Copy of letter from C.H.Jansen referred to overleaf.

With effect from the 27th May 1947 I resigned my appointment in the All India Administrative Services.

With immediate effect I wish to submit notice of my resignation from the post of Lecturer in the Madras Educational Service; because I find that due to my long absence from work of this sort I will not be able to return to it with any degree of interest or ability.

While willing to serve notice I would like to mention that due to the Summer vacation I would not be able to render to Government service commensurate with any pay I may receive during that period.

I would like to place on record my deep appreciation of the thoughtful and generous treatment I have invariably received both from the Educational Department and from Government.
