Push supply a Saljath 3/2 Section B may accept order

In this office D.Dis. 17638/46 dated 31-5-1946, instructions were issued to all Municipal Commissioners that as they are primarily responsible for the safe keeping of measurement books under Article 324 of the Municipal Account Code, the procedure followed in the Public Works Department for the maintenance safe-custody and transmission of these books may be followed by them also. In the Public Works Department, whenever measurement books pass from one person to another or between section they are accompanied by measurement book slips (Form P.W.D.V-31) for recording the acknowledgement of the receipt of these books by the parties concerned. In his letter No.D-2-9628/46 dated 10-12-46 (copy enclosed) the Municipal Commissioner, Negapatam reports that the Superintendent Government Press, Madras has refused to supply him with these forms, P.W.D. V-31, as they are not for sale to local bodies. I request that the Government may be pleased to include this form (P.W.D-V-31) in the list of forms for sale to local bodies.
