STARRED QUESTION

SRI M.G. NATESA CHETTIAR, M.L.A.

EDUCATION AND PUBLIC HEALTH DEPARTMENT

* Q.No. 1006 Will the Hon'ble the Minister for Education be pleased to state:-

(a) whether it is a fact that physics students of B.Sc. course were deputed to Sheffield or any other foreign countries for training in metallurgy and if so to what places and what are the costs involved in the same;

(b) whether such training is practical or theoretical; and

(c) if the answer to (b) is in the affirmative on either points, will it not be more beneficial, if the professors are drafted from foreign countries and institutions are started in this province and training given to the students here itself?

(c) whether the Govt propose to take steps to provide facilities for such training, here itself?

Whether the Govt. propose to take steps to provide facilities for such training.

The Govt. of Madras are taking steps to establish two high grade institutions for advanced technical education on the lines of the Massachusetts Institute of Technology, U.S.A. They have also started a four year course for...

Students deputed for training in Metallurgy.

* 114 Q.—SRI M. G. NATESA CHETTIYAR: Will the Hon. the Minister for Education be pleased to state—

(a) whether it is a fact that physics students of B.Sc. course were deputed to Sheffield or any other foreign countries for training in Metallurgy by the Government, and if so, to what places and what are the costs involved in the same;

(b) whether such training is practical or theoretical; and

(c) whether the Government propose to take steps to provide facilities for such training here itself?

QUESTIONS AND ANSWERS

401

11th February 1947]

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“(a) No student has been sponsored by the Government, under the Government of India overseas scholarships scheme, for advanced studies in Metallurgy in any foreign country.

“(b) Does not arise.

“(c) The Government of India have under consideration the establishment in India of two high grade institutions for advanced technical education on the lines of the Massachusetts Institute of Technology, United States of America. They have also sanctioned a four-year development plan for the Indian Institute of Science, Bangalore; and His Majesty's Government have lent the Institute three eminent experts for Aeronautical Engineering, Metallurgy and Applied mechanics.”

SRI M. G. NATESA CHETTIYAR:—“Sir, training in Metallurgy is given in the Benares Hindu University. May I know how many Madras students are studying Metallurgy there?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“I am not able to answer the question off-hand. The hon. Member may please put a separate question.”
