Madras.

July 24, 1946.

Respected Sir,

We the B.T. Students of St. Christopher's Training College, Madras, beg to bring the following few lines before you for your kind and sympathetic consideration and action.

We are pleased to note the revival of stipends in the case of the Secondary Training Students. Formerly the L.T. students also were getting the stipends which were of some help to them financially to pull through the L.T. course. Now the days are worse. It is very hard for us to make both ends meet. So under this economic pressure we are urged to submit this petition to you.

We humbly request that our case may be considered favourably and the result made known to us. We had already had to bear the expenses during the collegiate course for 4 years. Now we find it harder still to pull through this course again. So we shall be thankful if we could also be granted stipends through your favourable consideration.

In the Post-War Scheme of Education more graduate teachers also may be needed badly. So in that case the revival of stipends for the B.T. students would go a long way in encouraging more graduates to take up this course and help the country in the days to come.

We hope our appeal will be very kindly considered in our favour.

Thanking you,

Forwarded & recommended

45486

Sir,

Subject:- B.T.Students - request for stipends.

We submit the following for your kind consideration.

Students of the L.T.Training were given stipends till 1932. The giving of stipends was discontinued afterwards as a measure of economy. Government have now under their consideration a lot of schemes in connection with their postwar plans. It is requested that the revival of the stipends to students undergoing B.T. Training may also kindly be considered now and the students be allowed stipends from this year onwards.

Unless the status of the teachers is improved there cannot be improvement in the education in the country. Because the teachers are not paid well, people are not attracted to take up the profession. Especially in these days, when the cost of living has increased abnormally if a person wants to take up training course in a college he has to spend at the least Rupees Thousand (Rs.1000/-) for the course. He is not sure that he can have the least subsistence wages after he completes his B.T. course. So sufficient number of students have not been taking up this course. The sanctioned strength of students in the Teachers' College is 150. Sufficient number of teachers are required for the emergency scheme which Government have introduced relating to the compulsory education. If a decent amount is allowed to students as stipends it is natural that persons will be attracted to take up B.T. or B.Ed. Course.

We may suggest that a stipend of Rs.30/-(Rupees thirty only) to each student for nine months during the course may be allowed. This will not cost much to the Government and the amount thus spent will be very low when compared to the amount spent by the Government for other ~~professional~~ professional education, P.T.O.

like Engineering, Medical, etc., in this Province.

In view of the above we request that the Government may be pleased to sanction stipends to B.T. Students from this year onwards.

Yours obediently,

B.T. Students of the Teachers'
College, Saidapet.

To,

The Hon'ble Minister for Education,

Fort St. George,

Madras.

Sir,

We herewith submit for your favourable consideration the following resolution passed unanimously in the General - Body meeting of the above Fellowship held on Monday the 29th July ~~instant~~, with the Vice President Sri D.T.Chiranjivi,M.A.,~~B.T.~~ in the chair.

" In view of the changing economic and other conditions as stated in the accompanying petition, the students of the B.T. Section of the Meston Training College strongly feel that the payment of monthly stipends should be restored and that each student be paid a minimum of Rs.30/- as stipend during the College year "

The petition is herewith appended.

Royapettah)
12-8-'46.)

We beg to remain,

Sir,

Yours obediently,

Subject : B.T.Students " Request for Stipends "

Sir,

The students of the L.T.Training were paid stipends and the practice of this payment was withdrawn from the year 1932. Happily the Government have now under their consideration healthy schemes in connection with their plans for Post War Reconstruction. It is requested that the revival of payment of stipends to the students undergoing B.T.Training may also kindly be consideraed now, and that the stipends be allowed to the students from this year.

2. It needless to iterate that unless proper and adequate facilities are extended, there is the least likelihood of the B.T.Course offering the best kind of attraction to the right type of youngmen with character who have a heart for the "Noblest of professions ". Nowadays the course in the metropolis easily costs a candidate a sum of Rs.1000/- if not more, and the prospect of a decent remuneration is far remote if not quite uncertain.

3. We therefore, feel that it is not too much to suggest to the Government to offer a stipend of Rs.30/- per mensem to each candidate for the nine months of the course in consideration atleast, among other things, of the high level of the cost of living. We hope, the Government will agree, that the total amount thus paid will be negligible when compared with the vast sums justly spent on other professional courses such as Engineering, Medicine etc., in Province.

4. We may also draw the attention of the Government to the fact that every untrained student from the Madras Presidency is to enter into an agreement with the Government in the form prescribed in Rule 135 of the Madras Educational Rules.

(14)

23

We believe that this obligation on the part of the candidate vests him with a claim to approach the Government for a kind gesture in the shape of stipend of Rs.30/- per student per mensem as mentioned in para No.3 above.

May be [illegible]

We beg to remain,

Sir,

1 - OCT 1946
EDUCATION AND PUBLIC HEALTH DEPT.

Sir,

Stipends - Grant of - To students undergoing B.T. or B.Ed. Training.

57884

pp 15-16 ante

With reference to Government Memorandum No.39768-C-1/46-2, Education, dated 19-8-1946, I have the honour to report that stipends are necessary to attract candidates either in the initial stages of a scheme or else if the salaries are so unattractive that no one would take the additional year's course without some additional advantage. Low scales of salaries ~~from~~ form still a feature of our school organization; but at the same time it cannot be claimed that our colleges are not attracting some. In the ~~Training~~ Teachers College, Saidapet, there are 135 candidates as against 150 seats. So, all things considered, I do not recommend the payment of stipends to all classes of students generally. All the same there is need for attracting more women muslims and Scheduled Classes to the teaching services. Therefore I suggest on an experimental measure the payment of stipends to women, muslims and ~~x~~ scheduled class candidates who join the B.T. or the B.Ed. course. The stipends may be of the value of Rs.25/- per mensem payable for nine months in the year or for the whole course whichever is less.

2. The cost of the scheme is indicated below:--

	No. of students		Months		Rs.		Rs.
Cost in 1947-48							
	150	X	8	X	25	=	30,000
Ultimate Cost.							
	150	X	9	X	25	=	33,750 or 33,800 (in round figures)

3. I am including the necessary provision in Part II of my estimates for 1947-48.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction

TRIPLICANE

(19)

To
The D. P. I.
Through the Principal.
Lady Willingdon Training College,
Triplicane,
Madras.

Memorandum of appeal submitted by the students of the B.T. class, L. W. T. C., Madras.

The humble petition of the undermentioned most respectfully showeth,

1. That until the year 1931, the students of the B.T. class (then known as the L.T. class) were receiving a stipend of Rs 25/- per month per individual from the Government – From the year 1931 the B.T. students were not given stipends but the tuition fee of Rs 80/- per annum per individual was not enforced for which they were required to execute a bond for Rs 160/- representing the aggregate of the amount of Rs 80/- plus a penalty in the like sum in case of failure to teach in any educational institution in the Presidency for 2 years,

2. That a circular was placed on the College Notice Board in November 1946, the purport of which was to the effect that the Govt was considering the question of reviving the stipends and that bonds embodying the terms mentioned above shall not be executed, as fresh bonds which would depend upon the amount of stipend that was to be granted would have to be executed in due course,

3. That the circular issued at that juncture when the cost of living was very high in Madras gave us a reasonable expectation that the old system of stipend would be established again,

4. That having understood the purport of the Circul as the Govt intended it to be understood by us, Sor

of us had borrowed money from third parties intending to repay the same after getting the stipends,

5. That the circular placed on the College Notice Board in January 1947 that no stipend will be granted to the B.T. students of this year (1946 - 1947) has come as a great disappointment to many of us — Our natural expectations which were expressly engendered by the said Govt circular have been shattered — We are perplexed and do not know how we would be able to repay what we have borrowed,

6, That on account of the high cost of living in Madras our expenditure for this year has greatly exceeded what we expected to spend and that a stipend from the Govt would be a great relief to us,

7. That whereas the stipends held in abeyance during the past years for the Secondary Training Students have been revived with enhanced rates in the year 1945, it would be reasonable to expect the same done for the B.T students this year at least,

8. That therefore we pray that the Govt will review the entire matter, give it the best consideration it deserves and revive the system of paying stipends which was in vogue in former years before we leave the College this year.

DIRECTOR OF PUBLIC INSTRUCTION
Rc 2080/[illegible]
30 JAN 1947
MADRAS

I submit herewith a memorandum of appeal from the students of the College.

Many of them have individually represented the disappointment and difficulties felt on account of the stipends not being sanctioned. If atleast the amount that is sanctioned to the Secondary grade students (Rs.18/-) could be sanctioned in the case of the B.T. students this year, it would help them to meet their difficulties.

Edn and P.H. Dept

C. No: 39768 C1. From the General Secy, Teacher's College, Saidapet d/ 19.7.46.

Interview - Stipends - B.T. Students

The General Secy, Teacher's College, Saidapet, requests permission to interview the Hon'ble the Minister for Edn and present their case for stipends &c.

Previously ~~xxx~~ graduate students admitted to Trg Colleges were given stipends. These were abolished as a measure of retrenchment in 1932. At present they are given free tuition and this concession is restricted to the students of the Province. For students coming from outside the Province an annual fee of Rs 160/- is being levied for each student. There will be a justification for reviving stipends only if

There has been an appreciable fall in the no of candidates applying for admission into the training colleges.

It does not appear that the General Secy has approached the D.P.I in the matter. For orders whether the Hon'ble the Minister will grant the interview or whether the General Secy may be informed that he should make his representations first to the D.P.I, through the Principal of the Teacher's college.

Grant of stipends to BT or BEd Students

This file started with the representations made by students undergoing BT or BEd. training in the Govt and private training colleges for the grant of stipends. The representations were referred to the D.P.I. for remarks and he has subd his proposals taking into account the supply of BT or BEd. teachers under present day conditions. The Director's proposals are p 25 cf

(1) that stipends need not be paid to all classes of students generally.

(2) that stipends may be granted as an experimental measure to women, Muslims (both men and women) and scheduled castes (both men and women) — do —

(3) that the rate of stipends may be Rs 25/- p.m payable for 9 months or for the whole course whichever is less.

(1) above

The proposal may be accepted.

(2) above

Out of the 150 seats in the three women's traing colleges (figures in respect of one college have not been recd) candidates were available only for 122 seats. The need for the grant of stipends for women may be conceded. p 29 cf

As the number of Muslim and scheduled castes candidates undergoing BT or BEd training is very low the need for granting A on page 29 cf

---

~~[illegible]~~ stipends to men candidates belonging to these communities ~~[illegible]~~ may also be admitted.

(3) above.

The rate of stipends proposed does not seem to be excessive having regard to present day conditions. Candidates undergoing secondary grade teachers training are now granted Rs 18/- p.m and the D.P.I. has proposed separately that the rate may be increased to Rs 24/- p.m.

The rate of Rs 25/- p.m may be accepted.

The extra expenditure involved is [illegible] Rs 34,000 per annum. Training of teachers is one of the schemes included in the five year plan. The proposal may ~~[illegible]~~ therefore be considered to satisfy the criteria laid down in the Fin Dept note at Ⓐ. The file may be sent to the Finance dept for remarks. p 25 cf

29 OCT 1946
FINANCE DEPARTMENT

58771 / BE V

BE (Part II Scheme) p 25 cf

Finance (B.E.V)

Part II Scheme for 1947-8

The E.& P.H. department recommend the grant of stipends to women, Muslims (men and women) and Scheduled class students undergoing B.T. or B.Ed. training in the Government and private training colleges at the rate of Rs.25/- per mensem tenable for 9 months in a year for 150 students.

2. The cost of the scheme is as follows:-

	Ultimate cost Recurring. Rs	Cost in 1947-8 Recurring. Rs
Stipends to 150 students at Rs.25/- per mensem tenable for 9 months in a year.	33,800	30,000

p 25 cf

3. According to the instructions recently issued with the approval of H.P.M., Part II Schemes for 1947-8 should be

4.

9

restricted to those that are contemplated in the five year post-war development plan or that can be treated as modification of schemes included in the five year plan, and ~~that~~ schemes outside the plan should be proposed only if they are required in connection with the Grow More Food Campaign or are fully remunerative (e.g. Electricity Scheme) or are absolutely essential for the proper running of departments. The E.& P.H. department observe that training of teachers is one of the schemes included in the five-year plan and the present proposal may therefore be considered to satisfy the criteria laid down for Part II Schemes for 1947-8. The E.& P.H. department are evidently referring to the special priority Scheme No.34 described on page 45 of book "Post-war Reconstruction and Development Schemes of the Government of Madras". This scheme relates to additional teachers required for the introduction of compulsory elementary education and not to B.T. or B.Ed. training. It was found, recently from an examination of the financial position ~~that~~, that ~~itxmax~~ might be even necessary to make a large cut in the provision for compulsory elementary education, ~~itself~~. As expenditure on Schemes for compulsory elementary education is admittedly more essential than expenditure on the training of students for the expansion of Secondary or Collegiate education, it seems necessary to defer schemes of this nature so as to conserve available funds for extension of elementary education. Further, the cost of the scheme may require revision as the D.P.I. has ~~leased~~ based his calculations ~~by taking~~ on the numbers of women, Muslims and Scheduled Caste students undergoing B.T. or B.Ed. training as found in the Public Instruction Report for 1945-6. The strength during 1947-8 will be more than 150 and the recurring cost will consequently be more than Rs.33,800 in a year. ~~The present financial~~ As the scheme cannot be held to be quite essential, it does not satisfy the criteria laid down in this Deptt.'s unofficial note of 9.x.46 regarding Part II schemes for 1947-8. Fin may therefore advise that the scheme may be deferred.

2. If E&P.H. wish to press the proposal, they may take orders in circulation including H.P.M.

Finance (Expr)

[Previous Finance notes at page 3-4 above]

The present proposal of E&PH is to grant stipends to Muslim and Scheduled ~~caste~~ classes' students (both men and women) alone. The cost involved in this modified proposal is estimated at Rs 3825 per annum.

As already pointed out by this department the proposal is not one contemplated in the five year post-war development plan. It cannot also be said that for want of stipends to the students admission to the course in the Govt. and private Training Colleges has been poor. The enhanced scales of pay recently sanctioned by the Govt may induce a larger number of graduates to take to the teaching profession. In the circumstances Finance may adhere to the view already taken, namely that the proposal even on the modified scale now put forward, may be deferred for the present. If E&PH wish to press the matter they may be requested to take orders in circulation including HM (Finance). ~~If~~ agreed to, the proposal may be considered ~~considering this~~ as a Part II scheme for 1948-49.
