Now that we have appointed a Basic Education
Officer, it is necessary to define his duties. I have
consulted about this with the D.P.I. ~~on the subject~~
~~concerning the following proposals. The duties of the Basic~~
~~education officer may be~~

- (i) to advise the Dept. and the Govt. on questions
relating to Basic Education and to act as the
Secretary of the Advisory Board on Basic
Education.
- (ii) to help in the organisation, co-ordination and
supervision of the Basic Training Schools;
(this will include details like syllabus,
courses of studies etc.)
- (iii) to collect and distribute craft materials.
 - (a) to purchase at the proper season and stock
lint, gut, kakar etc.
 - (b) to arrange for the supply of craft material
to Basic Education Institutions;
 - (c) to visit Basic Education Institutions and
check the accounts and reduce wastage.
 - (d) to arrange for the sale of craft products
collected from Basic Education Institutions.

2. As an interim arrangement for one year, the
Basic Education Officer will be in direct touch with
the Headmasters of Basic Training Schools. The Basic
Schools, other than those in the compact areas, will

be under the supervision and guidance of the Basic Education Officer. The Basic Schools in the compact areas, like Perianaickenpalayam will be under the supervision of a Junior Deputy Inspector who may be attached to the staff of the Basic Training School serving that area.

To perform his duties, I think, he may be given a clerk and an attendar who knows the spinning craft. The attendar may be given, in addition to his pay, Rs.5/- if he knows the craft.

While orders may be issued to the D.P.I. about the duties of the Basic Educational Officer, the matter at 'A' above may also be taken up separately immediately so that the Basic Educational Officer may begin his work efficiently.

A draft is submitted.

With reference to 'A' above, the D.P.I., has addressed separately in regard to the clerical staff to be employed under the officer. The letter will be put up for orders separately.

As regards 'P' above the Director has also sent a separate communication to Government on the subject. In view of this, reference to this portion is omitted in the draft. H

H.M., has not passed orders regarding the headquarters of the Basic Education Officer for Tamilnad. In another connection he has noted as follows:-

" It may not be necessary to appoint a separate Basic Education Officer for Malabar and South Kanara. Sri R. Rudrappaswami may be asked to look after the Basic Education work in these two districts also.

H.M.(Edn)

In view of the fact that the Officer will be in charge of Tamil districts and of the West Coast and as the Govt., propose to open Basic Schools in and around Coimbatore, the headquarters may perhaps be fixed as Coimbatore. This has been added in para 3 of the draft order, subject to approval.

It is necessary that we should have somebody who knows about Basic Education well, in the D.P.I.'s Office. Since he is the Basic Education Officer of Government who is to advise Government on Basic Education matters, it is necessary that he should be posted to 'adras' and so, the last para. that the headquarters of the officer may be in Coimbatore may be deleted. Otherwise the order may be approved.

Extract of H.M.'s note dated 24-6-47 in another connection.

" It may not be necessary to appoint a separate Basic Education Officer for Malabar and South Kanara. Sri K. Rudrappaswami may be asked to look after the Basic Education work in these two districts also.

Necessary addition has been made to the draft with reference to H.M.'s orders above.
