No.B.E.3410/46.

Dated: 16/12/'46.

Sir,

Paper - Azure laid - watermarked - "Government of Madras" -
purchase - sanction of - Government - requested.

Messrs. Titaghur Paper Mills, Co., Ltd., Calcutta have offered to supply the following qualities and the quantities of paper available with them. These papers are reported to have been cut from paper specially manufactured and supplied to Messrs. Hoe & Co., Madras.

1. Azure laid "Watermarked" Government of Madras - 13 $\frac{1}{2}$ x17 - 14 lbs. (Good)
2. " " " " 13x16 $\frac{1}{2}$ - 13 lbs. - 53 (Good)
3. " " " " 18x22 - 40 lbs. Rms. 17 - 3rd 1 (Retree)
4. " " " " 18x22 - 38 lbs. Rms. 7 - 3rd 1 (Retree)

As they are watermarked "Government of Madras" the Mills should not dispose of them to any-body else. They are prepared to supply them to us at Government contract rates and in the case of two retree items less 10%.

2 2000 gross of duplex boards ordered to be purchased in G.O.No.1863 Education dated 27-8-46 for printing cloth ration cards are not forthcoming. On account of restriction in booking regular supply of duplex boards could not be received from Bihar. Regional Controller of Railway priorities Madras was already addressed to arrange for the priority assistance. In the absence of boards for printing ration cards District Collectors propose to use any thick paper for printing ration cards at private press. The Azure laid paper now offered by Messrs. Titaghur Paper Mills will be suitable for printing ration cards.

3 In the event of accepting these items the Titaghur Paper Mill insist on carrying out the transaction direct instead of through the Controller, the tonnage being extra to our allocation for 1946-47 and also stipulate that the account should be settled direct instead of through the Controller of Supply Accounts, New Delhi. Sanction of Government may kindly be accorded immediately authorising me to purchase the entire quantity of Azure laid paper available with Messrs. Titaghur Paper Mills Co., Ltd., Calcutta for disposal to Government of Madras.
