Copy of R.C.33/SK/47 dated 13th May 1947 from the Principal
College of Engineering, Guindy.

This College workshop is in urgent need of timber.
It is also found difficult to obtain good sort of timber
unless it is obtained whenever available. I have there-
fore arranged with the Forest Utilisation Officer, Timber-
Supply Circle, Madras, for supply to this College of 600
c.ft. of A class logs from the Pollachi Depot. The cost
of this would come to about Rs.5000/- including freight
etc. It is requested that early sanction may please be
accorded for incurring this expenditure and my action in
having placed orders in anticipation of sanction may also
be approved.
