Copy of letter C.No.17-49-P/47 dated 16/19th May 1947 of the Principal, College of Engineering, Guindy.

Sri M. Umapathy, B.E. (Mechanical) has been in service as supervisor in the Agricultural department for about five months during the period of his one year's practical training since the Government have in their order No. 775-Education / dated 22-5-42, stated that the services of the students in the P.W.D. will be treated as period of practical training and as I am satisfied with the reports received on his behalf, I consider that his services in the Agricultural department as Supervisor may be treated as period of practical training for the award of the college diploma. I request the Government may be addressed to accept his services in lieu of practical training for the award of the college diploma.
