From A. Lepper Esq., Superintendent, Government Press, Madras. To The Secretary to Government, Education and Public Health Department, Fort St. George, Madras.

No. E & M.E., dated 26th June 1947.

Sir,

I have the honour to forward herewith an application from Sri K. Govindaraju, Electrical and Mechanical Engineer, Government Press for the post of Deputy Director, Central Waterways, Irrigation and Navigation Commission with a request that the same may be retransmitted to the Secretary, Federal Public Services Commission to reach him not later than 5th July 1947.

In this connection I have to state that Government have consistently stood in the way of Mr. K. Govindaraju's bettering his prospects which is most unfair in view of the fact that the pay for a man of his qualifications is hopelessly inadequate for the responsibility he holds.

Superintendent.

Thro'
The Superintendent,
Government Press, M a d r a s.

Sir,

I have the honour to request you kindly
to forward the enclosed application to the
Secretary, Federal Service Commission so as to
reach him before 5th July 1947.

Being an Engineering Graduate there is
little prospects for me in the Press. After
serving in the Press for 17 years I am now
drawing a salary just 90 Rupees more than that
I was getting at the time of my appointment.

I hope therefore that my anxiety to get
into a department more congenial to my qualification
will be appreciated.

Yours most obediently,
