Clauses (a) to (d):- The figures furnished by the Director may be accepted and incorporated in the draft answer.

Clauses (e) and (f):- Prior to 1-1-47, increased grants upto a maximum of 50 per cent. of the assessed grant may be sanctioned to efficient schools under the rules for Aid relating to ele. schools. The answer suggested by the Director may therefore stand.

Clauses (g) and (h):- Prior to 1-1-47, under the rules relating to Aid, not less than 85 per cent. of the teaching grant received by a school should be paid to the teachers employed in it by way of salary, each teacher being paid in proportion to the ~~scale~~ scale of the teaching grant assessed for him. If the teacher on a fixed scale, in question, draws less than the proportionate amount, he may get more and will be benefited; if however he draws more than the proportionate amount the question of benefit does not arise. The answer may therefore be as follows:-

Eighty-five per cent. of the grant received by the school should
