R.O.C.No.11312-H/46 dated 10th April, 1947.

Sir,

Stationery--Supply of an Urdu Typewriter for the Government
Muslim College, Madras.

I have the honour to state that the Principal, Govt. Muslim College, Madras, has brought to my notice that the Superintendent, Government Press, has very often expressed his desire to have the question papers in Urdu printed in private press. The Principal therefore requests for the supply of an Urdu typewriter for the college and the Government Madrasa-i-Azam. He states, that in the present days when great importance is attached to the Regional language in imparting education, the machine will be of immense help in getting up good many circulars and other communications; besides typing the question papers for quarterly, half-yearly and annual examinations and monthly tests. He expects that the supply of the machine will be economical and much saving could be effected under printing charges. There is a qualified hand on the staff of the college who can handle the Urdu Typewriter, if sanctioned for supply.

2. It is stated that the difficulty of printing question papers arose in 1944-45 when the Superintendent, Government Press expressed his inability to comply with the request of the Principal. The difficulty is reported to be increasing and likely to be more formidable if no alternative arrangement is made. Hence the Principal makes a special request for the supply of an Urdu Typewriter for the College.
