According to the policy of Govt. in regard to College education set in the Press Communique No.16 dated 13.7.45, grants towards the purchase of equipment should not be made only in the case of colleges newly opened or for new courses opened in the existing colleges. The Panchaiyappas College is an old institution and the books and science articles proposed to be purchased are required for the normal working the College. The D.P.I. recommends the ~~grant~~ inclusion of the scheme in the approved list. His recommendation may be accepted.

The Director of Public Instruction is informed that no promise
as stated by him in his letter under reference has been given in respect
of grant for the two institutions mentioned above. The inclusion in the
approved list did not convey any guarantee of grant to the institutions,
concerned, but it only rendered them eligible for a half-grant, not
exceeding on half of the cost specified in the first two G.Os read above,
if and when funds became available, subject to the conditions of the
grant included in Aid Code. It is therefore open to the Government
to reduce the grant included in the approved list or make no grant at
all. In the circumstances the Government do not see any reason to
revise the orders already passed in the matter.

Extract of memorandum presented to the Hon'ble Minister for Education by the President and Trustees of the Pachaiyappa's Trust Board:--

- I. Re. Reduced equipment grant to the Pachaiyappas College - Appeal for reconsideration.

2
The Director of Public Instruction has, in his Proceedings R.C.No.241/F/47 dated 24.7.47 communicated the Govt. sanction for the inclusion in the approved list of the application for a grant towards the ~~XXXXXX~~ purchase of books, science articles etc., at an estimated cost of Rs. 55,418/-. On the strength of this sanction, the Trustees invited quotations from various firms and were about to place orders for the purchase of the articles when by his Proceedings R.C.No.153-F/48 dated 13.5.48 the Director informed the Trust Board that the Govt. have limited payment of equipment grant in respect of schemes of Colleges to a maximum sum of Rs. 10,000 only, even though schemes were already admitted for inclusion in the approved list.

A
Under this modified indent, we can only purchase books and science articles to the extent of Rs.20,000 to earn an equipment grant of Rs. 10,000/-. In this connection, the Trustees of the Pachaiyappas Trust Board wish to submit that even the original indents were prepared on a conservative basis and included essential items which could not be secured during the War.

As the Pachaiyappas College is a First Grade College affiliated to the Madras University in the B.Sc. course of study, it is well nigh impossible to conduct efficient practical work, if these items are now reduced. There are several items in the Chemistry, Physics, Zoology, and Botany Departments which require immediate renewal, the execution of which cannot be further postponed without the serious detriment to practical work in the laboratories.

In these circumstances, the Trust Board request

the Govt. to view this question sympathetically on a reconsideration and to sanction the original indent so that efficient instruction can be imparted to students getting instruction in science subjects.

solicited to the orders at p. 28 of (S) on a similar request by the Principal, Hindu College, Masulipatam. Recently, it has also been decided that the decision in the case relating to the Hindu College, Masulipatam, should apply to the equipment grant for the Pachaiyappas College, Madras. - vide this Deptt. notes on 2XMF p. 2 n.f. and Finance Deptt's notes on p.p. 4-5 n.f. of G.O. The President of the Pachaiyappas Trust Board may be informed accordingly. Subject to orders, a draft memo. is submitted for approval.
