Government College, Coimbatore - Geography
Department - Employment of an Assistant
Lecturer.

--@--

In G.O.No.811, Education, dated 15-4-1946 Government sanctioned the employment in 1947-48 in the Government College, Coimbatore, of a demonstrator in Geography in connection with the affiliation in that subject. The principal has now submitted a proposal for the conversion of this post into that of an Assistant Lecturer with effect from the re-opening of the College.

2. The existing staff for the department is a Lecturer and an Assistant Lecturer. In 1946-47 there were 22 hours of work (Lecture 18 & Practical 4). With the opening of the Senior classes in 1947-48 the work of the department will be increased to 36 (Lecture 30 and Practical 6) excluding the time spent on the valuation of note books. The Lecturer in Geography has pointed out that a demonstrator cannot do the extra amount of work efficiently with the result that the entire lecturing work has to be shared between him and the Assistant Lecturer, which will mean that the latter will not be able to spare in the guidance and supervision of the practical. The Lecturer therefore considers that an Assistant Lecturer is necessary instead of a demonstrator.

Further in connection with the opening of two new subjects for the intermediate course in 1947-48 viz., Economic History of England and Economic Geography, the University Commissioner who conducted the local enquiry has stipulated that for the additional work involved, an assistant Lecturer should be appointed. In the circumstances I request that Government may be pleased to sanction the employment of an Assistant Lecturer in Geography in 1947-48.

I have the honour to be,
Sir,
Your most obedient servant,
