Sir,

Sub: Post copy of telephonic message dated 22-8-1946
 regarding appointment of Sri S.A.Mani, Lecturer,
 Engineering College as Deputy Warden of the Victoria
 Hostel.

I have the honour to submit herewith a copy of letter
 R.C.No. 720/46, dated 18th September 1946 from the Principal,
 Presidency College, Madras regarding the appointment of Sri S.A.
 Mani as Deputy Warden of the Victoria Students' Hostel, Triplicane
 In the circumstances stated therein his appointment as Deputy
 Warden may be approved by Government.

For Director of Public Instruction.

P.R.K. 27/9/46

Copy of letter R.C.No. 720/46, dated 18th September 1946
 from the Principal, Presidency College, Madras to the Director of
 Public Instruction, Madras.

Sub: Appointment of Sri S.A.Mani, Lecturer, College of Engineering
 Guindy as Deputy Warden of the Victoria Hostel
 Ref: Proceedings R.O.C.No. 4950 C3/46, dated 31st August 1946

It is reported that as Deputy Warden Sri S.A. Mani has to give
 about two hours of his time every evening to the Hostel where he
 is responsible for the accounts relating to the Hostel Dining
 Sections. His work is to control and direct the work of the steward
 who is a full time servant of the Hostel. The Deputy Warden does
 not come into direct contact with many of the members but he --
 consults the mess representatives only in running the Dining sec-
 tions.

The Warden of the Hostel is Sri V.K. Ayyappan Pillai, a Senior
 Professor of this College, living in quarters attached to the
 Hostel and it is his sole responsibility to look after and control
 the members of the Hostel, most of whom are from Presidency College
 As for Mr. Mani, the Senior students of the Hostel are known to him
 both as their former Deputy Warden and their teacher in the Presi-
 dency College.

Mr. Mani continues to live within the city in his own house
 in Mylapore as when he was Assistant Professor in this college and
 Deputy Warden of the Victoria Hostel.

The Warden feels that the satisfactory running of the four
 dining sections for over 320 students in these difficult days of
 rationing of all the primary articles of food is a great responsi-
 bility which only an officer of the experience of Mr Mani can --
 shoulder satisfactorily.

In the circumstances the appointment of Mr. Mani as Deputy
 Warden may be approved.

My dear Subramanian,

SUB:-Deputy Wardenship of the Victoria Students' Hostel, Triplicane.

REF:-Government Memorandum No.4580 A-1, Education, dated 27th November 1946.

75735

Government have, in their Memorandum referred to above,

negatived the proposal that Sri S.A. Mani, officiating Lecturer, College of Engineering, Guindy, be permitted to accept appointment of Deputy Warden of the Victoria Students' Hostel, Triplicane, and accept the remuneration attached to the Deputy Wardenship; further, I have been asked to suggest the name of a suitable person from the staff of Presidency College itself.

2. I would like to place before Government the following facts and request them to reconsider the question under reference. The Victoria Students' Hostel is not an institution run or controlled by the Government. The Hostel is a trust administered by the Madras Students Hostels Association, an autonomous body, and the Governing Body of the Hostel has its members nominated by the University while its President is the Director of Public Instruction. Presidency College has no hostel of its own and the Victoria Students' Hostel is adjacent to it and all the other City Colleges have their own Hostels. It was natural, therefore, that the majority of the members of the Victoria Students' Hostel should be drawn from Presidency College. The Principal, Presidency College, is one of the members of the Governing Body but he has no control over the institution except that as a member he could seek to influence the decisions of the Governing Body in the same manner as other members. The Warden of the Hostel is, and always has been, a senior Professor of Presidency College and there is absolutely no reason why the Deputy Warden should be also from Presidency College. The only question which weighs with the Warden who makes the selection of his Deputy, subject to the approval of the Governing Body, is his fitness for the post. Mr. S.A. Mani was selected because

of his known ability, long experience - he was Deputy Warden for five years before he left for Palghat on promotion to the M.E.S. - and what is most important absolute incorruptibility. It is the first time that an M.E.S. Officer of his standing has agreed to serve as Deputy Warden and it was with some difficulty that the Warden persuaded him to accept the post. In these difficult times when every essential article is severely rationed and when conditions of labour are difficult, it was felt that the services of an experienced and honest man, when they were available, should not be lost to the Hostel. Last year the warden tried the experiment of appointing a junior member of Presidency College, with, I understand, unhappy results. The work of Mr. S.A. Mani at the Engineering College is in no way interfered with by this appointment. Mr. Mani lives in the same house (his own) as before and not at Guindy so that he is able to give it the attention that he used to do previously as Deputy Warden before he was transferred to Palghat. The appointment of Deputy Warden is made by the governing body of the Hostel and they have this time thought it fit to requisition the services of Mr. S.A. Mani, and the approval of Government was sought for only because he is a Government servant. It is also felt that changes in the personnel in the middle of the academic year will give rise to dissatisfaction especially when nearly 270 students are involved.

3. In the circumstances explained above, I request that Government may be pleased to approve the proposal permitting Mr. S.A. Mani to accept the appointment of Deputy Warden of the Victoria Students Hostel and also to permit him to accept the remuneration offered.

Yours sincerely,
S. R. Subramanian
