My dear Viswanatha Ayyar,

Sub: Employment of an Accountant in the Arthur Hope College of Technology, Coimbatore & the College of Engineering at Cocanada.

I desire to reopen the question of employing an accountant in the College of Technology, Coimbatore. I enclose two communications on this subject received from the Principal, Dr.Rudra. The case for the employment of an Accountant has been stated clearly. The need for the immediate employment of an Accountant in the College is quite strong and convincing.

I request that sanction may be accorded to the immediate employment of an Accountant in each of the colleges at Coimbatore and Cocanada. The Principals of the two colleges have considerable work to organize the colleges and set them working in a smooth and routine manner. Their hands must be strengthened by proper and adequate staff. The need for an Accountant in the college at Cocanada is also urgent.

The need for the posts is quite normal and I, therefore, request that this need not therefore be treated as a Part II scheme.

Yours sincerely,

P.S. Viswanatha Ayyar Esq., M.A., I.C.S.,
Secretary to Government,
Education & Public Health Department,
FORT ST. GEORGE.

3

Copy of letter R.C.No.1-8/45 dated 11-9-46 from the Principal, Arthur Hope College of Technology, Coimbatore, Peelamedu P.O., to the Director of Public Instruction, Madras.

Sub: Post of an Accountant for the college - Reuqesting immediate sanction.

3

I have to bring to your notice the serious handicap experienced by this college for want of adequate ministerial staff and the urgent and imperative need to remedy the same by sanctioning the post of an Accountant in addition to the existing post of an upper division clerk in this college.

2. From the very start of this college, I have been very much handicapped with regard to my office staff. I came to Coimbatore on 5-7-45 with a lower division clerk and a stenographer from the college of Engineering, Guindy. The stenographer left on 19-7-45 owing to serious illness of his child and subsequent death. The climate of Coimbatore did not suit the lower division clerk and he was constantly falling ill. He therefore left on 5-8-45 and I was left without any ministerial staff.

3. On 10-8-45 I was able to secure the services of a person, who was only a typist for the post of a stenographer sanctioned for this college and on 28-8-45 a lower division clerk who had no experience of college work and who was only a probationer was transferred to this college from the office of the Divisional Inspector of schools, Coimbatore. It was only on 17-9-45 that the aforesaid stenographer with only typist's qualifications could be replaced by a qualified stenographer. This stenographer also had to be away with no substitute for over 3 months from 14-12-45 to 23-3-46 on account of illness and he finally left this on 15-8-46 afternoon having been recalled by the Divisional Inspector of schools, Coimbatore in whose office he held his permanent lien. Thus I am now again without a stenographer.

4/4-18-19 CF

4. In G.O.No.Ms.1031, Edn., dated 11-7-45 sanctioning the opening of this college the posts of only one stenographer and one lower division clerk were sanctioned for the ministerial staff of this college. This was quite inadequate for the work involved in this newly opened college. I therefore submitted in this office R.C.No.1-8/45 dated 31-8-45 (submitting the budget estimate for 1945-46) proposals for strengthening the ministerial staff by the addition of an accountant, a second lower division clerk, one typist, one store-keeper and one librarian. These additional posts were recommended to government for sanction and 3 of these, viz., the posts of one accountant, one typist and one librarian were sanctioned in anticipation of sanction of govt. by the Director of Public Instruction - vide pros.R.C.No.940 A/45 dated 4-10-45 and ~~xixxthe~~ R.O.C.No.725 A/45 dated 11-10-45. The govt. did not however sanction all these posts. They sanctioned the posts except that of the accountant and in its place sanctioned the post of an upper division clerk vide G.O.Ms.No.1939 Edn., dated 20-11-45 communicated in prosc.R.C.No.940 A/45 dated 27-11-45.

C/4-7-8 cf

5. These additional posts except that of the upper division clerk (which was filled up in Director's pros.R.C.No.4901 C/45 dated 27-12-45 by reverting the person originally appointed as Accountant in Director's pros. C.No.4064 C/45 dated 19-10-45) could not be filled up by qualified men. One of these posts namely that of the store-keeper could not be filled up even by an unqualified man. The other posts could be filled up ~~xxx~~ only by unqualified and inexperienced persons temporarily under the emergency powers and that too for short and broken periods as a result of which the office could ~~not~~ in no way derive any real benefit by these appointments. All my efforts to get qualified and suitable persons for these posts have not been successful. No one likes to remain in this out-of-the-way place (about 5 miles from Coimbatore town) where the cost of living is too high - even higher than Coimbatore which is itself too costly - and consequently no post can be expected to be filled up continously unless filled up by persons holding permanent appointments.

6. A statement furnishing particulars of sanctioned posts and the incumbents thereof from the starting of the college is enclosed. This will clearly show how severely the work of the office has been handicapped for want of adequate staff and how hard and strenuous it has

been for myself and the headclerk to get on with the work. The head clerk is the only person holding a permanent appointment and one of the lower division clerks is an approved probationer. The persons who held and are holding the other posts, were and are all unqualified and had practically no experience of office work. Consequently the office work has been seriously handicapped and almost the entire burden of office work has been borne by the head clerk. The handicap is experienced all the more this year due to increased work consequent on the admission of another batch of students and the need for going on ahead with the work of equiping and organizing this new institution. The nature of work in quality and quantity in a new institution is very much more than in an already established old institution.

7. Under the above circumstances it is quite essential that the college should have an accountant in addition to the upper division clerk, (head clerk) if the work of the college should not be further handicapped.

8. The present head clerk Sri B. Sivarama rao, who was first appointed as Accountant-in Director's proc.C.No.4064 C/45 dated 19-10-45 and then reverted as head clerk in Director's pros.C.No.4901 C/45 dated 27-12-45 has been doing the best despite the highly grievous wrong meted out to him. He was drawing a pay of Rs.85/- p-m. in the city scale, as upper division clerk in the College of Engineering, Guindy at the time of his transfer to this college on promotion as Accountant. Just about a month after his joining duty as accountant in this college he was for no fault of his reverted as head clerk of this college (because the post of the accountant-was not sanctioned by govt.) and he was allowed to draw a pay of Rs.80/- p.m. in the muffasil scale, i.e., Rs.5/- less than what he was drawing at the time of his transfer to this college. My recommendations to set things right have not had the desired result - vide my endt. R.C.No.56/45 dated 5-1-46 and your proc.R.C.4901 C/45 dated 4-2-46 thereon. The high strain both physical and mental under which he has been working has told severly on his health and I am afraid he may break down at any moment if no immediate help is given to him by way of additional staff to share some of his responsibilities.

9. In conclusion I would submit that although the college is new the office has to deal with greater financial responsibilities and more intricate correspondence than a well established college. It must have senior clerks to deal with these and an accountant and an upper division clerk are absolutely essential. I therefore suggest that the post of an accountant may be sanctioned besides the post of the upper division clerk already sanctioned and Sri B. Sivarama rao, the present head clerk may be appointed as accountant-

10. It would be desirable to have as upper division clerk a man with experience in an Engineering college. Also there are clerks in the Engineering college, Guindy with long service who deserve promotion. I therefore suggest that Sri M. Subramania Ayyar one of the lower division clerks in the college of Engineering, Guindy, who I understand has recently passed the Account Test and is qualified for the post of the upper division clerk, may be posted as upper division clerk to this ~~offi~~ college.

Note:- With the exception of Sri B. Sivarama rao, Sri C.P.Kannan Nair, Sri M. Krishnamurthy and the Stenographer and the lower division clerk from the college of engineering, Guindy who worked for short periods in the beginning, the incumbents are not qualified for their respective posts and had practically no experience of office work - Sri M. Krishnamurthy is an approved probationer.

Copy of D.O.letter dated 27-9-46 from Dr. Rudra, Principal, Arthur Hope College of Technology, Coimbatore to Dr.S.R.U. Savoor, Director of Public Instruction, Madras.

During my interview with you on the 20th Septr. 1946 I explained to you the serious handicaps that I have been worked under owing to lack of suitable office staff and had addressed to you a letter R.C.No.1-8/45 dated 17-9-46 pointing out my difficulties and requesting the appointment of an accountant in addition to the upper division clerk already sanctioned for this college. You will therefore appreciate my consternation when Mr. Muhammad informed me that Sri B. Sivarama rao, upper division clerk of my office and its backbone was going to be transferred in the leave vacancy of a manager of the office of a Divisional Inspector of schools. By this transfer, Mr. Sivarama rao would get a salary of Rs.85/- as against Rs.80/- that he is drawing here, and he shall get an opportunity of serving his probation in a senior post. I do not want to stand in the way of Sri Sivarama rao's most deserving promotion, but I must point out to you the serious situation which the college would be in through the transfer of Mr. Sivarama Rao, and suggest his retention here, as accountant, so that his prospects may not be adversely affected through his indispensability to the college.

2 The sanctioned staff for this office is an upper division clerk, two lower division clerks, one stenographer and one typist. There are in addition a librarian and a store-keeper who can be utilized for office work to a certain extent in emergencies. Of all these, the only two posts that may be considered to have been continuously filled up since October 1945 are those of the upper division clerk filled by Sri Sivarama rao and of a lower division clerk filled by Sri M. Krishnamurthy Rao, an approved probationer from the Divisional Inspector's office. The incumbents of all other posts (except that of a store-keeper which has never been filled through lack of a candidate willing to fur- a securirty of Rs.250/- have changed frequently and the posts have remained vacant for various periods. At present, besides Mr.Sivarama Rao, upper division clerk and Mr. M. Krishnamurthy rao, lower division clerk, I have a stenographer, a lower division clerk and a librarian all of whom are unqualifed and have been appointed under rule 9(a)(i). Two of these have less than one month's service and the remaining one has a little over one month's service in this college. The posts of a store-keeper and a typist are vacant. The existing state in the office is not unusual, and at times all posts except those of the upper division clerk and a lower division clerk have been vacant. It is usual for me to run up to the employment exchange and to the resettlement officer several times every month trying to fill up vacancies in the office. But the pay is so inattractive and the college is so far from the town that nobody sticks to his post. They come and go after a few days or a few months. When they come, Mr. Sivarama Rao, upper division clerk spends a lot of his time and energy in training them up and they generally leave before even they are properly trained and have become useful. Mr. Sivarama Rao has to start over again with new incumbents when they become available. The result is that the entire brunt of the office work has to be borne by two persons Mr.Sivarama Rao, upper division clerk and Mr.M. Krishnamurthy Rao, lower division clerk. The latter is an inexperienced man and is not a willing worker. He is no good in drafting letters and his work is mostly confined to preparing bills etc., and doing routine work. Thus almost the whole brunt of the office work falls on Mr. Sivarama Rao who has to shoulder it besides the nerve-racking work of training unqualified men. He has been terribly over-worked and has been on the verge of nervous break down for some months. It is only his sense of duty towards the college that has been prevening him from taking leave.

3 Another result of the lack of adequate and experienced staff is that a great deal of time of the members of the teaching staff including myself is diverted to office work with consequent detriment to their legitimate and more important work.

4 I have waited too long in the hope that the office staff would be stabilized but I am afraid that the present state of affairs will continue for a long time to come. The only way of counteracting this is to increase the number of senior staff. Moreover, increase of senior staff is justified, even if there had not been the difficulty of filling up posts in the office. The work of a new college is far more difficult and onerous than that of a well established college and so also are its financial transactions. It was from this consideration that in my last budget I requested for an accountant and an upper division clerk. In my opinion an accountant and an upper division clerk are absolutely essential for a new college and doubly so when there is difficulty of getting junior staff. I submit that through lack of senior office staff the progress of the college is retarded and time of the teaching staff is diverted towards office work. The expenditure on the senior staff would be compensated several times its value in money by not diverting the time and energy of the teaching staff from more important work. I therefore request that an accountant and an upper division clerk may be sanctioned not only for this college but also for the Cocanada college and any other new colleges that the Government may start.

5 If my proposal is accepted, I would suggest the appointment of Mr. Sivarama Rao as an accountant as he has the foremost claim for it. His appointment will obviate the necessity of his proposed transfer as a manager of the office of a Divisional Inspector of schools and prevent a most serious situation, which, I am sure you will appreciate, is bound to arise in the college through his transfer. I may add that although the scale of pay of Manager is higher than that of accountant-Mr. Sivarama rao's financial position will not be affected by his appointment as accountant instead of manager in view of the fact that he is due to retire in three years and the maximum which he would reach either as accountant or manager would be the same.

6 I also suggest as mentioned in my letter dated 17-9-46 that Mr. Subramaniam a lower division clerk in the college of Engineering, Guindy who has recently passed the Accounts Test may be posted as upper division clerk to this college.

7. I may mention that the question of the posts of accountant and an upper division clerk in all the new colleges would offer opportunities for promotion of very highly deserving clerks in the dept. and compensate for low~~xx~~ salary which they have been drawing and which has created so much discontent among them.

of an U.D. clerk to be designated as Headclerk and to do accounts work also. From the enclosures to the Director's present letter, it is seen that Dr. Rudra wants an Accountant in addition to the existing U.D. clerk. It is not clear from the Director's D.O. whether he recommends the conversion of the U.D post into an Accountant's post or otherwise.

The draft T.M may issue.

(J) K13 CF

I have the honour to request that Government may be pleased to reconsider their orders issued in the G.O. referred to above and sanction the employment of an Accountant in the A.H.College of Technology, Coimbatore, in the current year. The need for a separate Accountant in addition to the Upper Division Clerk has been explained fully by Dr. Rudra in his letters copies of which were enclosed with my D.O.7644 K/46 dated 30-9-1946, with the opening of the third year class in 1947-48 and of the special courses of study, it is expected that there will be greater financial responsibility and I Consider that an Accountant in charge of financial transactions is essential.

In my letter R.O.C. No.7644-K.2/46, dated 5th September 1947, I requested sanction for the employment of an Accountant in the Arthur Hope College of Technology, Coimbatore, from July. But in the Government Memorandum referred to above, I was asked to renew the proposal after the IV year class is opened in the college in 1948-49. The class has since been opened and the Principal has submitted proposals for the employment of an Accountant with effect from 5th July 1948. As there is a definite need for an Accountant in the College, I request that

Memo. No. 59542-2/48A Edn dated 16-11-48.

Sub: A.H. college of Technology, Coimbatore – Accountant – Employment – Proposal deferred.

Read: Memo. No. 71366-2/47A Edn. d. 27.10.47.

c.no. 59542 From the D.P.I. No. 76444 K2/ab d. 5.8.48.

Though the fourth year class has been opened ~~at~~ in the A.H. college of Technology, Coimbatore, this year's batch of students has been admitted into the Guindy College. The D.P.I. is informed that he may therefore renew the proposal for the employment of an accountant in the Coimbatore College, after all the four year classes begin to work at Coimbatore itself.

To the D.P.I.

Engg. Colleges - Coimbatore and Cocanada - employment of an Accountant

16 ~~18~~

p1 CF C. No. 58109 A/46, From the DPI, D.O. No. 7644 K/46 d 30-9-46

pp 1-3 CF of ©

In October 45, the DPI submitted proposals for the employment, among others, of an Accountant in the Scale of Rs 70-100 in the A.H. College of Technology, Coimbatore. Finance Dept objected to sanctioning the post for the reason that the College was still in its infancy and having regard to its size and strength of the Students in the first one or two years, the post was unwarranted. That Dept, however suggested that an U.D. clerk on Rs 55-70 might be sanctioned instead. This Dept agreed with Finance and a post of U.D. clerk was sanctioned.

'B' on pp 6-7 NF of ©

The DPI now recommends that a post of Accountant may be sanctioned to the College in addition to the post of U.D. sanctioned in ©. It may be noted that the grounds on which Finance objected formerly to the creation of the Accountant's post, do not hold good at present. The College is no longer in its infant stage; ~~and~~ the strength of the College has ~~also~~ increased from 75 to 83 in the first year besides the 15 addl. Students admitted in the College for the Anantapur Engg. College. The total strength for the I and II years is 158+15. In the circumstances, this Dept may recommend the employment of an Accountant in the place of the U.D. ~~clk~~ clerk. The Director's proposal for the employment of an Accountant in addition to the U.D. clerk does not seem to be justifiable.

Do G.O. No 1939 Edn 20-11-45 ©

pp 7-8 CF

M

2. The Director has also proposed that an Accountant may be ~~sanctioned~~ employed in the College of Engg. Cocanada

p1 CF

also in addition to the existing post of U.D. clerk. The following statement ~~shows~~ compares the ministerial posts in the Cocanada College with those of the A.H. College of Technology, Coimbatore:–

Engg College, Cocanada.	A.H. College of Technology, Coimbatore.
1 U.D. Clerk	1 U.D. clerk.
1 Stenographer	1 Stenographer
1 L.D. Clerk	2 L.D. clerks
Nil	1 Typist
Nil	1 Store keeper
1 Librarian.	1 Librarian

The Engg. college, Cocanada has a strength of 100 in the first year class. ~~Though it had been started from the current academic year, it can be compared to the Coimbatore college for the purposes of employment of staff. It will be seen from the statement above that the college is already short of 1 L.D. clerk, 1 typist and ~~2~~ one Store keeper. In view of this,~~ ~~the~~ A post of an Accountant may be sanctioned for the college in the place of the existing U.D. clerk.

Finance may see for remarks.

FINANCE DEPARTMENT

To cope with the increased volume of work in the new Engineering Colleges Coimbatore and Cocanada, EPH propose to sanction a post of Accountant on Rs 70-100 in place of the existing UD clerk in each of them. The proposal involves an extra cost of Rs 570/ p.a. recurring.

2/ It is submitted that the two Engineering Colleges are still in their infant stages, and the total number of students is not large. It seems doubtful whether in point of size of staff & strength of students etc ~~and~~ they can be compared with the Madras Veterinary College, which has a clerical staff of only 1 Head Clerk on Rs 55-70, 1 Accountant on 30-55, 7 L.D. clerks & 1 Typist. On a consideration of the merits of the case the proposal for the replacement of the existing UD post in the Coimbatore Engg College by an Accountant on Rs 70-100 does not seem strong. In fact, it is observed from the Principal's letter on pp 3-8 c.f. that the proposal has been put forward in order to retain the existing UD clerk (in the Coimbatore College) who is due for promotion to the higher scale. This does not appear to be a valid reason for ~~the changing~~ raising the scale of pay. It may be mentioned in this connection that the question of revising the scales of pay of public services (including the ministerial service) is separately under consideration and if it is finally decided upon, the scale of pay of UD posts will be sufficiently attractive to secure and retain the services of a good UD clerk-cum-accountant. In the circs, Finance may advise that the present proposal may be deferred for the present.

EPH(A)

The proposal in this file is for the employment of an Accountant on Rs 70-100 in each of the A.H. College of Technology, Coimbatore and in the Engg. College, Vizagapatam at Cocanada in addition to the U.D. clerks sanctioned for ~~each of these Colleges.~~ Finance advise that the proposal may be deferred for the present for the reasons stated in their notes on pp 2-3 above. It is for consideration whether this Dept. may press the case. One of the reasons advanced by Finance against the proposal is that the colleges are in their infant stages. This reason cannot hold good now, in the case of the Coimbatore College where the second year is nearing to a close. – H on p.1 ante.

For orders as to circulation to H.M.(Edn) and HPM.

~~C.~~ No. 71866 A. From the D.P.I. Roc No. A. 7644 K2/46 d. 5. 9. 47.

A. H. College of Technology, Coimbatore - Employment of an Accountant -

Please see the D.P.I.'s letter in the cf. The proposal to appoint an accountant in the A. H. College of Technology was considered twice before and the decision was that it might wait till the 4th year classes are opened in the college next year ie in 1948-49.

There is no need to treat the proposal as a Part II scheme for 1948-49. The entire proposal for opening the A. H. College was treated as a "new services" case and the addl expenditure on account of the accountant will be within the recurring expenditure then estimated. The proposal may be sanctioned straightaway.

The file may be sent to the Fin dept for remarks.

Please see the reference from the D.P.I in the cf and the note of E.P.H above. This dept. may agree that the proposal to employ an Accountant in the A.H. College of Technology, Coimbatore may be considered on merits next year ie during 1948-9 when the 4th year classes are opened in the College. The proposal need not be treated as Part II Scheme for 1948-9 as the additional expenditure will be less than Rs 2,500 pa recurring.

Note

The D. P. I has been pressing for the appointment of a separate Accountant in the college for some time. The proposal was however deferred pending the opening of the 4th year class in the College. The 4th year class has been opened from July last. An Accountant ~~[illegible]~~ may therefore be sanctioned now. The draft order may be sent to Finance for acceptance.

(A)

Finance (E.III) Department.

The proposal relates to the employment of an Accountant in the Arthur Hope College of Technology, Coimbatore. The extra cost involved is Rs.1,752/- per annum.

2. The D.P.I. proposed the employment of an Accountant in the Arthur Hope College of Technology, Coimbatore in 1946 itself. The E.& P.H. Department however recommended the employment of an Accountant in the place of [illegible] the existing Upper Division Clerks. However, the proposal was deferred for the reasons suggested by this Department on pages 19 - 20 of G.O.126 Edn. dated 27-1-47. In May 1947 also the same proposal was considered and deferred. The D.P.I. again renewed his proposal for the employment of an Accountant in connection with the Part II Scheme for 1948-49. But this too was deferred and the D.P.I. was asked to renew his request after the opening of the IV year class in the College in 1948-49. The D.P.I. has now stated that the IV year class is opened and that the employment of an Accountant is necessary.

p.1-7(A)

p.14-18(A)

p.19-20(A)

p.21

p.1-2

3. Except the general statement that there is a definite need for the post, the D.P.I. has not given any detailed justification to show how the work in the College has increased greatly, nor has he compared it with the ministerial staff ~~with~~ in the other Engineering Colleges having IV year classes. It is also not known whether the Accountant cannot be in lieu of the existing U.D.clerk's post. E. & P.H. may be requested to examine the case in the light of the above remarks in consultation with the D.P.I., if necessary.
