Sub: Closure of the High School Sec & Trg
School for Women--Govt Sec School
Tirupapuliur--Request--Not to close.

My dear Sir,

I learn that the High School Section of the Government Secondary & Trg School for Women, Tirupapuliur has been ordered to be closed from the School year 1947-48.

This is not advisable. The School has been in Existance for about forty years. This School is imparting education to girls.

I understand that the School Buildings & the ground are not suited for basic education. This is the view of the expert authorities.

No doubt the strength in VI Form this year is 8. But next year it will increase to about 20 when the present pupils of V Form are promoted to VI Form. Likewise the strength in 1949 will be about 30 or more as ~~the~~ in the pupils now reading in IV Form reach VI Form. The result at the Public Examination is good. This year eight out of nine have passed.

If the High School section is abolished the strength of the lower classes will be affected adversely. The parents will not be inclined to admit their

children ~~by~~ as there will be no chance for High School Education.

The abolition in the middle of the course is undesirable. Please reconsider. The public are much agitated and we have to respect.

Yours Sincerely,

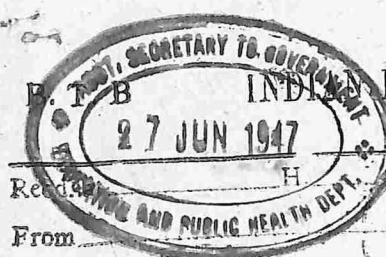

S. A. Duranayaga Iyer.

Please see the petition on pp 1-2 above. Orders have already been issued for the continuance of term VI during the current year in the school. no action seems necessary on this letter. May be filed with no 1175 Edn dt 7.6.1947.

EDUCATION AND PUBLIC HEALTH Department.

Sir,

REF:- Government Memorandum No. 51029 B.1/46-2
Education, dated 20th June 1947.

I have the honour to state that the Superintendent of Government Secondary and Training School for Women, Cuddalore, has reported to me that the probable strength of Form IV in the current school year will be 35 and more. In view of this and as a number of protests have been received from the public regarding the abolition of the Forms IV and V, I recommend that these forms in the school need not be abolished. I may further state that the retention of Form VI alone will entail the employment of staff who will not find full work for a day. Considering the wastage of staff necessary for VI Form and also the need for the retention of Forms IV and V, I request that Government may be pleased to issue orders for the retention of these forms. In anticipation of the sanction of Government, I have instructed the Superintendent of the School by wire to defer the abolition of Forms IV and V as ordered

been issued to the effect that forms IV & V should be abolished in 47. as form VI ^{alone} should be continued. It does not seem necessary to reconsider the orders).
