CONFIDENTIAL.

Educational Department.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

The Secretary to Government,
Education and Public Health Department.

Cl1 No. 20 C 1/47 dated 15-4-1947.

Sir,

Sub: Madras Educational Service - Recruitment - Method of recruitment - Vacancies in the Superior grade of the service - Not to be taken into account for purposes of estimate of vacancies. *Orders Sliced.*

I have the honour to bring to the notice of Government the difficulties and complications that arise and are bound to arise in future, if the substantive vacancies arising in the posts of Deputy Directors and Divisional Inspectors and Principals of certain colleges, are taken into account in the estimates of vacancies and for determining "Method of Recruitment" for the resultant vacancies.

2. As a case in point, I may state that a vacancy in the post of Deputy Director of Public Instruction was expected to occur on the retirement of Khan Bahadur Moulvi Muhammad Sahib Bahadur. At the time this vacancy was included in the estimate, it was taken that the resultant vacancy would occur in the Administrative section of the Madras Educational Service and accordingly the method of recruitment was determined in the ratio of 1:3 as between Direct recruitment and Recruitment by Transfer. However, in accordance with my recommendation in my U.O. No. 38/45-3 dated 25-2-47 if Sri T. Suryanarayana were to be confirmed as Deputy Director of Public Instruction (Personnel), the resultant vacancy will actually occur in the Mathematics Unit of the Collegiate Section of the Madras Educational Service instead of in the Administrative Section as originally estimated.

3. Similarly, in the Collegiate Section whenever a Principal of a Second grade college is due to retire, the resultant vacancy taken for purposes of the estimate of vacancies as one arising in the subject-unit in which the retiring Principal happens to be a Lecturer, and accordingly the method of recruitment is determined in reference to the particular subject-unit. However, later on, it may happen that a person belonging to a different subject-unit may get confirmed as Principal of the Second Grade college, thus giving rise to complications in regard to confirmation in the other subject-unit in which the method of recruitment was originally determined the former Principal retired. I may submit that it is not always possible to confirm as Second grade college Principal a Lecturer whose subject is the same as that of the retired Principal. Similar difficulties are likely to arise in the cases of Principals of Presidency College, Madras, and Teachers' College, Saidapet, even though the Principals of these two colleges happen to be a Professor or Lecturer in a specified subject.

4. To avoid difficulties of the kind enumerated above, I submit that in future, substantive vacancies that arise in the superior grade of the Madras Educational Service, recruitment to which is normally by promotion from the ordinary grade of the Madras Educational Service and in the posts of Principals of second grade colleges, may not be taken into account for purposes of estimate of vacancies and for determining method of recruitment. In the cases the resultant vacancy alone may be taken into account for above purposes, as and when they actually arise, i.e., after the vacancies in the superior grade of the Madras Educational Service and second grade Principalships are filled substantively from the

ordinary grade of the Madras Educational Service and after it is definitely known in what post and in what subject-unit the vacancy has actually arisen.

5. I solicit the orders of Government.

for Director of Public Instruction.

R.C.15/4.

From: The Asst. Secy., E & PH (A)
To: The Dy. S.R.

Ref: - S.R.'s letter Cl. No. 2001/47, dt. 15.4.47

Please say whether the proposal in the letter cited need not apply to the posts of Principals of the Queen Mary's College & the L.W.T. College for women

in

Office of the
Director of Public Instruction,
Madras.

Post copy of telephonic message dated the 9th May 1947.

The Director of Public Instruction,
Madras.

To

The Assistant Secretary to Government,
Education and Public Health Department:

REF: - Your telephonic message by post dated the 6th May 1947 re: method of recruitment to vacancies in the Superior Grade of the Madras Educational Service:

In view of the fact that the Principals of the Queen Mary's College and Lady Willingdon Training College, Madras, are independent posts it will be difficult to determine ahead in what subject-unit the resultant vacancy will occur when a permanent Principal of any of these colleges retires. Hence the proposal in the Director's letter Cl.No.20/47 dated the 15th April 1947 may be made to apply to the posts of Principals of the Queen Mary's College and the Lady Willingdon Training College also.

KAN.12/5

for Director of Public Instruction.
