FINANCE DEPARTMENT

In the circumstances stated by the DPI the proposal to open an additional section with Telugu as medium of instruction in Form I in the Lady Willingdon Training College High school for girls, Triplicane may be agreed to.

The proposal involves the employment of a secondary grade teacher. The scale of pay for secondary grade teachers is to be revised taking into account the craft allowance. The pay for the teacher in this case is to be the minimum of the scale. The extra cost will be Rs 840 p.a.

The draft order overleaf may be accepted.

(Pay is 40-55 in G.O.) + 5 p.m. special allce

HM (Edn) said in his minute on p. 21 of J (K) that it would be wrong to give extra grants to individual schools because other schools will also require grants. This is not a case for a grant in aid, being a Govt. College, but ~~[illegible]~~ it should not form precedent for such grants. ~~[illegible]~~ agree to this case

R.C. *No.* 1204-B1/46, *dated* 20th January 1947.

Sir,

*Sub: Basic Education - Introduction of - in belt area in Coimbatore District - Proposals submitted.

REF: Government D.O.No.30209-B.2/46-1 Edn., dated 25--6--1946.

ENCLOSURES pp39-40 CF 9(h)

SPARE COPIES p40 CF 9 (h)

It is stated in the second para of para 4 of the D.O. quoted above that the question of taking up a belt of areas for opening basic schools next year in the Tamil Districts may be examined and proposals sent toGovernment separately. Agreeably to these instructions, proposals were called for from the Divisional Inspector, Coimbatore Division. It is reported that during one of the Honourable Minister's visits to Coimbatore this matter was discussed by the Divisional Inspector with him and ~~wnx~~ with his approval it was decided that this belt referred to in the D.O. letter should include the rural area between Periyanaikanpalayam and the Coimbatore Municipality and a portion of the Municipality. Having decided the area the District Educational Officer selected all the Elementary schools within this area for introduction of the Basic Education Scheme during the year 1947-48, and teachers from these schools were selected for training. It was also decided at the suggestion of the Hon'ble Minister that within this area, schools should not be given the choice to adopt or reject the scheme. This is considered to be absolutely necessary to ensure the success of the scheme and in the interests of the parents of children who should [illegible] be put to the necessity of selecting the type of ed[illegible]ation for their children in the particular locality.

T

2. All the schools under Public Management-Board Municipal a[illegible] Panchayat-have deputed teachers, but of the aided s[illegible]ools, two have failed to depute teachers. The instructions in Government D.O.No.49003-B.2/46-1 Education dated 10-9-1946 have been conveyed to the managements of these two aided schools.

Copy on p11 infra

p.t.o.

3. The particulars in respect of the 34 schools which will participate in the scheme for the introduction of Basic education are given in the statement herewith annexed. The extra cost to Government in respect of the scheme is that to be incurred on the provision of equipment to these 34 schools. The nature of equipment and its probable cost for the 2 grades are given in another statement herewith submitted.

See below.

4. The cost of the equipment required for schools under each management is worked out in the statement given below In 1947-48 the cost is estimated at Rs.5600 and in 1948-49 at Rs.11,600.

5. Necessary saction of Government may be kindly obtained and communicated for the introduction of the scheme in 1947-48.

Management.	Number of Schools with Sections.		Cost of equipment for 1st grade in 1947-48 at the rate of Rs.100(in round figures) per section.	Cost of the equipment for 2nd grade in 1948-49.

11

Copy of D.O.No.49003 B.2 46-1 Edn. dated the 10th Septr.1946 from/ the Secretary to Government, Edn. & Public Health Dept. to the Director of Public Instruction, Madras.

Sub:- BasicTraining School, Perianaickenpalayam - Deputation of teachers for training.

Please see the copy of the enclosed D.O. and its enclosure from the Divisional Inspector of Schools, Coimbatore. I am desired to ask you to warn the managements of the London Mission Central Elementary School, for boys, Rajah Street and the Brahmin Extension Elementary School, Coimbatore, through the proper channel, that if it is found necessary to bring basic education into practice in the Coimbatore Municipality, they will not be allowed to run the first standard next year.

Enclosure referred to above:

Copy of D.O. and its enclosure from the Divisional Inspector of Schools, Coimbatore dated 18th August 1946.

Sub: Basic Training School, Periyanaickenpalayam.

You remember you asked me sometime back for particulars regarding the number of teachers who had been admitted and the number of schools under private management that had deputed teachers. I am ~~asked~~ enclosing the required particulars.

You will find that two schools, the London Mission Central Ele. school, Coimbatore and the Brahmin Extension Elementary school, have not deputed any teachers. You remember the question whether any school might be given the option to introduce Wardha Schemes or not, was discussed at the informal conference you had with the educational officers at Periyanaickenpalayam onlst June and we decided that all schools in a particular locality should be required to adopt the scheme. Otherwise we would be having two kinds of schools in the same locality, one giving ordinary education and the other basic education which was not desirable. You may also remember that even then I said that the Brahmin Extension school was not likely to agree to the introduction of the scheme. Now it is for you to decide whether any action may be taken against the two schools. I am making a reference ~~on the same subject~~ to the Director on the same subject.

I am awaiting Government orders on the question of a Basic School for Malabar.

Particulars regarding number of teachers admitted and the No. of schools that had deputed teachers.

The latest strength of the school is 61 and this includes 7 secondary grade teachers and the rest are Higher Elementary.

8 of these teachers are from aided schools, one from the Panchayat

Board and the rest are from Municipal and District Board schools.

The following are the Aided schools which have been selected for the introduction of Basic Education and which have deputed teachers for training.

1. National Aided School for boys. Telugu Brahmin Street, Coimbatore.
2. Veeraswami Mudaliar's H.E.School, Coimbatore.
3. B.C Good Shepherd H.E.School, Fort. Coimbatore.
4. P.S.G. & Sons Aided School, Vedapatti.
5. P.S.G. & Sons Charities Aided, Peelamedu.

6. Urumandampalayam aided school.
7. Athar Jamath Aided school, Coimbatore.
8. T.A.T. Kalanilayam, Perimanaickenpalayam.

The following are the two schools located within the belt selected but which have not deputed teachers for training.

1. L.M.Central Ely.School for boys, Raja St., Coimbatore.
2. Brahmin Extension Ele. School, Coimbatore.

DIRECTOR OF PUBLIC INSTRUCTION 1 MAR 1947

pp1-2 CF

From the D.P.I. No. 1204 B1/46 dated 20-1-47

BASIC EDUCATION - Introduction in belt area in Coimbatore Dt.

The D.P.I. has submitted proposals for the introduction of the scheme of Basic education in the ~~belt~~ rural area between Periyanai~~kan~~palayam and the Coimbatore Municipality. 34 schools will be conve~~n~~rted into Basic schools in 1947-48. The Director has estimated the extra cost at Rs. 56,00 (non-recurring) in 1947-48 and at Rs. 11,600 (Non-Recurring) in 1948-49. It is not known whether any further expenditure should be incurred on the supply of equipment for these schools beyond 1948-49 or whether the equipment supplied during the years 1947-48 and 1948-49 will be sufficient for the efficient working of the classes even after 1948-49. The D.P.I. may be consulted on the point. According to the Director the conversion of the existing schools into Basic schools does not involve any addl. recurring expenditure.

2. The scheme of Basic education has not so far been introduced in this Province. It is not ~~known~~ known whether syllabuses for imparting instructions according to the scheme of Basic education have been framed and can readily be introduced in 1947-48. The Director may be asked to report on this point also.

3. H.M.(Edn.) has expressed the view that managements in a locality where the Govt. decide to introduce the Basic scheme of Education, should not be allowed to maintain ~~ordinarily~~ ordinary ele. schools. It is not known how exactly this decision can be implemented. Though it is open to the Department to withdraw recognition granted to ele. schools, it appears that a specific provision should be made ~~with~~ in the rules for implementing the decision of the H.M. That is, a new rule should be inserted on the following lines:

A

Recognition may be withdrawn from a school ~~if it serves~~ functioning in a locality where the system of basic education has been ~~interudeed~~ introduced, if the D.P.I. considers that the school in question should not be allowed to continue as an ~~ordinarily~~ ordinary ele. school.

The D.P.I. may see the case u.o for remarks.

25.2.47

25.2.47

27/2/47

Bd PH 4372 B2-1

U.O. reply No.1204B1/46 dated 5th May 1947.

The equipment to be supplied during 1947-48 and 1948-49 will be sufficient only for the efficient working of classes I and II. Every additional class will have to be supplied with additional equipment to ensure efficient working, i.e., when classes III is started in 1949-50 in these schools, each group of 30 boys will have to be provided with an equipment worth Rs.338/- For details vide annexure. In the same way classes IV and V will have to be provided with equipment in the succeeding years, viz., at the rate of Rs.338/- in 1950-51 and Rs.338/- in 1951-52 for each class of 30 pupils. Besides this, a few looms will have to be fitted in every complete school. Wherever there are facilities for intensive gardening, special equipment, viz., garden implements etc., should be supplied.

ASST. SECRETARY TO GOVERNMENT
6 -MAY [illegible]
EDUCATION AND PUBLIC HEALTH DEPT.

p1 ante

2 Regarding paragraph 2 of the U.O. note, it is submitted that the Revised syllabus prepared by the Hindustani Talimi Sangh, Wardha may be introduced in the Basic elementary schools of this Province with effect from 1947-48. A copy of the syllabus is enclosed.

Ⓘ

3 Inview of the policy referred to in paragraph 3 of the U.O. note, the insertion of a new rule as suggested therein is desirable and this may be incorporated as an additional rule, i.e., as Rule 28-B under Rules for Recognition, ~~viz.~~ in, Chapter I of the Rules relating to elementary schools.

S K Sarma
5/5/47.

3

Education and P.H.(B.2.) Department.

para 1 on p.2 ante

The D.P.I. says that the expenditure on equipment ~~recommended~~ proposed by him on page 2 c.f. will meet the requirements of the ~~xfxxx~~ first 2 classes to be opened in 1947-48 and 48-49 in the 34 schools to be converted into Basic schools. In the 34 ~~Basic~~ schools there will be 56 sections. The Director considers that when classes III to V are opened in these schools during the years 1949-50, 50-51 and 51-52, equipment should be supplied for each of the sections in the schools during each of the three years at the cost of Rs 338 per section. Thus for converting 34 schools (56 sections) into basic schools the expenditure on equipment during the quinquennium beginning with 1947-48 will be as follows:-

p 2 CF

338
56
2028
1690
18928

p 2 cf

⊗ 56 x 338

	Rs.

7 im. (Exp. A)

(Please see the notes on pp. 1-3 above

The proposal is to introduce a scheme of Basic education in the rural area between Periyanaickenpalayam and the Coimbatore Municipality by converting the existing 34 elementary schools into Basic schools with effect from the current year. The E.P.H. dept. have noted that the proposal involves an extra cost of R. 73,976 towards the supply of equipment during the quinquennium ending with 1951-52 and that no further expenditure need be incurred beyond the quinquennium except for the renewal of equipment damaged or lost. But the D.P.I. has stated on p. 2 above that besides the above expenditure a few looms will have to be fitted in every complete school and that where there are ~~special~~ facilities for intensive gardening, special equipment viz. garden implements etc. should be supplied. An estimate of the cost of the looms and special implements to be provided for may also be obtained and included in the cost of the scheme so as to show the full financial implications involved in the proposal.

2. The next point for consideration is whether the Govt. should undertake to meet the entire

expenditure on account of introduction of basic education in the place of ordinary education in the 34 elementary schools referred to in this case. If the entire expenditure is met by way of grant in the present case, the concession will have to be extended ~~[illegible]~~ to the other schools also when the scheme is extended in due course and the ultimate extra cost to the Govt. will be considerable. As ~~the~~ basic education is to be introduced only in the place of ~~the~~ ordinary education in the existing elementary schools and as the local bodies or the private managements are not to be compelled to open new elementary schools, the local bodies or the private managements themselves may be asked to introduce the basic education ~~and the~~ ~~at their own cost and the Govt. grant being limited to cases where such an aid is considered absolutely necessary. In the present case of the 34 schools in which the basic education is proposed to be introduced, 24 schools are under the management of the Coimbatore District Board and 10 the Coimbatore Municipality. As the financial position of these two local bodies is satisfactory and can admit of additional expenditure this dept. may suggest that they may be asked to introduce the basic education in the 24 schools referred to on p. 3 cf. at their cost (i.e. without any grant-in-aid from the Govt.~~ As regards the 24 schools under

pp. 2 & 3 cf.

p. 2 cf

The local bodies have presumably consented to the schools being converted into "Basic Education" schools & if so there seems to be no reason why they should not ~~[illegible]~~ bear the cost as far as possible ~~[illegible]~~

Cir 9.5.47

the management of the Panchayat Boards and 8 schools under ~~the~~ aided managements it may be ascertained whether they ~~are~~ can ~~willing to~~ introduce the basic education in their elementary schools with the aid of a half grant. If it is reported that they cannot meet even half ~~of~~ the extra ~~expenditure on the purchase of~~ cost, the question of sanctioning a full grant may be considered then.

C.i.s

21.5.47

x The cost would be Rs 21,136/-

3. ~~If~~ the scheme is to be given effect to in the current year itself, it will have to be treated as a 'New Service' and placed before the Finance Committee and the Cabinet. A supplementary estimate of expenditure will also have to be obtained in due course.

AAS

"A" above It has been decided that as a general rule, no sanction should be accorded in the course of a year to a scheme treated as a 'New Service' without obtaining the previous sanction of the Legislature, unless the scheme is extremely urgent or involves only a small expenditure not exceeding Rs 10,000 p.a. recurring or Rs 20,000 non-recurring. The proposal in this case involves large expenditure and cannot be said to be extremely urgent. Orders sanctioning the scheme should come only after a supplementary grant has been voted by the Legislature. As the next meeting of the Legislature is likely to be held only in July or August, it will not be possible to give effect to the scheme before the next school year. In view of this, it would seem sufficient to bring ~~these~~ proposals

See my note at (X)

B2

137

forward as a Part II Scheme for 1948-9. Further, the scheme does not satisfy the criteria laid down in para 2 of this Dept. u.o. note [No 21735 Ba-1 D 19.5.47] under issue with the approval of HM (Fin) for the introduction of a 'new service' scheme in the course of a financial year. In the circumstances, Fin may advise that the proposals may be brought forward as a Part II Scheme for 1948-9.

S

I would suggest that the authorities in charge of the schools should as far as possible be required to meet the cost of introducing basic education themselves - Govt grants being confined to cases where the ~~State~~ ~~[illegible]~~ authority is not sufficiently well-off to bear the whole cost or where it is definitely unwilling to change over so that some grant is ~~to~~ necessary as an inducement. It is possible that the cost would be much less if this principle is accepted. This may be taken into account when revised estimates of cost are worked out as suggested at AA on p.4 n.f.

The proposal may be treated as a Part-II scheme for 48-49. ~~[illegible]~~

E&P.H. Dept. B2

The proposal in this file is that ~~[illegible]~~ 34 elementary schools around Periyanaickanpalayam should be converted into Basic schools with effect from the school year 1947-48. The 34 schools will have 56 sections and the cost

ASST. SECRETARY TO GOVERNMENT

EDUCATION AND PUBLIC HEALTH DEPT.

8/

of supplying equipment to these schools during the quinquennium beginning with 1947-48 has been estimated as follows:-

	Rs
1947-48	5,600
1948-49	11,592
1949-50	18,928
1950-51	18,928
1951-52.	18,928
Total.	73,976

Of the 34 schools, 17 are ~~retained~~ maintained ~~for~~ by the dist Bd. Coimbatore, 7 ~~for~~ by the Ml. Cl. Coimbatore; two are under panchayat management and the remaining 8 are ~~retained~~ maintained by private agencies. The question for consideration is whether the additional expenditure on the conversion of the 34 schools should be met ~~from~~ by the managements concerned or from provincial funds. (The expenditure of Rs 73976 will stand apportioned as indicated in the margin ⊗) So far as the Dist Bd and the Ml Cl are concerned, these bodies may be asked to meet the extra expenditure from the elementary education fund if they have sufficient surplus; if not, it appears that Govt will have to pay a subsidy for the purpose and to the extent necessary. In the case of schools under panchayat and private managements, it ~~appears~~ seems that the entire cost of equipment should be ~~paid~~ met from provincial funds. It does not appear that managements will be

able to bear any portion of the cost.

2. The E.P.D is of the view that the conversion of the 34 ele schools into Basic schools should take place this year itself. The Finance dept suggests that the proposal should be treated as part II scheme for 1948-49. If the suggestion is accepted, the conversion cannot take place this year. Orders of HM (Edn) may be taken on this point. If the proposal is to be introduced this year, the matter should be placed before the Standing Finance Committee.

[The particulars required by the Finance dept 'AA' on page 4 ante will be obtained separately.]

I am rather doubtful about the calculations that have been given in this note. It is supposed that it will cost us nearly Rs. 73,976 for five years for these few schools. I think these figures must again be checked up by the Basic Education Officer. In the meantime we can sanction only the non-recurring expenditure for the year. The non-recurring expenditure comes to Rs.5,600/-. This may be sanctioned immediately as the schools will have to begin functioning. As this is within Rs.[illegible]0,000/- it need not go to the Standing Finance Committee. H.M. (Finance) may kindly see and approve.

Secretary, E.& P.H.

Basic Education Schools have already been started in the Coimbatore area pending sanction of Govt. The schools have to be equipped with taklies and other craft instruments. Taklies can be had only from the Nalvadi Ashram where sales are conducted only on advance payment. The Director may be given permission to advance Rs. 2,000/- for the purchase of the above materials. If the sanction for Rs 2000/- for equipment to basic schools may be expedited

Previous Finance notes on pp 4-7 above.

Please see the further notes of E.&.P.H. and the orders in circulation on pp 7-9 above.

2. The draft order below may be accepted subject to the following remarks:- It ~~does~~ will not ~~seem~~ be correct to approve the D.P.I's proposals which involves an expenditure of Rs.73,976 by way of grants during the five years 1947-52 without the approval of the Standing Finance Committee, the Cabinet and the Legislature. According to the orders in circulation on p 9 above, ~~only~~ a non-recurring expenditure of Rs.5,600 should be sanctioned for 1947-8 only towards the introduction of Basic education in the 34 Elementary schools in and around oimbatore. It is presumed that the intention is that proposals for the continuance of the bsidies during the rest of the periods ~~[illegible]~~ should be considered ~~[illegible]~~ as a Part II Schemes for 1948-9 after the receipt of the D.P.I's reply ~~referred~~
