R. C. No. 6084-B5/46 dated 9th January 1947.

Sir,

ELEMENTARY EDUCATION--District Board, South Arcot--
Hill allowance--District Board teachers employed in
Board Boys' School, Pottayam.

I have the honour to submit herewith a copy of letter
D3.No. 22223/DB of 45 dated 28.8.1946 of the President, District
Board, South Arcot and to recommend that the hill allowance
may be kindly sanctioned in the circumstances explained by the
President in his letter. A copy of the resolution of the District
Board approving the proposal is enclosed.

2. I requested the Collector, South Arcot District to let
me know whether Government servants employed in the village
under reference were given any allowance. He has written to
say that no Government servant of the Revenue Department is
employed in the hilly tract in Kallakurichi taluk and that no
unhealthy localities allowance is paid to any one there -
(Enclosed a copy of the Collector's letter enclosed).

For Director of Public Instruction.

ks.x.1.

Copy of letter D3.No. 22223/DB of 45 dated 28th August 1946 from
the President, District Board, South Arcot, Cuddalore N.T. to the
Director of Public Instruction, Madras.

Education--Elementary--South Arcot District Board, Kallakurichi
Taluk--Pottayam School reopening of--Hill allowance of Rs. 5/-p.m.
sanction requested.

A Board School at Pottayam village, Kallakurichi Taluk was
opened on 1.7.1944 purely with a view to ameliorate the condi-
tions of the aboriginal tribes inhabiting the foot of the
Kallakurichi hills. It is only on the move made by the Revenue
department and on the approval accorded by the District Educa-
tional Officer that the school was opened in the locality and
it worked till 15.11.1945 when the teacher resigned his job
on account of the fact that the place is highly malarial and
that he could not continue there. Another teacher was posted
in the place and he did not join duty. Hence the school is kept
closed from 16.11.1945. Evidently no teacher is forthcoming to
serve in the locality without any additional remuneration.

It would be unfair if the mass of the very backward
community in these hilly tracts who were once offered the
educational facilities are now deprived of the benefits. It is
therefore, proposed to grant a hill allowance of Rs. 5/- p.m.
with a view to attract teachers who may be willing to serve there.
The subject has been marked for the District Board meeting to be
held on 7.9.1946 and its decision will be communicated in due
course.

I therefore, request that you will be pleased to sanction a
hill allowance of Rs. 5/- p.m. to the teacher or teachers who serve
in the Board School, Pottayam with effect from the date of re-
opening of the school.

Resolution No. 51 (Elementary Education).

Read the following:- 1. Letter No. R.C. 250/E.45 dated 1.6.46 of the District Educational Officer recommending that a Board School at Annaigaram, Kallakurichi Taluk, may be opened with the aid of the provision of the ill-working Board school at Pottayam (now closed), if it is not revived by appointing a suitable teacher.
(2) Note dated 22.8.1946 of the President stating that the Board School, Pottayam opened on 1.7.1944 stands closed from 16.11.1945 as no teacher is willing to go there as the locality is highly malarial and that the school was originally started with a view to ameliorate the conditions of the aboriginal tribes of Kalroyan hills on the move made by the Revenue Department and suggesting that the school may be re-opened by granting a hill allowance of Rs. 5/- p.m. to the teacher who is willing to serve there.

Sanction is required for granting a hill allowance of Rs. 5/- P.M. to the teacher who serves in the school Pottayam from the date of re-opening of the school.

Continue the school and pay Rs. 5/- p.m. as Hill allowance for the teacher in view of its malarial nature.
