No.353-A/47-1, dated 27th March 1947.

Sir,

Sub:- Public Services - Revised scales of pay and allowances -
Drawal of house allowance for the employees in the Madras
Record Office, Chittoor.

Ref:- G.O.No. 78, Finance, dated 6th February 1947.

In paragraph 1 of G.O.No. 78, Finance, dated 6th February 1947 the Government have ordered that the existing Presidency Allowance in the Madras City shall cease to be in force with effect from 1st January 1947 and that a temporary house allowance shall take its place. The house allowance, however, will be admissible only in Municipal towns having a population of 50,000 and above. The effect of these orders in respect of this office is briefly set forth below.

2. As the Government are aware, the important records of this office were removed from Madras to the interior in 1942 and since then the main office has been functioning at Chittoor with three branch offices, one at Madras, one at Palmaner and the other at Chittoor itself. This distribution of records in three different places naturally necessitated the distribution of the staff of this office, as well, in those places. This arrangement of course is purely temporary. When the records are finally transferred back to Madras it will not be necessary to retain any member of the staff outside the presidency town. Under G.O.No. Ms. 173, Finance, dated 11th September 1942 such of the attenders and peons who were drawing a presidency allowance of Rs.2/8/- before the records were transferred to the mufassal have been allowed to draw that allowance till now. But, now that the Presidency Allowance is abolished altogether, the attenders and

peons

peons at Chittoor and Palmaner will not be entitled to the Presidency Allowance. Under the instructions contained in paragraph 7 of G.O. No. 78, Finance, dated 7th February 1947 they will however be protected against any diminution in their emoluments and therefore will draw the difference between their pre-revision pay plus presidency allowance and the revised pay, as personal compensatory allowances, but in course of time these personal compensatory allowances will be absorbed in their future increments and then they will cease to receive any benefit by the concession now enjoyed by them. Nor will they be entitled to the new House Allowance, inasmuch as neither Chittoor nor Palmaner has a population of 50,000. At the same time, the attenders and peons at the Madras branch of this office will be entitled to a House Allowance of Rs.5/- in lieu of the existing Presidency Allowance of Rs.2/8/-. This is bound to create discontent among the attenders and peons at Chittoor and Palmaner seeing that while their companions at Madras get an increased allowance, they are shortly to be deprived of even what they are now getting. Considering that the records are sure to be shifted back to Madras sooner or later, it seems to be unnecessary especially in these days of high prices to deprive them of the allowance which they have hitherto derived, or to make a difference between the allowance drawn by them and the allowance drawn by the attenders and peons in the Madras branch of the office.

3. I, therefore, request that the Government may be pleased to permit the attenders and peons at Chittoor and Palmaner who now draw a Presidency allowance of Rs.2/8/- under G.O.No.173, Finance, dated 11th September 1942, to draw a house allowance of Rs.5/- so long as the records remain at Chittoor and Palmaner.

[initials] 16/4/47 With reference to *[initials]* above it is not clear whether the M.R.O. will continue to function at Chittoor for a long period. If the period is short, the question of allowing them House Allowance may as well be deferred. E & PH may be requested to clarify the position, before the proposal is agreed to in this department.

The attendants and pious will get the advantage of the new scales of pay & of the provision for advanced increments. Living must be cheaper in Chittoor & Palmaner. It is not likely that they will lose more than ~~one~~ ^{many} increment through the abolition of Presidency Allowance. E & PH may obtain a statement from the Curator of his staff showing pay of each on 31-12-46, length of service, and pay on the new scales, so that it be seen whether hardship is involved. There is no justification for allowing the full M.R.A. E & PH may also say whether there is likelihood of a move of the office to Madras in the near future.

With reference to D.S.'s remarks on page 4 attention is solicited to the statement of particulars furnished by the Curator on pp 7-8 CF. and E.D. & P. H. note on pp. 4-5 above. In the circumstances ~~recommended~~, it is for consideration whether this Deptt may suggest that as the staff is now stationed at Chittoor and Palamaner (which are not even included in the list of Municipalities with a population of 50,000) the case for allowing them a house allowance of Rs 5- City rate is not strong and may be negatived.
