 ROC. No. 621-12/47. dated 30th May 1947.

Sir,
 Queen Mary's College, Madras--Employment of a Demonstrator
 for the Household Art Section.
 Reference:-G.O.No.2162-Education dated 20.12.1945.

I have the honour to request that Government may be
 pleased to sanction the employment of a Demonstrator for the
 Household Art Section of the Queen Mary's College, Madras from the
 beginning of the academic year 1947-48. The opening of the
 course in 1946-47 was sanctioned in the G.O. referred to above.

2. According to the time-table the Assistant Lecturer
 has work for 18 hours of work a week for both the Junior and
 Senior classes in 1947-48. This includes the practical work but
 excludes the time necessary for the valuation of the note books
 of the 48 students per week. Taking this also into consideration
 the work of the Assistant Lecturer comes to 23 hours per week.
 The Principal points out that the Assistant Lecturer has
 additional work in the supervision of the cleaning of the college,
 gardening etc. which is much more than in any other departments

F.T.O.

and that a demonstrator is necessary. I agree with the request of the principal.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

The proposal in the file is to sanction the post of Demonstrator for the House-hold Arts section of the Queen Mary's College, Madras for a period of one year from the academic year 1947-8. The extra cost involved is Rs 1,820 p.a.

2. While sanctioning the opening of the House hold Arts Section in the Queen Mary's College in 1945-6, sanction was accorded for the appointment of an Assistant Lecturer and for the payment of an Honorarium to lecturers for delivering lectures on 'Maternity and Child Welfare' and on 'Child Psychology' in the first and second year Courses of the Intermediate Class. It is now reported that the work of the Assistant Lecturer both Senior and Junior classes will

B on p1CF Come to about 23 hours per week and that the Assistant Lecturer has also to attend to

X on p1CF A the additional work of the supervision of the cleaning of the College, gardening etc. It is therefore proposed to appoint a Demonstrator to assist the Assistant Lecturer.

3. An Assistant Lecturer is ^{at present} ~~normally~~ expected to attend to 14 hours of teaching work and 10 hours of practical work (ie, at least 24 hours of work in all per week. He is ^{at least} expected to attend to at least 20 hours of total work per week. The existing estimated work for 23 hours of work to the Assistant Lecturer under reference does not seem to be too much to deserve the appointment of a ^{separate} Demonstrator in addition. It does not seem that the reason stated at 'A' alone can be taken as sufficient justification to sanction the appointment of a Demonstrator. Such work should have been distributed amongst the staff.

of lecturing hours per week for a Lecturer. A formula since worked out by the DPI in this regard has been accepted by Fin. for the employment of addl. staff in Colls. According to this formula, a member of the staff in a college including the Principal and the Heads of Dpts., is expected to work 20 hours per week including practical work valuation etc. This is the utmost a member can be expected to do. In the present case the total no. of hours which the Asst. Lecturer is doing is 23 hours (i.e.) 3 hours extra of which she is normally expected to work. Besides, the addl. work of the Asst. Lecturer referred to at XI on p 1CF will engage the Asst. Lecturer at least for 3 or 4 hours ^{every} week. Practically ^{her} ~~his~~ work can be estimated at 26 or 27 hours per week. This is a sufficient justification for sanctioning

a demonstrator for the House hold Art Section.
In the circumstances, it is for consideration
whether this Dept may press the proposal. /ul

E.P.H on pp 4-6 above. E & P.H have not stated why the work of supervision of the cleaning of the College, gardening etc cannot be entrusted to some other members of the staff of the College. Excluding that work, ^{which is said to take 3 or 4 hours a week} the normal work of 23 hrs to the existing Assistant Lecturer do not seem to be too excessive. * teaching practical etc. valuable
