R. McIntosh Esq., M.B.E., B.Sc.,
Chief Engineer, P.W.D.

To the Secretary to Government,
Public Works Department.

Sir,

Stationery - Flat File cases - supply of -

In G.O. No. Ms. 157 Etn. d/25-1-46 Government ordered that the scale of supply of Flat File cases I sent to this office shall be 3000 (2000 "Ordinary" and 1000 "Urgent") against the demand for 4,000 applied for in my letter No. 1002-CK/45-1 dated 11-12-45. The sanction for 4000 Nos. was applied for, giving statistics of currents received from 1941 to 1945 and thereby showing the increase in the volume of work. The insufficiency of the scale was keenly felt even as early as 1945. Work has considerably increased since then. Finding flat file boards for the various files the number of which has increased abnormally has become a problem. I would request that Government may be pleased to sanction at least the scale of supply applied for previously viz., 4000 (3000 "Ordinary" and 1000 "Urgent"), though there is a very good case for more.

2. The number of file boards that may be supplied now will be 1000 as shown in the margin. Very urgent orders may please

please be issued to the Superin-
tendent of Stationery to supply
