It is observed from the Director's P.C. of 13-11-46 that there are only 48 Arts colleges and 23 Professional colleges in the Presidency as against 49 Arts and 24 Professional colleges reported in the Director's letter No. 6712-F3/46 of 18-9-46. As regards Professional colleges, it is presumed that the total no. of such colleges is 26 and that the Director has left out the Med. College at Madura and Crundly and the Forest College, Coimbatore in the list submitted his T.M. Pl. confirm this and also account for the variation in the figures for the Arts. The reference should be treated as specially urgent and a reply immediately.

p 9 CF

p 11-12 CF

It is observed from the Director's T.M on pp 11-12 CF that the total number of Arts colleges is 48 and that of Prog. Colleges is 23 as against the total no of 49 Arts and 24 Prog. colleges reported in the Director's letter on pp 5 & 6 CF. On verification in office, it is seen that the total no. of Prog. Colleges is actually 26 and not 23 or 24 as reported by the Director. The Director has apparently left out in his list on p 12 CF, the Mds. Colleges, Madura and Coimbatore and also the Forest College. He may be asked to confirm this and also to explain the variation in the figures re. Arts colleges. A draft T.M is submitted.

A draft answer based on the report on p 5 CF has already been despatched to the Secty of Madras Legislative. They may now be asked to treat the answer as cancelled and not include the question in the agenda of questions to be answered by H.M (Edn) at the next sitting of Madras Legis. Assembly. A fresh answer to the question will be furnished on receipt of information from the DPI. The File may be sent to the Legis. Secty after issue of the T.M.
