Sub:Buildings - Government Training Schools, Additional sections in certain schools for demobilised soldiers - provision of additional accommodation

In P.W.D.Memo.No.7680-C/45-1 dated 27-12-1945 the Government directed me to submit proposals for the construction of the additional sheds at Calicut and Dindigul in consultation with you. The Suptg.Engrs.concerned were thereupon asked to submit the proposals. The Superintending Engineer, Trichy, circle reported that the Executive Engineer, Teriayar Division had furnished to the Divisional Inspector of Schools an approximate estimate amounting to Rs.900/- for constructing a temporary thatched shed 60 ft x 18 ft in the compound of the Government Training School for Men at Dindigul for opening a special class for training demobilised soldiers. The Government were informed of this. The Suptg.Engr., Coimbatore, circle reported that the District Educational Officer, Malabar had informed the Executive Engineer West Coast Division that a sum of Rs.2500/- had been provided for the construction of a shed in 1946-47 and arrangements were being made to construct the same before June 1946.

2. At the same time, the Government issued orders in G.O.No.1071 P.W.D. dated 12th April 1946 sanctioning expenditure of Rs.66,000/- for opening of additional training sections in 11 Government Training Schools in the Presidency. Two of the schools detailed in the G.O.were the Government Training School for Women, Calicut and Government Training School for Masters at Calicut. In this office letter No.6172-Wks/45-17 dated 28 27th Aug.1946, the Government were informed that it might be possible to meet the expenditure for the works from the existing budget provisions.

18

-2-

The Government have now enquired whether estimates for the construction of additional sheds at the Training School at Calicut and Dindigul have been sanctioned and if not in what stage the matter is. They have also stated that these proposals are different from the proposals referred to in this office No.6172-Wks/45-17 dated 27th August 1946.

In this connection, I invite your attention to the letter of the Superintending Engineer, Coimbatore circle No.2595-M dated 6th Sept.1946 regarding the additional shed at the Government Training School, Calicut. In the circumstances stated above, I request you to let me know whether any further proposals are to be submitted to the Government in regard to the Government Training Schools at Calicut and Dindigul and if so details thereof may please be furnished. An early reply is requested.

- constructions of sheds at Calicut & Dindigul.

1947 In the C.E. (Bt D) no 6172 sub 45-213 17-12-46

In G.O. Ms. No. 2179, Edn. B22-12-45,
the Govt approved the proposals of DPI for
opening addl. sections in some of the
Govt. Training Schools for training demobi-
lized soldiers ~~for~~ as higher elementary
grade teachers. With reference to Para 6 of
the G.O. referred to above, the C.E. (Bt D)
was asked to submit proposals for the
construction of sheds at Calicut and
Dindigul in consultation with DPI.

2. The DPI has now stated that
sufficient number of demobilized soldiers
are not forthcoming to undergo training as
higher elementary grade teachers. He has
therefore suggested that the scheme might
be abandoned and the few men who had already
applied, might be allowed to undergo the training
under the general scheme of training teachers.
He has stated that, if ~~the above~~ his suggestion
is approved, there will be no need for construction
of sheds in Calicut & Dindigul. ~~wants to know~~

3. The C.E. (Bt D) ~~has requested that he may~~
~~be informed~~ whether, in view of the suggestion
of DPI, the construction of sheds in the
Govt. Training Schools at Calicut & Dindigul
is necessary. These proposals are different from those
approved in no 1071, P.W. 12-4-46.
