Please see the D.P.I.'s reply on p.3. c.f.

It may be mentioned at the outset that the provision in the budget for European Education is intended both for ~~Anglo Indians~~ and Europeans, and ~~Anglo Indians~~.

The figures of expenditure given by the D.P.I. are based on the Report on Public Instruction for 1944-45 and the population on the basis of the census of 1941.

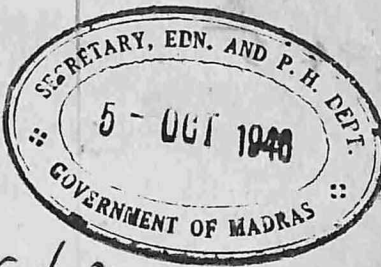

The per capita expenditure in the case of Europeans and Anglo-Indians is very high compared with that of Non-Europeans. This is apparently due to high cost of Education in European schools. Further a minimum of Rs. 8.05 lakhs has to be provided for European and Anglo-Indian Education in each year's budget, under Art. 211 of 2nd Act.
