Office of the
Director of Public Instruction,

From

Dr.S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: Basic Training School, Vinayasramam - Certain particulars
with regard to the pay, T. A etc of trainees.
REF: G.O.No.Ms. 2335- Edn., dated 6th December; 1946.

I have the honour to invite your attention to the G.O.
quoted above in which it has been ordered that the pay and allowances
of the teachers deputed for training by the local bodies may be dis-
bursed to them by the local bodies concerned during the period of
their training. But the local bodies have not been informed whether
they will be subsidised for the additional expenditure that will be
involved on account of the salary etc. of the teachers deputed and
of the substitute appointed in their stead. It is presumed that the
concession given in G.O. No. Ms.1939 Edn., dated 10th October 1946
to the local bodies in the Coimbatore District towards the cost etc.
of teachers deputed to the Basic Training School, Perianaickonpalayam
will be extended to the local bodies in the Telugu Area also who have
deputed teachers for training in the Basic Training School, Vinayasramam.
I solicit the orders of Government in the matter. In this connection,
a copy of the letter of the Special Officer, District Board, West
Godavari, Ellore, Rec.No.00-22601/46 dated 9-12-1946 is enclosed for
favour of kind perusal.

2.The candidates for the Basic Training School, Vinayasramam,
have been selected from firkas selected for rural reconstruction work
in each of the districts in the Telugu area and as such, while joining
the school they have to incur expenditure on trainfare, freight for
transporting their personal things etc. Kindly let me know whether
they will be paid T.A. etc. for joining the school from their head-
quarters and for their journey back after completing the course.

If this is permissible the District Educational Officer,
Guntur (South) may be allowed to draw and disburse the amounts to
the teachers concerned.

3.In the G.O. quoted above the staff for the training school
was sanctioned for one year while in the estimates furnished by me in
my letter Rec.No.4197-B1/46 dated 20-11-46, the duration of the course
was taken for 7 months. In the recent conference held on Basic Edu-
cation it was decided that the course should be for one year. I
request that orders may be issued early stating definitely that the
course is for one year so that the students may prepare themselves for
it.

Order. 124. Dated 27.1.47.

The Government have sanctioned the opening of a Basic Training School at Vinayastaram in Guntoor Dist. The selection of teachers for training in the Basic Training School has been made from the ^{files} ~~Circulars~~ chosen for rural reconstruction work in the Andhra Dist. Local bodies in the Telugu ^{area} are informed, that a subsidy will be paid from provincial funds towards

Sub: Basic Training School at Vmayasaram. - Training of teachers.

The D.P. 9 raises the question, whether local bodies, who depute teachers for Training in the Basic Training School at Vmayasaram ~~will~~ be given subsidies from the provincial funds towards the cost of deputation on the analogy of the orders in G.O. no. 1939 ~~Edis~~ D/10.10.46. It appears that the enquiry of the D.P. 9 should be answered in the affirmative. In the case of the Combalore School the Government have agreed the sanction of subsidies to cover ~~the~~ salaries and allowances paid to the teachers deputed. The expenditure on account of the T.A. ~~in~~ should be met by the local bodies from their own funds.

It is for orders, whether ~~or~~ similar instructions ~~should~~ ^{may} be issued in the case of ~~the~~ teachers deputed for training in the Vmayasaram School.
