2. The Department of Education is very short-handed at present, especially in the superior grades of the Madras Educational Service. There has been as many as 5 vacancies in the superior Grades of the Madras Educational Service during the past two or three months owing to the retirements and grant of leave and, as a consequence, considerable dislocation has occurred. Moreover, the Director and the Deputy Director of Public Instruction (Personnel) feel the need for some rest, and propose to avail themselves of a short period of leave during the next few months. The latter has not availed himself of leave of any length for over 5 years. In the above circumstances, the grant of leave preparatory to retirement, applied for by Sri Rao Bahadur V.R. Ranganathan, will be detrimental to the public interests. It is therefore, recommended that the leave applied for by him may be refused.

For DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to Government, Education & Public Health Department, Madras.
