Copy of letter No.R.C.135/SE/47, dated 1-2-1947 from the Inspector General of Police, Madras, to the Secretary to the Government of Madras, Home Department.

Sub:- Stationery - flat files and copying ink pencils for district special branch offices and officers - supply - sanction requested.

I request the Government to sanction the supply of flat files and copying ink pencils to the District Special Branch Offices and Officers on the following scales:-

1. District Special Branch - six flat files per annum for each district special branch.
2. District Special Branch Officer (sub inspectors and Head constables alone) - four copying ink pencils per district Special branch officer per annum.

2. The supply of flat files to District Special Branches is essential to enable them to maintain separate files for different political organisations and for confidential circulars etc., Up till now there has been no supply of flat files to the District Special Branches, but now that work has increased and records have to be maintained separately and systematically, I recommend that every district special branch be supplied with six flat files per annum.

3. In accordance with G.O.No.565, Finance, dated 17-10-1932 (vide correction slip to page 6 - Appendix XXI.D., to the Stationery Manual, Volume II, Part II) four copying ink pencils are supplied to each district special branch per annum. As a result of the increase in the strength of district special branches, which varies in different districts, and as district special branch sub inspectors and Head constables have to submit daily and weekly reports in addition to other confidential reports, all of which have to be prepared in duplicate. I recommend that the scale be amended to four copying ink pencils per district special branch officer per annum.

4. The cost of the supply of flat files is Rs.73/- per annum and the additional cost of the supply of copying ink pencils is Rs.312/- per annum.
