Pl. see the starred question in the C.F.
 Representations for raising the Govt. Brennen College,
 Tellicherry, to a 1st grade institution have been
 recd. by Govt. from 1944. The proposal was
 considered in 1945 and was deferred for the
 following reasons:—

(1) The Malabar Dt. is well served
 in regard to University education - with a
 I grade College (Govt. Victoria College, Palghat)
 and 3 Second grade Colleges (including Tellicherry)

(2) The I grade College in the
 Dt (Palghat) has been considerably developed
 and caters mainly to the needs of this Dt.
 Further it was
 considered that there was no
 justification for expanding provision for
 University education in the Malabar Dt. in
 view of the general policy announced
 in the Res. Note at (S). Two questions

20
~~revising the general policy laid down in the~~
~~Press Note was considered recently and dropped.~~

In connection with the Part II
Estimates for 1947-48, the D.P.I. ^{renewed} the
proposal for raising the ~~Government~~ College,
Tellicherry to a I grade institution but the
proposal was vetoed for the following reasons:-

"(1) The reasons for deferring the proposal
in 1945 still hold good and there is the
added fact that the Colleges in Mangalore
also serve this area.

(2) The proposal cannot be considered
essential under the Fin. V.O. Note at ①

(3) The proposal should be deferred
pending a review of the general policy in
regard to Collegiate Edn. laid down in the
Press Note at ⑤"

Note It has since been decided that
the general policy laid down in the
Press note need not be revised.

+ No action was considered necessary on the
representations recd. of late on the question as there was no case for a
reconsideration of the decision at ①. A draft answer is submitted.

Attention is also invited to the question and answer at ①.

I have received representations that the Tellicherry College
may be converted into a first grade college. In view of the fact
that there is so much rush for admissions in colleges, I am wondering
whether it will not be good if we can convert at least one secondary
college into first grade college and this year it may be the Brennen
College at Tellicherry. There has been a persistent demand from that
area and considering the number of students desiring to have further
education in Malabar, this may be taken up this year. The increase

in cost may, in a large measure, be met out of the fees and for
the present, they are satisfied if we can give them such subjects
as Mathematics, History, Languages or other subjects which do not
require any great expenditure. A proposal on these lines may be
put up before the Standing Finance Committee as it is urgent.
In view of the above, the following may be the answer for
clause (b):

The matter is under consideration.

cally and expedite the solution of this question?”

ments and other priorities, it will be considered.”

BEGUM SULTAN MIR AMIRUDDIN:—“May I ask, Sir,
whether the Government are aware that the necessary corollary to
