Temporary sanction - Requested.
Ref:- Education & P.H. Memo. No. 30305-2 P.1 Ddn. dated 16-5-1947.

I have the honour to state that no posts of rubber stamp Date Band
Makers have ever been sanctioned before. But the manufacture of ~~date~~ rubber
stamp bands was carried on by utilizing the services of two men from the Type
Casting Section. As the work in the Type Casting section has fallen into
arrears, it is not now possible to spare men from that section. The present
proposal is thus for the creation of these posts for the first time.
