P 13 of 13
Clause (a): The S. P. S. has furnished the information.
Clause (b): In G. O. No. 1018 Edn. dt 21.5.46, the govt. approved the proposal of the S. P. S. that the 2 years course for secondary grade trg. might be held in ahoyan.

during 1946-47 and that a course of one year's duration might be conducted instead. In connection with the Budget for 1947-48, the Director proposed the opening of additional training classes for training the large number of teachers required for the extension of compulsory elementary education and he proposed that the duration of the secondary grade training course might be extended to 1½ years. These proposals are being considered as Part II Schemes. In a letter just received the Director has proposed that the period of secondary grade training course may be fixed as two years. The file is being examined and it will be submitted separately.

According to the rule 104 of the Madras Educational Rules persons who have passed the Matriculation examination, the European High School examination, the late Upper Secondary examination, the late Higher examination for women, holders of the Indian Army Special Certificate of Education or who have general educational qualifications accepted by the Director shall be admitted into the secondary training class. In G.O.No. 1132 Education, dated 7-6-1946, the Government ordered that women candidates, candidates in backward districts and those belonging to the muslim community and the scheduled castes who had failed in the S.S.L.C. examination in only one subject other than the regional language or English by want of not more than 5 marks might also be admitted to the class. Subsequently, in D.O. No. 34689 C-1/46, dated 3-7-46, the Director was informed that only a minimum of 35 percent marks in English instead of 40 per cent in the S.S.L.C. examination need be insisted upon during the school year 1946-47 in making admission of candidates to the course. The question whether the qualification prescribed in the Educational Rules should be relaxed for admission to the course to be conducted in 1947-48 will have to be considered only if sufficient number of candidates with the required qualification are not forthcoming.

SRI PILLALAMARRI VENKATESWARLU:—“May I know, Sir, if the Government are aware that candidates are not forthcoming because of the scandalously low salaries that are fixed for the secondary grade teachers?”
