Subject:- EMPLOYMENT OF EX-SERVICE PERSONNEL IN THE
TEACHING AND OTHER ALLIED SERVICES.

Sir,

I am directed to communicate the views of the Government of India with regard to the employment of ex-Service personnel in the teaching and other allied services connected with post-war educational development. The Government of India recognize that ex-Service personnel have had a training in team work, leadership, and the imparting of instruction, etc., qualities which are of great value in the teaching services. This will be particularly true of trained ex-Service women who may therefore be found to be even more suitable for such a purpose. It is presumed that the Provincial Governments have already taken these factors into consideration and will, no doubt, give preference to ex-Service men and women in such employment as and when it arises in their post war educational development schemes.

2. The Government of India do not consider it desirable to relax generally, in favour of ex-Service personnel, any standards of academic qualifications and training in regard to teachers which have been prescribed by the Central Advisory Board of Education. It is considered, however, that as far as practicable, potentially suitable ex-service personnel who wish to be employed as teachers should be assisted to acquire the necessary qualifications if they do not have them. For this purpose, it is requested that Provincial Governments may arrange intensive courses of training for selected personnel as soon after their demobilization as possible. It is hoped that such training will

Reply sent to Indian no 185 dated 10-11-45

be afforded to the personnel free of charge. As was stated in this Dept's letter No. 2031(C)/45E dated the 27.9.45, the Central Government are prepared to meet 50% of the extra expenditure incurred under the Further Education Scheme which includes professional education, but it is pointed out that this applies only to post-Matriculation studies.

3. The recognized Services qualifications are summed up here for ready reference:-

- (a) The R.I.N. "Higher Education Test", the Indian Army "Special Certificate of Education", and the R.I.A.F. "Educational Test for Reclassification to Leading Aircraftman" have already been accepted as equivalent to the Matriculation certificate for purposes of employment by the Government of India. The first two have also been recognized as equivalent to Matriculation by various Indian Universities for purposes of admission to higher courses of study. It would appear, therefore, that for personnel in possession of any of these three certificates, only a course of training in education will be needed to fit them for teaching Senior Basic (middle) and high school standards, if otherwise suitable.
- (b) As regards the lower examinations, viz., the R.I.N. Education Test No. 1 and the Indian Army First Class Certificate of Education, the Government of India have not arrived at any final decision regarding civil equivalents for purposes of employment under them. It is, however, considered that with the requisite knowledge of an Indian language, and suitable training, the holders of these certificates would be suitable for employment as Teachers in Junior Basic (Primary) Schools. The Government of India would appreciate it very much if the Provincial Governments were to accept this suggestion. In this connection, attention is invited to this Dept's letter No. F.14-1/45-R dated the 23rd Nov'45 on the subject of Civil equivalents of Indian Army Certificates of Education.

4. For those Services personnel who have attended a course of training in educational methods at the Army School of Education or at an Army/Command Educational Training Centre, or a short course prior to demobilization in the theory and practice of school teaching, a reduction in the period of training prescribed by the Central Advisory Board of Education would be justified. The Provincial Governments are requested to take this into consideration in arranging any special courses of training for such personnel.

- 3 -

5. As the Provincial Governments are aware, there are branches of the Education Service, other than teaching, in which ex-Service personnel could be very suitably employed, e.g., School Attendance and School Medical Service, Youth Service, Physical Training, Adult Education, Employment Bureaux, etc., etc., and the Government of India trust the Provincial Governments will do their best to place ex-Service men and women in such suitable employment too.

6. As regards the method of recruitment, the personnel will be available through the ordinary channels of the Employment Exchanges. The Employment Cards of ex-Service personnel contain a space on which is indicated the nature of the employment desired by them, and whether they require further training before employment. The Selecting Authority for the province will, no doubt, be able initially to choose the required men from these cards. If the Provincial Governments find any difficulty at any time or require any special help, this Department will do its best to have their needs met through the Services Resettlement Directorate.

7. It would be very much appreciated if this Department is informed of any action taken in furtherance of this proposal, e.g., special schemes for recruitment, numbers of teachers required, special courses for training Services personnel, any seats reserved for Services personnel in the ordinary courses, scholarships or stipends for maintenance while undergoing courses, duration of courses, conditions of service and scales of pay on employment etc. There is no need to stress that this information is required as early as possible in order to put out publicity to the Services, because, as you know, successful resettlement depends largely on preparing the men for it while they are still in the service. It would also be appreciated if this Department is informed later of the actual numbers of Services personnel (a)

To

The Secretary to the Government of India,
Education Department,
NEW DELHI.

Sir,

Sub: Ex-service personnel--Employment in ~~the~~ teaching and
other allied services.

Ref: Your letter No. F. 24-3/45-R dated 4-3-1946.

With reference to your letter cited above, I am directed
to state that this Government have already issued orders granting
the following concessions to ex-Military personnel ^{for} undergoing
training as teachers:—

(1) Preference in the matter of admission to training insti-
tutions and liberal exemptions from age-rule for secondary grade
training.

(ii) Exemption from ~~the~~ payment of tuition and special fees
and also ~~the~~ examination fees.

(iii) Acceptance of Indian Army special certificates of Edu-
cation as an adequate qualification for ^{admission to} secondary grade training
and

(iv) Grant of ~~usual~~ stipends ^{at usual rates}

The rates of stipends ~~for~~ candidates undergoing training
as teachers have been raised from Rs.9/- to Rs. 12/- per mensem
for Elementary grade and from Rs. 12/- to Rs. 18/- for Secondary
grade. The rates of pay for teachers have also been raised along
with the general revision of salaries.

2. With reference to para 3 of the letter, I am directed to
~~state to~~ invite ~~to~~ your attention to Letter No. 378 Education, dated
22-2-1946, in which the Government of India have already been in-
formed that the Indian Army First Class Certificate cannot be con-
sidered equivalent to the S.S.L.C. granted by this Government. The
holders of this certificate ~~cannot~~ therefore, be admitted for
secondary grade course of training. The qualification for admis-
sion to Elementary grade training course is a pass in form III

12
-2- permitted
or Standard VIII. The Government have ~~promoted~~ demobilised soldiers to appear for the E.S.I.C. examination (VIII standard) as private candidates irrespective of ^{their} ~~the~~ general educational attainments. Demobilised Military Personnel are also admitted into the Elementary grade training class if they possess the Indian Army First ^{Class} Certificate after their fitness has been examined by a panel of examiners.

3. As regards the suggestion made in para 4 of your letter, I am directed to state that unless there is detailed information about the syllabus, etc., of these courses, ~~if~~ it may not be feasible to reduce the period of training.

4. A scheme for the further education and training of ex-service personnel has been sanctioned by Government ~~by~~ in G.O.No. 1167 Education dated 12-6-46. According to these orders various concessions ~~namely~~ viz., exemption from payment of fees, books and ~~grant~~ of maintenance allowances, are sanctioned to ex-service personnel studying in Arts and Professional Colleges. Though the scheme is at present confined to University Education only, ~~along~~ its extension to "non-University" but "post-secondary" courses is under consideration.

5. The proposals mentioned below relating to training and employment of ex-service personnel are under consideration of the Government.

(i) A scheme for organizing a special course in Y.M.C.A. College of Physical Education for training ex-service personnel as Physical Training Instructors.

(ii) Appointment of soldiers with Army Trade ~~services~~ certificates as vocational and manual training instructors.

(iii) Training of demobilised W.A.C.(I)S as teachers and in subjects like Art, Domestic science, Needle work, Tailoring and Music.

6. With reference to paragraph 6 of your letter, I am ~~add~~ that the Government have already fixed the procedure ~~in~~ ^{for} ~~regard~~ to recruitment of ex-service personnel through the medium of employment exchanges and the Director of Re-settlement and Employment.

(7) A statement showing the actual number of services

EX-SERVICE Personnel - Employment in the teaching and other allied services.

From the G. of I. Dept. of Edn. Lr. No. F.24-3/45-R d/4-3-46

In the letter in the current file the Government of India raise the question of employment of ex-service personnel in teaching and other allied services connected with post-war development and suggest that potentially suitable ex-service personnel who wish to be employed as teachers should be assisted to acquire the necessary qualifications, if they do not have them. They request that the Provincial Govt. may arrange intensive courses of trg. for selected personnel free of charge. They also point out that for those services personnel who have attended a course of trg. in educational methods at the Army School of Edn. a reduction in the period of trg. would be justified.

2. The Government have already issued orders to the effect

(1) that in the matter of admission to trg. institutions preference should be given to demobilised soldiers, they being granted liberal exemptions from age rule for all grade of training and the qualification rule for Secy. grade training;

(ii) that they may be exempted from payment of tuition and special fees and also the examination fees;

(iii) that Indian Army Special Certificate of Education should be accepted as adequate qualification for secondary grade training; and

(iv) that demobilised soldiers admitted for training will be eligible for the usual stipends.

3. The Govt. have also approved the opening of addl. sections in four Govt. training schools for the training of 200 demobilised soldiers as elementary grade teachers. The Director has reported that so far only seven candidates have come forward for training. At the instance of the Board of Revenue the question of granting addl. concessions to make the course attractive is under consideration
