In para 1 of his letter at page ante, the Director of Public Instruction requests that a copy of Madras Services Manual, Volume I may be supplied to the office of the Chief Inspector of Physical Education which post was newly created in the place of the Adviser to Government on Physical Education. It is likely that the Adviser to Government on Physical Education might have been supplied with a copy of Volume I and if so, it is not known what became of that copy. The original of G.O. NO. 570 Public (Services), dated 8.3.46 does not throw light on this matter. The supply of a copy of M.S.M. Vol I to the Chief Inspector of Physical Education may perhaps be ~~made~~ ^{granted} in view of the need for the same in the new office. Copies of Volume I are available with the S.G.P. Ed P.H. may be requested to issue orders sanctioning the supply.

'M' above: The supply of 60 copies of Vol I, 1946 edition
 to the D.P.I. was based on the supply made
 with reference to G.O. No. 757, Public (Services), dated 2.3.42.
 This G.O. also does not contain particulars as to whom they
 were intended. E & P.H. may therefore be requested to
 ascertain first from the D.P.I. whether a copy of Volume I
 was supplied to the Adviser to Government on Physical Education
 and if so what became of that copy. It.
