ENCLOSURES.....

SPARE COPIES.....

103 w/for M.

I have the honour to state that Sri M. Krishnaswamy, a Lino-operator of this office has applied to me to have his date of birth altered in his service book from 1-7-1892 to 18-4-1894. He has produced a birth certificate from the Corporation of Madras in support of his application.

He was first entertained as a Temporary Compositor in this office on 19-9-1917 and was confirmed on 1-4-1923. He states that he is the second issue to his father Manuswamy Naidu, the first issue being a female who died some years back and that his father had no more issues either male or female.

He

He has also produced from the Corporation of Madras a certificate to prove that no child was born to Munuswamy Naidu, his father between 1-7-1892, the date of birth as recorded in his service book and 18-4-1894, the date of his birth as per birth certificate now produced by him. He further states that he has not insured his life in any Life Insurance company and that he never sat for any Government Technical Examination.

Under the circumstances, I request that sanction may be accorded for the alteration of his date of birth from 1-7-1892 to 18-4-1894 with reference to note under para 6 of Annexure II - Part III - Subsidiary Rules under Rule 74(a)-IV. of F.R.

The precedent put up can not be usefully applied in this case. The disparity in the age in the precedent case of the Candidate disposed of in G.O. no 537 E.D. dated 3.3.1938 is ten years whereas in the present case the disparity is less than two years. It is also observed from the report of the Medical
