No. 178/47 dated 24-3-1947

Sir,

Sub: Tools and Plant - Remington Standard Type-writers - Purchase or - approval requested

Ref: 1. Report and No. No. 157/45 dated 30-12-46 of the Head Master, Municipal High School Pollachi.
2. Report dated 14-2-47 of the Municipal Health Officer, Pollachi.

The Head master, Municipal High School, Pollachi in his report referred to above had requested me to supply him with two typewriters urgently for the commercial subjects class in his School. As the control on the typewriters had been lifted by the Government, quotations were called for, for the supply typewriters from different firms; but only one quotation was received from Messrs. Remington Rand Inc., Madras quoting the price of the Remington standard typewriter at Rs. 650/- F.O.R., Madras plus sales tax and the price of metal cover and base board at Rs. 50/- for the each machine. As the cost of two typewriters including base board and metal cover exceeded Rs. 1400/-, sealed tenders were called for by advertising in the Hindu dated 19-1-47 as required under Statutory Rule but no tender was received. The council in its resolution No. 704 dated 22-1-47 had sanctioned Rs. 1400/- for purchasing and supplying two typewriters to the Municipal High School. As the machines were required urgently for the use of the school, the quotation of the Remington Rand Inc, Madras, received before the advertisement was made in Hindu, was accepted by the council in its resolution No. 833 dated 24-2-47 and orders were placed with them. The company has accordingly supplied two Remington typewriters at the rates quoted by them. The Municipal Health Officer now requests to supply one Remington typewriter for the use of his office. The council has sanctioned Rs. 725/- in its resolution No. 812 dated 24-2-47 for the purchase of a remington typewriter for the office of the Health Officer.

In view of the fact stated above, I request that Government may be pleased to accord sanction for the two Remington typewriters already purchased without sealed tenders and also for purchase of one more Remington typewriter for the use of the office of the Municipal Health Officer as requested by him. Copies of the Council Resolution referred to above are enclosed.

The reason for the absence of the estimate, the probable cost of the work to be done, and the steps taken to remedy the irregularity, should be briefly stated in the Engineer's explanation.

(d) *Excess over allotment.*—The steps taken to obtain the necessary funds should be stated.

(e) *Excess over sub-head allotment.*—In the case of works accounted for by sub-heads attention will be drawn to excesses under sub-heads and amounts as originally estimated for.
