From

Registrar, High Court, Madras.

To

The Deputy Secretary to Government,
Education and Public Health Department, Madras,
(with enclosure).

Dated 22nd January 1947.

Sir,

Sub: Printing of High Court records - entrustment to
private presses also.

In G.O. No.2001 (Education) dated 18-10-1946, Government sanctioned the continuance of the concession regarding entrustment of part of the printing work of the High Court records to private presses for a further period of three months from 1-11-1946, and the present sanction expires by the end of this month. In his letter C.69 dated 11-10-1946 copy of which was forwarded to Government with my letter R.O.C.No.5619/46 B-1 dated 15-10-1946, the Superintendent, Government Press, stated that he would require the assistance of the private

presses for 3 months from 1-11-1946 to maintain the supply of 4300 pages a week to the High Court and that he hoped to be able to considerably increase his output thereafter. But he now states (Vide copy of his letter No.C-1 Mis. dated 20-1-1947 enclosed) that the pressure of work in the Government Press still continues and that it will not be possible for the Government Press to meet the normal demand of 4300 pages a week without the aid of the private presses for a further period of 3 months from 1-2-1947. The current requirement of the High Court continues to be about 4300 printed pages a week, and without it, it will not be possible to provide the Hon'ble Judges with sufficient work. I am therefore to request that sanction of Government may be obtained for the continuance of the above concession for a further period 3 months from 1-2-1947 and that early orders may be passed accordingly as the present sanction expires at the end of this month.

Copy of letter C.Mis. dated 20-1-1947 from the Supdt. Govt. Press, Madras, to the Registrar, High Court, Madras.

Sub: Printing of High Court records - entrustment to private presses at enhanced rates.

Ref: your letter Roc.no.31-A/B-1/47, dated 6th Jan. 1947.

The pressure of work in the Government Press is still continues and although the printing of the Electoral Rolls is finished there is little or no relief. Under the present state of work I cannot meet your demand for 4300 pages a week without the assistance of Private Presses. Further the Madras Legislative Assembly and Council will be sitting from the end of this month and nearly half my Linotype machines will be occupied in setting up the proceedings of the Legislature, which has been asked to be speeded up very considerably.

I therefore see no option but to ask you to address Government

for the continuance of the sanction for a further period
of three months from 1-2-1947.
