Sir,

Sub:- Flat file cases - 'Ordinary' and 'Urgent' - additional supply - sanction - requested:

Ref:- Letter from Superintendent of Stationery Nos I.1513-45 dated 6-9-46:

In forwarding herewith a copy of letter No.I.1513-45 dated 6-9-46 from the Superintendent of Stationery, I have the honour to state that the Government were pleased to sanction since 1940, 6 temporary lower division clerks (3 for school of Indian Medicine and 3 for Hospital of Indian Medicine) on account of the growth of office and normal increase of correspondence work. Considerable difficulty is experienced in office routine for want of flat file cases for dealing with the increasing correspondence. There are now 20 clerks and the number of currents received during the current year is 27,000. I have to add that some of the flat files supplied by the Superintendent of stationery in 1940 are in a state of disrepair and they could not be even sent for repairs to the Superintendent, Government Press without dislocating normal work of the office, they have to be used daily. Under the circumstances I request that the Government may be pleased to sanction urgently fresh supply of 500 'ordinary' and 100 'urgent' flat file cases.
