From (Name) DR. S.R.U. SAVOOR, M.A., D.Sc., I.E.S.,
(Designation) DIRECTOR OF PUBLIC INSTRUCTION, MADRAS.

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

The Manual Training Instructors' Course in Woodwork in the Teachers' College, Saidapet, is open only to holders of completed S.S.L.Cs. and it is for a period of 2 years.: Trained teachers of the Secondary Grade are not admitted to this course.

2 Last year, I submitted a proposal that only trained teachers of the Secondary Grade should be admitted to the above course, and that the period of their training might be one year, but Government did not accept this proposal as they apprehended that if the qualifications for admission were raised, the number of candidates willing to take up the course would be much less = vide Government Memorandum No. 25953 A/46-2 Education, dated 8th July 1946 and Memorandum No. 41142 A/46-1 Education, dated the 17th August 1946.

It has now been proposed by the Principal, that the course may be thrown open to Secondary Grade trained teachers also, instead of restricting admission only to untrained S.S.L.C. holders and that the period of training in respect of such Secondary Grade Trained candidates might be one year for the following reasons:

(1) During their two years' Course of Secondary Training they would have had instruction in handicrafts for two to three periods per week. The handicrafts selected generally are very important and common ones such as, Weaving, Carpentry, Book-binding, Mat Weaving and Basketry. They have had a fair knowledge in these crafts in practical work.

(2) They have also had lessons in general principles, Theory and Practice of Teaching which are so essential to an Instructor.

In the case of S.S.L.C. candidates without previous training the period of Manual Training Course may however be, two years, in view of the present policy of the Government to make education craftcentred by introducing more crafts in schools.

As Secondary Grade Trained teachers are proposed to be admitted in addition to the untrained S.S.L.C. Candidates as usual, there is no need for any apprehension regarding the number of applicants willing to take up the course. These candidates also may be paid stipends at the rate allowable for other candidates undergoing the manual training Instructors' Course. It is reported that Secondary Grade trained teachers have also applied for admission to the Manual Training Instructors' Course this year.

In these circumstances, I recommend that Government may be pleased to approve the proposal to throw open the above course to trained teachers of the Secondary Grade also and to reduce the period of training in respect of these candidates to one year with effect from 1947--48. As admissions to the course for 1947--48 have to be made soon, I request that Government may be pleased to pass very early orders in the matter.

Sir,

Sub: Manual Training - Teachers' College, Saidapet
- Manual Training Instructors' Course - application
of Mr. Samuel Solomon, Wesley High School for
shortened course of one year - Recommended.

One Mr. Samuel Solomon, Secondary Grade teacher, Wesley High School, Madras, has applied for admission to the Manual Training class in the Teachers' College, Saidapet. He requests that for the reasons adduced hereunder, he may be permitted to undergo an abbreviated course for one year.

- (1) that he is a secondary Grade Trained teacher;
- (2) that he has teaching experience in handicrafts for about 3 years in the Wesley High School and Weston Training College, Madras;
- and (3) that the management of the Wesley High School are willing to pay his expenses for the one year course and that therefore he need not be paid any stipend.

p.t.o.

4
: 2 :
In view of the great shortage of qualified instructors and in view of the reasons stated above, the Principal, Teachers' College, Saidapet, recommends that the applicant may be admitted for a shortened course of one year.

The Manual Training Instructors' course, at present, in the Teachers' College is for a period of 2 years, and Secondary Grade Trained teachers are NOT admitted to this course. But prior to 1929, this course was open only to Secondary Grade trained teachers and then the period of the course was only one year.

In view of the recommendations of the Principal, Teachers' College, and in view of the reported shortage of qualified manual training instructors, I request that Government may be pleased to permit as a special case, Mr. Solomon to be admitted to a shortened course of Training for one year in the Teachers' College, Saidapet, as a non-stipendiary student, subject to the condition that the Principal may extend the period of training if he is not satisfied with the progress of the candidate at the end of one year.

Prior to 1929 only secy. And trained

in the Teacher's College, Saidapet. The period of
training was for one year. This system was
abolished from 1929. The system now in force
is that only holders of completed S.S.L.Cs who
show a special aptitude for Manual training
and allied subjects are admitted to the course.
The period of training is now for two years.
In May 1946 the D.P.S proposed that the old
system of training might be revived. But the
Govt did not accept his proposal. Please
see H. M. minute and the memo on pages

Please see the note of E.P.H. on p. 1 above. The proposal to throw open the Training Course for Manual Training Course Instructors in the Teachers College, Saidapet, to trained teachers of the Secondary grade, seems to be a ^{more or} ~~possibly~~ administrative question. It is understood that the number of stipends allowed for the course will not be increased. The proposal ^{may} involve extra cost to host of persons Secondary grade teachers already under the employ of the Govt are deputed to the course because such ~~people~~ ^{persons} will have to be allowed their pay instead of the stipend and substitutes will also have to be appointed in their ~~res~~ place for the duration of the training in ~~their~~ place the respective schools from which they come. Sir,

Sub: Manual Training Class - Training College, Saidapet -
Admission of Secondary Grade trained teachers for one
year course for 43-49 - Permission requested -
Ref: G.O. No. Ms. 1479 Edn., dated 9.7.47 -

Government in their orders quoted above approved my proposal that the training course for Manual Training Instructors in the Training College, Saidapet should be thrown open to Secondary grade trained teachers also and that the period of training in respect of such candidates should be for 9 months. However, the above arrangement was permitted to be in force only for one year i.e. for 1947-48.

The Manual Training Expert now reports that there is a possibility of Secondary grade trained teachers applying for admission to

the Manual Training Course this year also. In fact one has already been provisionally admitted by him for the two years course but the candidate is willing to take the course provided, it is for a year only. There are two others who are desirous of undergoing the training if the course is for 9 months.

I therefore request that Government may be pleased to extend the concession granted in their order quoted above to this year also.

As the course is to begin now, I solicit very early orders of Government in the matter.

The D.P.I. did not then give an estimate of extra cost involved in his proposal. On the assumption that the extra cost involved in the proposal would be small, the proposal of the D.P.I. was accepted by Govt. and the D.P.I. was asked to ~~request~~ report separately the extra cost involved in the proposal -
