl. Board finally decides her appeal
against invalidation. Therefore, the L.H.P. without medical

60

certificate from 8-12-45 up to 18-9-46 may be converted into
L.P. on medical certificate and she may be granted a further
extension of leave of the same nature up to 12-3-47. The draft
of conversion of first 4 months' L.P. into L.A.P. may be taken up later
subject to orders, provides for this. May be circd.

From 8.1

H.M. (Edn.)

(The officer may, if necy., be directed to appear
before the Medl. Appeal Bd. on the expiry of the leave. After the
S.G.'s reply to C.F. 24 is recd.)

The S.G. states that Mrs. Sankaran's appeal
against invalidation from service was allowed by the
Medical Appeal Board and that, before the expiry of
extension of leave recommended by the Appeal
Board, she may be examined by an ordinary
Medical Board to decide her fitness to return to
duty. A copy of his letter may be sent to the
D.O. for necessary action and the Dir. may also be
asked to obtain from Mrs. Sankaran the undertaking
prescribed in Note 3 under A.R. 81(6)(ii) & forward
it, so that the leave on half pay granted her
from 8.12.45 to 7.4.46 may be converted into
normal leave on average pay. A draft Memo. is
sent. May be circd. on it above.
